INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Raleigh Pediatric Associates PA Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Raleigh Pediatric Associates PA Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 22, 2021, indicated that (a) because of the significant of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN:

The following description of the Raleigh Pediatric Associates PA Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan, established on May 1, 1999, is a defined contribution profit sharing safe harbor 401(k) plan sponsored by Raleigh Pediatric Associates PA (the "Company" or "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was passed by the U.S. Senate on March 26, 2020. During the year ended September 30, 2020, the Plan adopted certain changes to participant distributions and loans as permitted by the CARES Act, discussed further in *Payment of Benefits*.

Eligibility. An eligible participant, as defined by the Plan, is eligible to participate upon attainment of age twenty-one and the completion of one year of service, defined as any year in which the employee has completed 1,000 hours of service. The entry dates into the Plan are the first day of the first, fourth, seventh, and tenth month of the Plan year following meeting eligibility requirements.

Contributions. Each year, participants may contribute pre-tax and/or roth salary deferrals not to exceed the maximum limits set by the Internal Revenue Service ("IRS"). Participants who are 50 years of age or older by the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Company makes safe harbor nonelective contributions to the Plan in an amount equal to 3% of the participant's eligible Plan compensation for the Plan year, up to the maximum set by the IRS. The Plan also allows for the Company to make discretionary matching contributions and qualified non-elective contributions.

Automatic Deferral Election. The Plan has an automatic enrollment feature for all employees eligible to participate in the Plan. Under this feature, employees are automatically enrolled in the Plan and 6% of their eligible Plan compensation, as defined by the Plan, is contributed to the Plan. Employees have the option to modify or opt out of the automatic enrollment by completing a salary deferral election form with a different deferral amount or by specifically electing not to defer.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings, and charged with withdrawals and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options. Upon enrollment in the Plan, participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a series of varied risk mutual funds, a money market fund, and a collective

NOTES TO FINANCIAL STATEMENTS

Vesting. Participants are immediately vested in their voluntary contributions in addition to actual earnings thereon. Vesting in Plan Sponsor matching contributions and profit sharing contributions, in addition to actual earnings thereon, is based on years of service. Prior to normal retirement age, a participant's interest in the contributions of the employer becomes vested 20% after two years of service, increasing 20% each succeeding year until fully vested after six years of service. A participant is 100% vested when they attain normal retirement age.

Notes Receivable From Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may not exceed five years for a general loan and ten years for residential home loans. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate at the time of the loan application. Principal and interest are paid ratably through payroll deductions. Interest from loans is recognized when earned.

In 2020, as part of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, the Plan allowed for a suspension of loan payments for all eligible employees until December 31, 2020. The suspended loan payments were restated after January 1, 2021. Suspended loans were re-amortized, with new payment amounts and payoff dates.

Payment of Benefits. Upon death, disability, retirement, or termination of service, a participant with a vested account balance greater than \$5,000 may receive a lump-sum distribution, receive installment payments, have the balance directly rolled over to an eligible retirement plan, or use the vested portion of the account toward the purchase of an annuity contract. Participants who terminate and have account balances less than \$5,000 receive a lump-sum distribution.

In 2020, as part of the CARES Act, the Plan allowed for penalty-free Coronavirus-Related Distributions ("CRD") of up to \$100,000 for qualifying coronavirus-related reasons. Eligible employees are not required to repay this distribution, but the Plan allows for them to repay their Plan account within three years of the date they received their distribution.

Forfeited Accounts. Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The nonvested portion of terminated participants' account balances is used to reduce employer and/or employer matching contributions. For the years ended December 31, 2021 and 2020, forfeited, nonvested accounts in the amount of \$1,100 and \$4,418, respectively, were used to reduce fees and employer contributions.

Administrative Expenses. Administrative expenses of the Plan are paid by the Plan or Plan Sponsor, as provided by the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting. The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes Receivable From Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan Document.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value includes the Plan's gains and losses on investments bought and sold, as well as held at the end of the year.

Payment of Benefits. Benefit payments to participants are recorded when paid.

Income Taxes. The IRS has determined and informed the Plan's volume submitter on January 25, 2012 that the Prototype Non-standardized Profit Sharing Plan with Cash or Deferred Arrangement ("CODA") as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized as of December 31, 2021 and 2020.

RALEIGH PEDIATRIC ASSOCIATES PA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine tax audits by jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to informational return examinations for years prior to 2018.

Change in Accounting Principle. In August 2018, the Financial Accounting Standards Board (the "FASB") issued Accounting Standards Update ("ASU") 2018-13, Fair Value Measurement ("Topic 820"). The amendments in this ASU modify the disclosure requirements on fair value measurements. Selective disclosure requirements were removed from Topic 820 while other disclosure requirements were modified, and some disclosure requirements were added. The adoption of ASU 2018-13 did not have a material impact on the Plan's financial statements as of and for the year ended December 31, 2020.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodian.

	<u>2021</u>	<u>2020</u>
Mutual and money market funds	\$ 18,662,741	\$ 15,854,911
Collective investment trust	\$ 651,822	\$ 447,766
Net appreciation in fair value of investments	\$ 1,605,447	\$ 1,786,072
Interest and dividends	\$ 672,393	\$ 397,018

4. FAIR VALUE MEASUREMENTS:

Fair Value Measurements and Disclosures topic provides the framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

RALEIGH PEDIATRIC ASSOCIATES PA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

The three levels of the fair value hierarchy are described as follows:

Level 1 Fair Value Measurements:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements:

Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual and money market funds: Mutual and money market funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust: These funds are valued at the NAV per share of the individual collective trusts included in each respective fund, which is based on the fair value of the underlying net assets. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value.

RALEIGH PEDIATRIC ASSOCIATES PA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Investments measured at the NAV practical expedient are summarized as follows:

	<u>2021 Fair Value</u>	<u>2020 Fair Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective investment trust:				
Stable Value	\$651,822	\$447,766	Daily	None

There were no unfunded commitments for these investments as of December 31, 2021 and 2020.

The investment objectives for the collective investment trust measured using the net asset or unit value are as follows:

Stable Value Fund: Invests in high-quality bonds with short to intermediate-term maturities. They also purchase insurance contracts which aim to provide price stability on a day-to-day basis. Because stable value funds insurance contracts usually prevent any fluctuations in the funds prices, these funds are insulated from interest-rate volatility and their duration is effectively zero.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Fair Value Measurements Using:</u>				
	<u>Total</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>

* Certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the accompanying statements of net assets available for benefits.

Gains and losses (realized and unrealized) included in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

5. PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are shares of mutual funds managed by Charles Schwab Bank. Charles Schwab Bank is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. The Plan paid third party administrator fees, investment advisory fees, and custodial fees totaling \$57,734 and \$47,162 for the years ended December 31, 2021 and 2020, respectively. The Plan Sponsor directly pays any other fees related to the Plan's operations.

Certain participants of the Plan have outstanding loans (notes receivable from participants) totaling \$135,828 and \$79,768 as of December 31, 2021 and 2020, respectively. These loans are considered party-in-interest transactions.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

7. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

8. COVID-19:

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and the related impact on the Plan's liquidity cannot be determined at this time.

9. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through July 20, 2022, the date which the financial statements were available to be issued. No significant subsequent events have been identified by management.
