INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Restaurant Services, Inc. 401(k) Employee Savings Plan

Opinion

We have audited the accompanying financial statements of Restaurant Services, Inc. 401(k) Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of Restaurant Services, Inc. 401(k) Employee Savings Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Restaurant Services, Inc. 401(k) Employee Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Restaurant Services, Inc. 401(k) Employee Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Restaurant Services, Inc. 401(k) Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Restaurant Services, Inc. 401(k) Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RESTAURANT SERVICES, INC. 401(K) EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF PLAN

The following description of the Restaurant Services, Inc. 401(k) Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan documents and agreements for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all full-time employees of Restaurant Services, Inc. and its wholly-owned subsidiaries, Supply Chain Services, LLC and Integize Technology Solutions, LLC (collectively referred to as the "Company", "Employer" or "Plan Sponsor") who have completed at least three months of service and who are twenty-one years of age or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Federal income taxes on amounts contributed by the employees are deferred in accordance with Internal Revenue Code ("IRC") Section 401(K).

Plan Amendments: Effective December 1, 2021, the Plan was amended to add Integize Technology Solutions, LLC as an adopting employer to the Plan.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ACT (the "CARES Act") was signed into law. Effective April 6, 2020, the Plan was amended to implement changes per the provisions of the CARES Act. The CARES Act provisions implemented by the Plan allow Plan participants to receive up to \$100,000 of coronavirus-related distributions, from eligible retirement plans, between January 1, 2020 and December 31, 2020. A coronavirus-related distribution is subject to certain requirements and limitations as set forth in the CARES Act and Plan document. There were no coronavirus-related distributions from the Plan during the year ended December 31, 2020. The CARES Act also temporarily waived the required minimum distribution rules for 401(k) plans for calendar year 2020.

The CARES Act also increased the limits on loans from an eligible retirement plan, from a maximum equal to the lesser of \$50,000 or 50% of a Plan participant's vested account balance; to a maximum equal to the lesser of \$100,000 or 100% of a Plan participant's vested account balance. These loans are available to eligible individuals for 180 days beginning on March 27, 2020. Coronavirus related loans are to be repaid over a five-year period, however, if repayments are to begin prior to December 31, 2020, such repayment period shall be extended for an additional year. There were no coronavirus-related loans from the Plan to Plan participants during the year ended December 31, 2020.

Elective Deferrals and Contributions: Each year, participants may elect to have the Company contribute a portion of their total eligible annual compensation to the Plan ("elective deferrals"). For any calendar year, a participant's elective deferrals may not exceed a specific dollar amount [\$19,500 and if over 50 years of age, the participant may

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE A--DESCRIPTION OF PLAN--Continued

Elective Deferrals and Contributions--Continued: contribute an additional \$6,500 in 2021 as determined by the Internal Revenue Service ("IRS"). Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may elect to make a discretionary match contribution. The Company matched 100% of the participant's elective deferrals up to a maximum of 5% of the participant's compensation on a per pay period basis. Up to an additional 2% match may be awarded as a discretionary employer match upon the achievement of certain specified Company objectives. For the year ended December 31, 2021, the Company met these objectives and therefore elected to make additional contributions which would match 100% of each active participant's contributions up to a maximum of 7% of the participant's annual compensation.

Participant Accounts: Each participant's account is credited with the participant's elective deferrals and allocations of (a) the Company's discretionary match contribution and (b) investment earnings and losses and charged with an allocation of administrative expenses if the expenses are not paid by the Company.

Allocations are based on participant account balances in one or more investment options selected by the participant. Discretionary match allocations are based on participant contributions and participant compensation, respectively. Participants must be active in the Plan during the year in order to be eligible to receive the matching contribution or separated from employment due to retirement, disability or death. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Upon enrollment in the Plan, a participant may direct elective deferrals and employer matching contributions in any of the investment options offered by the Plan. Participants may change their investment options at their discretion.

Vesting: Participants are immediately vested in their elective deferrals plus actual earnings or losses thereon. Vesting in the Company's discretionary matching contribution portion of their accounts plus actual earnings thereon is based on years of credited continuous service. The following outlines the Plan's vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 year	33.3%
2 years	66.7%
3 years and more	100%

Notes Receivable from Participants: Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The interest rate shall be a reasonable fixed rate and the term of the loan

RESTAURANT SERVICES, INC. 401(K) EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE A--DESCRIPTION OF PLAN--Continued

Notes Receivable from Participants--Continued: shall be a maximum of 5 years unless the loans are for the purchase of a principal residence in which case the loan term may exceed 5 years. The loans are secured by a security interest in the participant's vested account balance and are repaid through bi-monthly payroll deductions. The interest rates on participant loans outstanding at December 31, 2021 range from 5.25% to 7.50%.

Payments of Benefits: Participants (or the participants' beneficiary, if the participant is deceased) will be eligible to receive their benefit on the earlier of attaining the age of 59½ years, retirement, death, disability or termination due to any other reason, and may elect to receive either a lump-sum amount up to the value of the participant's vested interest in his or her account or installment payments over a specified period of time, not to exceed the participant's life expectancy or the joint life expectancy of the participant and the participant's beneficiary. The normal retirement age is 65 years. Once a participant reaches the age of 72 years (70 ½ if reached prior to January 1, 2020), annual required minimum distributions must be taken. A participant may also receive a distribution if they experience undue financial hardship as further defined in the Plan document and in accordance with the IRC.

