Independent Auditors' Report

To the Plan Administrator
Magnolia River International, Inc. Employee Stock Ownership Plan

Opinion

We have audited the financial statements of Magnolia River International, Inc. Employee Stock Ownership Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (in liquidation) as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits (in liquidation) for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Magnolia River International, Inc. Employee Stock Ownership Plan as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Magnolia River International, Inc. Employee Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Magnolia River International, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Magnolia River International, Inc. Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Magnolia River International, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Plan Termination and Liquidation Basis of Accounting

As described in Notes 1 and 4 to the financial statements, the Board of Directors of Magnolia River International, Inc. approved termination of the Plan effective on December 30, 2020, and management has liquidated the Plan. As a result, the Plan has used the liquidation basis of accounting in presenting the 2021 and 2020 financial statements. Our opinion is not modified with respect to that matter.

Sincerely,

Angela Reichmann Armstrong P.C.

MAGNOLIA RIVER INTERNATIONAL, INC. EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 1 - Description of Plan

The following description of the Magnolia River International, Inc. Employee Stock Ownership Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

Magnolia River International, Inc. (the Company) (the Plan Sponsor) established the Magnolia River International, Inc. Employee Stock Ownership Plan effective as of January 1, 2019. As of January 1, 2019, the Plan was established and operated, in relevant part, as a leveraged employee stock ownership plan (ESOP), and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (IRC) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by an ESOP Administrative Committee (the Committee). The Committee has authority to control and manage the operation and administration of the Plan and has all powers necessary to enable it to carry out its duties. The Trustee and Committee are responsible for oversight of the Plan. In connection with Warren Equity Partners GP II, L.P.'s acquisition of all of the Company's issued and outstanding shares on December 30, 2020 (Closing Date), the Plan was terminated on December 30, 2020 (Termination Date). As of December 31, 2021, the plan was completely liquidated.

Prior to the Termination Date, the Plan purchased Company common stock using the proceeds of a borrowing from the Company and held the common stock in a trust established under the Plan. As the Plan made each payment of principal, an appropriate percentage of stock was allocated to eligible employees' accounts in accordance with applicable regulations under the IRC. As part of the transaction the loan was paid off in full. Effective as of the Closing Date, the Plan was no longer invested in Company Stock.

Eligibility

The Plan was amended in 2020 to allow all employees employed at the Closing Date eligibility in the Plan.

Contributions

Prior to the Termination Date, the Company was obligated to make contributions in cash to the Plan, which when aggregated with the Plan's dividends, equal the amount necessary to enable the Plan to make its regularly scheduled payments of principal and interest due on its term loan.

Payment of Benefits

After the Termination Date, distributions to Participants and Beneficiaries were made in accordance with the following schedule: (i) as soon as reasonably practicable following the Termination Date, participants were eligible to receive a one-time in-service distribution equal to 75% of their available participant account balance; (ii) as soon as reasonably practicable following receipt of a favorable determination from the Internal Revenue Service with respect to the termination of the Plan, a distribution of the remainder of each participants account balance. To the extent any ESOP Participant did not make any election regarding the distribution of his ESOP account balance, such participants account was transferred to the Magnolia River 401(k) Plan (401(k) Plan).

Note 1 - Description of Plan - Continued

Voting Rights

All Company common shares held by the trust shall be voted by the Trustee in accordance with instructions from the Administrative Committee. Notwithstanding the foregoing, participants and/or beneficiaries shall be entitled to direct the voting of any voting shares allocated to their Company Stock Accounts with respect to any vote required for the approval or disapproval of any corporate merger or consolidation, recapitalization, reclassification, liquidation, dissolution, sale of substantially all the assets of a trade or business, or other such transactions as the Secretary of the Treasury may prescribe by regulation. In accordance with instructions from the Committee, the Trustee shall vote any unallocated shares held by the trust, as well as any allocated shares for which a participant has failed to give timely voting direction.

Participant Accounts

The Plan was a defined contribution plan under which a separate individual account is established for each participant. Each participant's account was credited as of the last day of each Plan year with an allocation of shares of the Company's common stock released by the Trustee from the unallocated account and forfeitures of terminated participants' nonvested accounts. The benefit to which a participant was entitled was the benefit that can be provide from the participant's vested account.

Vesting

Effective as of the Termination Date, all participants within the Plan became 100% vested in his or her account.

Diversification

Effective with the Closing Date, diversification of participant accounts was no longer available.

Administration of Plan Assets

Prior to the Closing Date, the Plan's assets, which consist principally of Company common stock, were held by the Trustee of the Plan. Company contributions were held and managed by the Trustee, which invests cash received and dividend income and makes distributions to participants. The Trustee also administered the payments of interest and principal on the loans, which were reimbursed to the Trustee through contributions as determined by the Company.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Administrative expenses for the Trustee's fees, audit fees, and fees for annual valuation of the Company's common shares are paid directly by the Company.

Administrative Expenses

As provided in the Plan Agreement, administrative expenses are paid by the Plan unless paid by the Company. Such expenses, if paid by the Plan, may be paid out of forfeitures in the Trust that occur each plan year.

Effective with the Termination Date, a Post-Closing Expense Fund was established. Expenses of administering the Plan shall be paid from the Post-Closing Expense Fund. Funds held in the Post-Closing Expense Fund totaled \$0 at December 31, 2021. Expenses incurred in connection with the Plan termination that can be reasonably estimated and expected to be paid by the Post-Closing Fund have been accrued in accordance with the liquidation basis of accounting and totaled \$0 at December 31, 2021. Actual expenses may exceed these amounts. In the event that the Post-Closing Expense Fund is insufficient to pay the expenses of administering the Plan, such expenses shall be paid by the Company.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The liquidation basis of accounting is in accordance with accounting principles generally accepted in the United States of America. The liquidation basis of accounting is required whenever liquidation of the Plan is imminent, assets are converted to cash and assets not used to settle expenses are set to be distributed to participants.

Cash

The Plan considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash. The Company maintains cash in accounts with a high quality, federally insured financial institution. At times, the balances in these accounts may be in excess of federally insured limits.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Date of Management's Review

Management has evaluated subsequent events through July 29, 2022, the date which the financial statements were available to be issued.

Note 3 - Related-Party Transactions and Party in Interest Transactions

The Plan invested in Company common stock, which was a related party and party-in-interest transaction. These are related party and parties-in-interest transactions. As described in Note 1 the Plan has a number of service providers. Such parties are parties-in-interest under ERISA.

Note 4 - Plan Termination

In a letter dated July 23, 2021, the Internal Revenue Service (IRS) accepted the termination of the Plan with the effective date of December 30, 2020, coinciding with the Closing Date. All funds of the plan were distributed to participants or transferred to the 401(k) Plan by December 31, 2021.

Note 5 - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 23, 2021, that the Plan and related trust were designed in accordance with applicable sections of the IRC including all amendments.
