CREA, LLC Retirement Readiness 401(k) Plan
Indianapolis, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of CREA, LLC Retirement Readiness 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 CREA, LLC Retirement Readiness 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of CREA, LLC Retirement Readiness 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CREA, LLC Retirement Readiness 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CREA, LLC Retirement Readiness 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CREA, LLC Retirement Readiness 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of listed in the accompanying table of contents as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of CREA, LLC Retirement Readiness 401(k) Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated September 30, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CREA, LLC RETIREMENT READINESS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1-DESCRIPTION OF PLAN

The following description of the CREA, LLC ("Company") Retirement Readiness 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General. The Plan, adopted August 1, 2016, is a defined contribution plan and, as such, is subject to some, but not all, of the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Employees at least 21 years of age are eligible to participate upon the completion of 3 months of service. The Plan Administrator and Plan Sponsor is CREA, LLC. The Plan's Trustee is Fifth Third Bank ("Fifth Third").
- B. Contributions. Employees may elect to contribute pre-tax dollars to the Plan, through payroll deductions, amounts up to an annual limit of the lesser of 100% of eligible compensation or \$19,500 for 2021 and 2020. Participants who reach age 50 during the calendar year may be eligible to make catch-up contributions up to \$6,500 in addition to the IRS limit of \$19,500 in 2021 and 2020. Participants can also elect a direct rollover of an existing balance from a tax-qualified retirement or savings plan into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 26 mutual funds, a stable value fund, and a self-directed brokerage account as investment options for participants. The self-directed brokerage account is offered through TD Ameritrade, Inc. and allows participants to invest in various securities not otherwise included in the Plan. The Plan Sponsor has the right to limit the deferrals of highly compensated employees (based upon the Plan Document) in order to assist the Plan in passing the annual discrimination testing.

The Company may make non-elective or discretionary contributions to the Plan. The matching contribution calculation will be at the discretion of the Company. At December 31, 2021 and 2020, the Company's contribution receivable totaled \$249,780 and \$152,902, respectively.

- C. Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and plan earnings. Company contributions are invested in the investment options in the same allocation percentages as each participant's contributions. The benefit for a participant is the benefit that can be provided from the participant's vested account.
- D. Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of his or her vested account balance or \$50,000. The loans are collateralized by the balance in the participant's account, have maturity dates ranging from July 22, 2022 to December 21, 2022, and bear interest at fixed interest rates of 4.25%, which are commensurate with the current prime lending rate of Fifth Third. Principal and interest is paid ratably through bimonthly after-tax payroll deductions. All principal and interest payments are allocated to the Plan's investment funds based on the participant's investment elections at the time of payment. Loans which are granted and repaid in compliance with the Plan provisions will not be considered distributions to the participant for tax purposes. There were 6 and 9 loans outstanding at December 31, 2021 and 2020 totaling \$39,960 and \$58,654, all respectively.

NOTE 1-DESCRIPTION OF PLAN (CONTINUED)

- E. Vesting. Participants are immediately vested in their elective deferral contributions and actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon is based on years of continuous service. A participant is vested in all contributions other than those which are fully vested when contributed under the following schedule:

<u>Vested</u>	<u>Years of Service</u>
0%	Less than 1
20%	1
40%	2
60%	3
80%	4
100%	5 or more

- F. Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request a withdrawal of all or a portion of their elective contribution account balance if they can demonstrate financial hardship as defined by the Plan. Such amounts will be considered distributions to the participant for income tax purposes.
- G. Forfeited Accounts. Forfeited funds are used to offset Plan expenses and/or reduce future employer contributions for the next plan year. For the year ended December 31, 2021 and 2020, forfeited nonvested accounts available to reduce future employer contributions totaled \$2 and \$3,060. As of December 31, 2021 and 2020, \$3,826 and \$823 of forfeitures remain in the Plan and are included in registered investment companies (mutual funds) on the statements of net assets available for benefits.

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared under the accrual basis of accounting.

CREA, LLC RETIREMENT READINESS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition

The Plan offers investments in various registered investment companies (mutual funds) maintained by Fifth Third, and additional securities maintained by TD Ameritrade, Inc, which are valued and reported at fair value. Fair value is the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. See Note 3. Quoted market prices represent the net asset value of shares held by the Plan at year end. The Plan presents in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the related gains (losses) and the unrealized appreciation (depreciation) on those investments.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair market value. Purchase and sales of securities are reflected on a trade-date basis.

Earnings on investment are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances.

Notes receivable from participants

Notes receivable from participants are stated at the outstanding principal balance of the loan plus all accrued but unpaid interest, which approximates fair value. Interest income is recorded on the accrual basis. As of December 31, 2021 and 2020, the Plan does not have an allowance for credit losses, as repayments of principal and interest are generally received through payroll deductions, and the notes are collateralized by the participants' account balances.

The Plan is subject to the Loans to Participants topic of the FASB issued Accounting Standards Update 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans (ASU 2010-25)*, which requires loans to participants in an entity's defined contribution plan be classified as notes receivable. These loans are to be reported separately from plan investments.

Plan administration costs

Several of the investment fund options are subject to investment management fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance.

The Company absorbs Plan administration costs related to accounting and legal services. The Company passes on the following Plan administration costs to participants: asset based fees, distribution fees, record keeping fees and general administration fees.