Forfeited Accounts: Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. Forfeitures of non-vested discretionary employer contributions are used by the Company to offset future contributions to the Plan or Plan administrative expenses.

There were approximately \$9,500 of forfeited non-vested accounts during the year ended December 31, 2021, which were used by the Company to offset Plan expenses, and a forfeiture account balance amounting to approximately \$300 remains as of December 31, 2021.

Expenses Paid by the Company: Plan administration expenses for professional fees amounting to approximately \$23,000 were paid by the Company in 2021.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates: The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

RESTAURANT SERVICES, INC. 401(K) EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment earnings and interest income are recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's net gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Company as disclosed in Note A and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. Certain investment advisory and management fees are included in administrative expenses on the accompanying Statement of Changes in Net Assets Available for Benefits.

Payment of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan provides for investment options in various mutual funds, self-directed brokerage accounts and collective investment trusts. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

In January 2020, an outbreak of a novel strain of coronavirus ("COVID-19") emerged globally and in March 2020 was declared a pandemic by the World Health Organization. Although it is not possible to estimate the length or severity of this outbreak and its impact on the Plan's financial statements, the fair value of the Plan's investments could be materially adversely affected by the market volatility associated with COVID-19.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Subsequent Events: The Plan's management has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through July 19, 2022, the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy in accordance with GAAP are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan at year-end are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

RESTAURANT SERVICES, INC. 401(K) EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Collective investment trusts : The collective investment trust funds consist of the Principal Stable Value Select Fund and the Small Cap Value I1 Fund. These investments are valued daily at the net asset value ("NAV") of participant units held by the Plan. The NAV is used as a practical expedient to estimating fair value. The NAV, as provided by the trustees of these trust funds, is based on the value of the underlying assets owned by the fund, minus its liabilities, divided by the number of units outstanding.

Self-directed brokerage accounts: The self-directed brokerage accounts primarily consist of common stock that is valued using quoted market prices of the underlying investment in the active market. These accounts may also include uninvested cash balances.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value on a recurring basis as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Quoted Prices In Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)	Total

NOTE C--FAIR VALUE MEASUREMENTS--Continued

(a) In accordance with Accounting Standards Codification ("ASC") 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

NOTE D--FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively.

	<u>Fair Value</u>
<u>December 31, 2021</u>	
Collective Investment Trusts:	
Principal Stable Value Select Fund (b)	\$ 2,789,806
Small Cap Value I1 Fund (c)	<u>229,577</u>
	<u>\$ 3,019,383</u>
	<u>Fair Value</u>
<u>December 31, 2020</u>	
Collective Investment Trusts:	
Principal Stable Value Select Fund (b)	\$ 5,873,182
Small Cap Value I1 Fund (c)	<u>81,565</u>
	<u>\$ 5,954,747</u>

(b) Principal Stable Value Select Fund (the "Fund") - The primary investment objective of the Fund is to provide diversification of investments consistent with a stable fixed-income methodology providing for preservation of capital and relatively stable returns regardless of the volatility of the financial markets. On January 1, 2020, the Fund contributed substantially all of its assets in-kind for units of the Morley Stable Value Fund, another of the Trustee's collective trust funds. The Morley Stable Value Fund invests in conventional and synthetic guaranteed investment contracts issued by life insurance companies, banks and other financial institutions. Unitholders may redeem units, but the units may not otherwise be transferred without the consent of the Trustee of the Fund. Withdrawals from the Fund for benefit payments and participant transfers to noncompeting options to be paid to plan participants shall be made within thirty-days after written notification has been received and are considered as made immediately after the next valuation date subsequent to the Trustee's approval.

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE D--FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV--Continued

Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a twelve month advance written notice. There are no unfunded commitments on these investments.

(c) Small Cap Value I1 Fund - The investment strategy of this fund is to provide capital appreciation. The fund selects stocks using a unique, value-oriented approach focusing on high quality companies with long-term capital appreciation potential that are available. The fund primarily invests its assets in value-oriented common stocks of small-sized U.S. companies. Participants are permitted to redeem units at NAV daily. There are no significant redemption restrictions or unfunded commitments on these investments.

NOTE E--CONCENTRATIONS

As of December 31, 2021, two of the Plan's investment options held approximately 30% of the Plan's total investments, and as of December 31, 2020, three of the Plan's investment options held approximately 42% of the Plan's total investments.

NOTE F--TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service ("IRS") stated that the custom plan sponsored by Principal (prototype plan document) and related trust adopted by the Plan, as then designed, were in compliance with the applicable requirements of the IRC. The Plan itself has not received a determination letter from the IRS upon adoption of the prototype plan document.

However, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan is qualified and is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded there are no uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examination for years prior to 2018.

NOTE G--PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal. Principal is the Custodian as defined by the Plan for the year ended December 31, 2021 and, therefore, these transactions qualify as party-in-interest transactions. Fees are incurred by the Plan for investment management services and the Plan makes direct payments to the Custodian for certain administrative expenses (See Note B).

NOTE H--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances including employer contributions.

NOTE I--BENEFITS PAID AFTER YEAR END

Benefits requested by participants during the year ended December 31, 2021 and paid subsequent to year-end amounted to approximately \$50,000.
