INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Fi-Tek Group 401(k) Plan
Edison, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Fi-Tek Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Fi-Tek Group

401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fi-Tek Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fi-Tek Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fi-Tek Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Fi-Tek Group 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FI-TEK GROUP 401(K) PLAN

Notes to Financial Statements

December 31, 2021

1 - DESCRIPTION OF PLAN

Effective May 1, 2006, and most recently amended effective July 1, 2021, Fi-Tek, LLC and Subsidiaries established the Fi-Tek Group 401(k) Plan (the "Plan") as a defined contribution plan for employees of Fi-Tek, LLC and its subsidiaries (collectively referred to as the "Company" or the "Plan Sponsor").

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was signed into law. The CARES Act contains several provisions that temporarily impact 401(k) type plans, such as the waiver of required minimum distributions for 2020. The Plan allows eligible individuals to receive COVID-19 relief available under the CARES Act in the form of coronavirus-related distributions and a delay in the due date for repayments for outstanding plan loans occurring during the period beginning on March 27, 2020, and ending on December 31, 2020, for one year as provided. Management is adopting the CARES Act provisions, but the Plan has not been formally amended to incorporate these provisions into the Plan. The deadline for adopting these amendments is December 31, 2022. In addition, no participants utilized the relief provisions during the year ended December 31, 2021.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a. **General** - The Plan is a 401(k) defined contribution plan covering all eligible employees of Fi-Tek, LLC and its affiliates, as defined in the Plan. Provisions of the Plan provide for entry into the Plan for those who have attained the age of 21 and have completed six months of service, as defined in the Plan. Participants will enter the plan the first day of the following month once eligibility requirements are met. Upon eligibility, the participant will automatically be enrolled into the Plan at a 3% deferral rate, which the deferral percentage may be changed by the participant. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
- b. **Contributions** - The Plan provides that each eligible participant may contribute to the Plan and elect to defer a percentage or an amount of their eligible compensation, as defined, on a pre-tax basis or after-tax basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Company makes safe harbor contributions of 3% of a participant's eligible compensation. The Company may also make discretionary profit-sharing contributions to the Plan. There were no profit-sharing contributions made for the year ended December 31, 2021. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

All investments are participant directed. Participants direct the investment of their contributions into the various investment options offered by the Plan.

- c. **Participant Accounts** - Each participant's account is credited with the participant's contributions and the Company's safe harbor matching contribution, as well as allocations of any profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. **Vesting** - Participants are immediately vested in their contributions and in the Company's safe harbor contributions plus actual earnings thereon. Participants are fully vested in the Company's profit-sharing

contributions plus actual earnings after three years of service, or upon attainment of early retirement age or upon death or total disability.

- e. **Notes Receivable from Participants** - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Loan terms range up to five years or over a reasonable period of time for the purchase of a participant's primary residence, as established by the Plan Administrator at the time of the loan. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator. These rates range from 4.25% to 6.50% on loans outstanding at December 31, 2021 and 2020, and mature through 2035. Principal and interest are paid ratably through semi-monthly payroll deductions.
- f. **Payment of Benefits** - The Plan permits withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments with certain exceptions allowed.
- g. **Plan Costs** - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are included in *administrative expenses*. Investment related expenses, other than investment management fees, are included in *net appreciation in fair value of investments*.
- h. **Forfeited Accounts** - The forfeited portion of nonvested accounts will be used either to reduce future employer contributions or to pay plan expenses. At December 31, 2021 and 2020, forfeitures amounted to \$0. During 2021, no forfeitures were used to reduce employer safe harbor matching contributions.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- a. **Basis of Accounting** - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- b. **Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains or losses on investments bought and sold, as well as held during the year.

- c. **Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as deemed distributions based upon the terms of the plan document. During the year ended December 31, 2021, there were no deemed distributions.
- d. **Payments of Benefits** - Benefits are recorded when paid.

- e. **Use of Estimates** - The preparation of financial statements in accordance with GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

3 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments at fair value and notes receivable from participants at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividend income, interest income and interest on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Ascensus Trust Company ("Ascensus"), the trustee of the Plan.

4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value at December 31, 2021 and 2020. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the Fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund - Valued at the NAV, which is the Fund's readily determinable fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or

assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	<u>Investments at Fair Value</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2021				
Mutual Funds	\$16,717,322	\$ -	\$ -	\$16,717,322
Money Market Fund	-	1,080,519	-	1,080,519
Total Investments at Fair Value	<u>\$16,717,322</u>	<u>\$1,080,519</u>	<u>\$ -</u>	<u>\$17,797,841</u>

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2020				
Mutual Funds	\$13,716,487	\$ -	\$ -	\$13,716,487
Money Market Fund	-	1,165,518	-	1,165,518
Total Investments at Fair Value	<u>\$13,716,487</u>	<u>\$1,165,518</u>	<u>\$ -</u>	<u>\$14,882,005</u>

The Plan's policy is to recognize transfers into and out of any level as of the date of the event or change in circumstances that caused the transfer. There were no transfers into or out of any level for the year ended December 31, 2021.

The following describes the investment strategy for money market funds held by the Plan for the year ended December 31, 2021:

Vanguard Federal Money Market Fund - The Fund's objective is to provide current income while maintaining liquidity and a stable share price of \$1. The Fund invests primarily in high-quality, short-term money market instruments. At least 80% of the Fund's assets are invested in securities issued by the U.S. government and its agencies.

5 - INCOME TAX STATUS

The Plan adopted a non-standardized form of a prototype plan sponsored by Ascensus Trust Company. The prototype plan provider has received an opinion letter from the Internal Revenue Service dated March 31, 2014 as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code, and therefore believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the value in their accounts.

7 - RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

The Plan holds certain investments in registered investment companies and money market funds that are managed by the Vanguard Group, the record-keeper of the Plan, and as such the transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments. Fees related to recordkeeping and processing amounted to \$8,408 and are included in administrative expenses for the year ended December 31, 2021.

8 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Such investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The World Health Organization characterized the COVID-19 virus a global pandemic on March 11, 2020. The duration and economic impact of this pandemic are uncertain. At this time, global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions, and benefit obligations will depend upon future developments, including the duration and continued spread of the outbreak.

9- SUBSEQUENT EVENTS

Subsequent events have been evaluated through July 14, 2022, the date the financial statements were available to be issued.