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting standards generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Accounting for uncertainty in income taxes

The Plan is subject to the Income Taxes topic of the FASB *Accounting Standards Codification* ("ASC") 740, which provides guidance for how uncertain income tax positions should be recognized, measured, presented and disclosed in the financial statements. The Plan is required to evaluate the income tax positions taken or expected to be taken to determine whether the positions are "more-likely-than-not" to be sustained upon examination by the applicable tax authority. The Plan has determined that the application of the Income Taxes Standard does not impact the operations of the Plan and that no provision for income tax is required in the Plan's financial statements. There has been no interest or penalties recognized in the Plan's Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020 or its Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021 and 2020. Generally, federal and state returns are subject to examination for three years after the later of the original or extended due date or the date filed with the applicable tax authorities.

Subsequent events

The Plan Administrator performed an evaluation of the Plan's activity through July 28, 2022, the audit report date, and has concluded that there are no significant subsequent events requiring disclosure through the date these financial statements were available to be issued.

NOTE 3-FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Accounting guidance establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

CREA, LLC RETIREMENT READINESS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 3-FAIR VALUE MEASUREMENTS (CONTINUED)

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following provides a description of the valuation methodology used for assets measured at fair value. There have been no changes in valuation methodologies at December 31, 2021, compared to December 31, 2020. The Company's policy for determining the timing of significant transfers between levels is at the end of the reporting period, if applicable. There were no transfers between level 1, 2 or 3 assets or liabilities during the year ended December 31, 2021.

Mutual funds - These investments are public investment securities valued using the Net Asset Value ("NAV") provided by Fifth Third. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, if applicable, and then divided by the number of shares outstanding. The NAV is quoted in an active market. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets at Fair Value as of December 31, 2021:

Assets at Fair Value as of December 31, 2020:

Total assets at fair value	<u>\$10,744,126</u>	<u>\$10,744,126</u>

NOTE 4-COMMON / COLLECTIVE TRUST

The Plan offers a stable value fund, the Goldman Sachs Stable Value Collective Trust (the "Fund"), that seeks to preserve a participant's principal investment while earning a level of interest income that is consistent with principal preservation. The Fund seeks to maintain a stable net asset value, but it cannot guarantee that it will be able to do so. The yield of the Fund will fluctuate.

The Fund invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions ("Contracts"), fixed income securities, and money market funds. Under the terms of the Contracts, the assets of the Fund are invested in fixed income and shares of money market funds. The Fund may also invest in futures contracts, option contracts, and swap agreements. Contract value, as reported by the Fund, is the beginning balance plus any deposit and credited interest, less any withdrawals, charges or expenses at measurement that approximates fair value. Participants may ordinarily direct or withdraw or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the Fund or otherwise.

The fair value of the Fund at December 31, 2021 and 2020 was \$615,903 and \$583,295, respectively. Fair value was obtained directly from Fifth Third as a practical expedient for fair value.

NOTE 5-PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were shares of mutual funds managed by Fifth Third. Fifth Third was the investment trustee, for the year ended December 31, 2021 as defined by the Plan, and, therefore, these transactions qualified as party-in-interest transactions. Fees paid by the Plan for the investment management fees and services amounted to \$18,970 for the year ended December 31, 2021.

The CEO, CFO, and Chief Human Resources Officer serve as the Plan's 401(k) Plan Committee.

Notes receivable from participants are permitted party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6-PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 7-INFORMATION PREPARED AND CERTIFIED BY PLAN TRUSTEE

Certain information related to investments from participants disclosed in the accompanying financial statements and supplemental schedules, including investments from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fifth Third. The information prepared and certified is summarized as follows:

	<u>2021</u>	<u>2020</u>
Interest in common/collective trusts	\$ 615,903	\$ 583,295
Registered investment companies (mutual funds)	12,456,847	10,505,886
Self-directed brokerage account	811,030	268,240
Net appreciation (depreciation) in registered investment companies (mutual funds)	1,270,045	1,230,609
Net investment gain (loss) in common/collective trusts	6,928	12,387
Dividends	546,472	309,392
Net appreciation (depreciation) in self-directed brokerage Accounts	46,638	(15,974)

NOTE 8-TAX STATUS

The Plan qualifies as a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code ("Code"), and therefore, is exempt from federal income taxes under Section 501(a) of the Code. A favorable tax determination letter has been obtained from the Internal Revenue Service. Although the Plan has merged since receiving the determination letter, the Plan Administrator and the Plan Sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

Under a plan qualified pursuant to Section 401(k) of the Code, participants generally will not be taxed on contributions or matching contributions, or earning thereon, until such amounts are distributed to participants or their beneficiaries under the Plan. The tax-deferred contributions and matching contributions are deductible by the Company for tax purposes when those contributions are made, subject to certain limitations set forth in Section 404 of the Code.

CREA, LLC RETIREMENT READINESS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 8-TAX STATUS (CONTINUED)

Participants or their beneficiaries will be taxed, at ordinary income tax rates, on the amount they receive as a distribution from the Plan at the time they receive the distribution. However, if the participant or beneficiary receives a lump sum payment of the balance under the Plan in a single taxable year, and the distribution is made by reason of death, disability, or termination of employment of the participant, or after the participant has attained age 59 1/2, then certain special tax rules may be applicable.

NOTE 9-RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across 26 participant directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 10-COMMITMENTS AND CONTINGENCIES

Economic conditions

In December 2019, a novel strain of coronavirus ("COVID-19") surfaced. The spread of COVID-19 around the world has caused significant volatility in U.S. and international markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies, and, as such, the Plan is unable to determine if it will have a material impact to its operations.
