INDEPENDENT AUDITOR'S REPORT

July 12, 2022

To the Administrative Committee of
the Victoria Air Conditioning, Ltd. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Victoria Air Conditioning, Ltd. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Victoria Air Conditioning, Ltd. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section-

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Victoria Air Conditioning, Ltd. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Victoria Air Conditioning, Ltd. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted accounting standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Victoria Air Conditioning, Ltd. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Victoria Air Conditioning, Ltd. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules as listed in the accompanying index as of or for the years ended December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted accounting standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Victoria Air Conditioning, Ltd. 401(k) Profit Sharing Plan and Trust were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 13, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

VICTORIA AIR CONDITIONING, LTD. 401(k)
PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Victoria Air Conditioning, Ltd. (the “Company”) Profit-Sharing Plan and Trust (the “Plan”) have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”) as applied to employee retirement plans and in accordance with the terms of the trust agreement. The Plan is designed to hold and invest Plan assets for retirement benefits of the Plan Participants.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with GAAP.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan sponsor. Expenses that are paid by the Plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Investment Valuation and Income Recognition

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan’s trustee determines the Plan’s valuation policies utilizing information provided by the investment advisors, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments include the Plan’s gains and losses on investments bought and sold as well as held during the year.

Gains and losses on the sale of investments in registered investment company funds are computed using the weighted average cost method.

Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continuation)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the note balance is reduced and a benefit payment is recorded.

Notes receivable from participants have been classified as an investment for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, Line 4i – Schedule of assets (held at end of year).

Payment of Benefits

Benefits are recorded when paid. Normal retirement age under the plan is 65.

Date of Management's Review

The Plan has evaluated subsequent events through July 12, 2022, which is the date the financial statements were available to be issued.

Note 2 – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Victoria Air Conditioning, Ltd. and its affiliates who have attained the age of 21 and have completed one year of service (1,000 hours). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Executive Committee is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Executive Committee.

Contributions

Each year, participants may contribute up to 100 percent of eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Eligible employees are automatically enrolled in the Plan with a deferral rate of 3% of eligible compensation. The Plan provides for discretionary matching and profit-sharing contributions. During the years ended December 31, 2021 and 2020, the employer made discretionary matching contributions of \$239,333 and \$200,000, respectively. There was no profit sharing contribution for the year ended December 31, 2021 and 2020.

Note 2 – DESCRIPTION OF PLAN – (Continuation)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

All investments of the Plan are participant-directed. The Plan currently offers three (3) investment options for participants. Participants are allowed to change their investment election at any time. If a participant does not make any investment selections, the deferrals and any employer contributions are invested in the Plan's qualified default investment alternative (QDIA), Frost Optimum Balance Growth & Income Fund.

Vesting

Participants are immediately vested in elective contributions, rollover contributions, safe harbor matching contributions and transfer contributions, plus or minus any earnings or losses. Any contribution not listed in the previous sentence will vest as follows:

<u>YEARS OF SERVICE</u>	<u>VESTING PERCENTAGE</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Only one note is permitted at a time. The notes are secured by the balance in the participant's account. The loan interest is set at 1.00% above the prime rate, as defined by the Plan. As of December 31, 2021, interest rates on participant loans ranged from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Terminated participants with vested balances less than \$1,000 are paid out as soon as administratively possible. Terminated participants with vested balances between \$1,000 and \$5,000 have their accounts rolled over to an individual retirement account selected by the Plan Administrator.

Note 2 – DESCRIPTION OF PLAN – (Continuation)

Forfeited Accounts

Participant forfeitures of nonvested balances will be allocated to eligible participants, as defined by the Plan. Forfeited nonvested accounts at December 31, 2021 totaled \$4,817. There were no forfeited nonvested accounts at December 31, 2020. For the year ended December 31, 2021 and 2020, \$26,595 and \$3,215 from forfeited nonvested accounts were allocated to eligible participants, respectively.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15, 2022 and 2021, respectively.

Note 3 – INFORMATION CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data prepared and certified to as complete and accurate by the trustee, Frost Bank.

	DECEMBER 31,	
	2021	2020
Investments, at Fair Value:		
Money Market Funds	1,139,030	919,519
Mutual Funds	12,991,936	11,344,381
 TOTAL INVESTMENTS	 14,130,966	 12,263,900
 INVESTMENT INCOME	 1,704,600	 1,176,095

Note 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 inputs to the valuation methodology include; quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from, or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Note 4 – FAIR VALUE MEASUREMENTS – (Continuation)

Level 3 inputs to the valuation methodology are inputs that are unobservable and significant to the fair value measurement.

Valuation Methodology

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value.

The fair value of the money market and mutual funds is based on quoted net asset values of the shares held by the Plan at the end of the year. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan's fair value measurements reported by level within the fair value hierarchy at December 31, 2021 and 2020.

	USING QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1) DECEMBER 31,	
	2021	2020
Money Market Funds	1,139,030	919,519
Mutual Funds	12,991,936	11,344,381
TOTAL INVESTMENTS, AT FAIR VALUE	14,130,966	12,263,900

Note 5 – INVESTMENT PROGRAMS

All investments of the Plan are participant-directed. The Plan sponsors three basic investment alternatives (Bond-based mutual funds, Equity-based mutual funds, and Balanced mutual funds) from which participants can make investment directives. Each of the investment alternatives offers several mutual funds from which the trustee is authorized to execute investment transactions on behalf of the participants. Participants are allowed to change their investment elections quarterly.

Note 6 – TRANSACTIONS WITH RELATED PARTIES AND PARTIES-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by a subsidiary of Frost Bank. Frost Bank is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$65,974 and are included in administrative fees on the statement of changes in net assets for benefits.

Note 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 8 – TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable determination letter from the Internal Revenue Service, and the Plan sponsor believes that the Plan continues to qualify and to operate as designated and, accordingly, the Plan's net investment income is exempt from income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan's evaluation was performed for the tax periods ended December 31, 2019 through December 31, 2021, the tax years which principally remain subject to examination by major tax jurisdictions as of December 31, 2021.

Note 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
