Independent Auditor's Report

To the Plan Administrator
Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan
Denver, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Seniors' Resource Center Inc. (the "Sponsor") regardless of age or years of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Each year, participants may contribute pretax annual compensation, as defined in the Plan, up to the maximum amount allowed by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Sponsor makes matching contributions equal to a percentage of employee compensation received during the plan year and based on participant years of service during the plan year. Participants working less than two years receive a 1% match, participants who have completed two years of service receive a 2% match and participants who have completed three or more years receive a 3% match.

The Sponsor contributes a 2% profit sharing contribution to all employees who have completed one year of service.

Effective January 1, 2021, the Plan was amended to match 3% upon one completed year of service, 4% upon two completed years of service, and 5% upon three or more completed years of service.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$7,729 and \$4,546, respectively. These accounts will be used to reduce future Sponsor contributions or to pay administrative expenses of the Plan in accordance with the plan document. Also, during the year ended December 31, 2021, Sponsor contributions were reduced by \$1 from forfeited nonvested accounts.

Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.50% to 6.50%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Participant Accounts

Each participant's account is credited with the participant's contributions, Sponsor matching contributions, and allocations of (a) the Sponsor's profit sharing contribution and, (b) plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Vesting

Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting in the Sponsor's contribution portion of a participant's account is based on the number of years of service.

Sponsor contributions vest according to the following schedule:

	Vesting %
Less than 2 years	- %
2 years	25 %
3 years or more	100 %

Subsequently, effective January 1, 2022, the Plan was amended to allow all employees to be immediately vested in the Plan upon employment.

Seniors' Resource Center, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("GAAP").

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are held within a group annuity contract with Mutual of America Life Insurance Company, the custodian of the Plan. Investment options under the contract include pooled separate accounts which invest in a single mutual fund and a fixed interest investment option held in the general account of Mutual of America.

The Plan holds units in the pooled separate account investments which are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of units in the pooled separate accounts are recorded on a trade-date basis. Changes in the value of pooled separate account units are recorded as appreciation or depreciation on a daily basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The investment in the fixed interest account is reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the plan.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in net investment income.

Payment of Benefits

Benefits are recorded when paid.

Note 3: Information Prepared and Certified by Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest, and interest income on notes receivable from participants, for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mutual of America Life Insurance Company, the custodian of the Plan.

Note 4: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Pooled separate accounts: Valued at the net asset value of the mutual fund in which the separate account is invested as reported by the fund to the pooled separate account issuer and adjusted by an administrative charge determined in accordance with the contract under which the pooled separate account is held by the Plan.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Total investment assets in the fair value hierarchy	\$ -	\$ -	\$ -	-
Investment assets measured at NAV (a)				4,844,190
Total investment assets at fair value				\$ 4,844,190

Note 4: Fair Value Measurements (Continued)

	Assets at Fair Value as of December 31, 2020

Total investment assets in the fair value hierarchy	-	-	-	\$ -
Investment assets measured at NAV (a)				5,027,729
Total investment assets at fair value				\$ 5,027,729

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

	Fair Value December 31, 2021	Fair Value December 31, 2020	Redemption Frequency (If Currently Eligible)	Unfunded Commitments	Redemption Notice Period
Pooled Separate Account Description					
Investment Funds:					
Target Date Funds(a)	\$1,989,478	\$2,592,616	Daily	N/A	None
Equity Funds (b)	1,816,045	1,509,008	Daily	N/A	None

Balanced Funds (f)	350,460	325,578	Daily	N/A	None

(a) Target date funds are all-in-one investment options that offer a diversified portfolio with an asset allocation geared to the year in which retirement is expected.

(b) Equity funds include large, mid, and small cap growth and income funds, both domestic and international, and seek to provide opportunities for capital appreciation and dividend income while providing a diverse mix of options for participant asset allocation preferences.

(c) Real estate funds invest in securities offered by public real estate companies and provide value through appreciation.

(d) An asset allocation fund is a fund that provides investors with a diversified portfolio of investments across various asset classes.

(e) Fixed income funds are seeking income or growth of income with less emphasis on capital appreciation.

(f) Balanced funds invest money across asset classes, including a mix of low-to-medium-risk stocks, bonds, and other securities. Balanced funds invest with the goal of both income and capital appreciation.

Notes to Financial Statements

Note 5: Fixed Interest Account Investment

The Plan invests in a fixed interest account under the guaranteed annuity contract with Mutual of America Life Insurance Company ("MoA"). MoA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MoA is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The investment is carried at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed on a daily basis for resetting.

Certain events limit the Plan's ability to transact at contract value with MoA including Plan termination and other events as specified in the investment contract. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring. The investment contract permits MoA to terminate the agreement prior to the scheduled maturity date if certain events such as ERISA violations occur and other events as specified in the investment contract.

Note 6: Tax Status

The IRS has determined and informed the Sponsor by a letter that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7: Risks and Uncertainties

The Plan provides for various investment options. Investment securities, in general, are exposed to various risks, such as interest rates, credit and overall market volatility risk. Due to the level of risk associated with investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount presented in the statements of net assets available for benefits.

Beginning in March 2020, the United States economy began suffering adverse effects from the Covid 19 virus crisis ("CV19 Crisis"). The Sponsor's operations have been impacted by the CV19 Crisis and the Sponsor continues to monitor the situation. Negative impact to the Sponsor's results of operations, cash flows, and financial condition, and the ability for the Sponsor to continue to make contributions to the Plan, cannot be reasonably estimated or determined at this time.

Notes to Financial Statements

Note 8: Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are shares of mutual funds managed by Mutual of America Life Insurance Company, the custodian of the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid to Mutual of America for the year ended December 31, 2021 were \$2,227.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 9: Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to the Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 5,392,115	\$ 5,680,432

Net assets per the Form 5500	\$ 5,384,688	\$ 5,679,291

The following is a reconciliation of the change in net assets available for benefits per the financial statement for the year ended December 31, 2021 to the Form 5500:

	2021
Change in net assets available for benefits per the financial statement	\$ (288,317)
Net adjustment to participant contributions receivable	5,685
Net adjustment to sponsor contributions receivable	1,742
Net loss per the Form 5500	\$ (295,744)

Note 10: Partial Plan Termination

During 2021, the Plan experienced a significant reduction in plan participants as a result of the Sponsor entering into an agreement with an unrelated third party to assign control of the Sponsor's transportation program. In aggregate, the terminations represented a partial termination of the Plan. The partial termination period began July 1, 2021, and ended July 31, 2021. As a result of this partial termination, all affected participants became fully vested in their account balance.

Notes to Financial Statements

Note 11: Subsequent Events

The Plan has evaluated subsequent events through July 26, 2022, which is the date the financial statements were available to be issued.

Effective January 1, 2022, the Plan transitioned to a safe harbor plan which includes a matching contribution for 3% of the compensation received by the employee during the plan year and one half of a percentage for the next 2% contributed by the employee, not to exceed 4%. All employees are immediately vested in all contributions and earnings of the Plan upon employment.
