Independent Auditors' Report

To the Board of Trustees
TriValley Primary Care, P.C. 401(k) Profit Sharing Plan
Perkasie, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of TriValley Primary Care, P.C. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of TriValley Primary Care, P.C. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TriValley Primary Care, P.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TriValley Primary Care, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TriValley Primary Care, P.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TriValley Primary Care, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRIVALLEY PRIMARY CARE, P.C. 401(k) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following brief description of the TriValley Primary Care, P.C. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Plan participants should refer to the Plan agreement for more complete information.

Organization and Participation

The Plan is a defined contribution plan established for the purpose of providing employees of TriValley Primary Care, P.C. (the Company) with certain retirement benefits. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees of the Company are eligible to participate in the Plan once they have completed one year of service of at least 1,000 hours and are age 21 or older. The enrollment period for the Plan is on the first day of January or July following the date the eligibility requirements are met.

Contributions

Each year participants may contribute a percent of pretax annual compensation, as defined in the Plan, subject to limitations imposed by the Internal Revenue Code. The Plan also allows catch up contributions. The Plan permits that amounts may be rolled over from other qualified plans and shall always be fully vested. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may increase or decrease their deferral percentage on the first day of January, April, July, and October of each year. The Plan is a safe harbor plan. The safe harbor Company matching contribution is 3% annual participant compensation. The safe harbor match allows the Plan to maintain “safe harbor” status.

In addition to the safe harbor match, the Company also has a discretionary match for non-highly compensated employees. The discretionary match is 25% of the first 4% of participant contributions to the Plan.

Each year, the Company can elect to make a discretionary contribution to the Plan’s profit sharing feature at the option of the Company’s Board of Directors. An employee must be 21 years of age, have completed 1,000 hours of service during the Plan year and be employed on the last day of the Plan year in order to receive the profit sharing contribution. For the years ended December 31, 2021 and 2020, the discretionary profit sharing contribution was \$ 98,500 and \$ -, respectively.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contributions, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions and the safe harbor match contributions plus actual earnings thereon. Vesting in the Company’s discretionary match and profit sharing contributions is based on years of continuous service. A participant is fully vested in the discretionary match and discretionary profit sharing after six years of service. Participants are fully vested upon normal retirement age, death or disability.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow from the vested portion of their fund accounts a minimum of \$1,000 up to a maximum of \$50,000, with no maximum number of loans outstanding. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Interest rates range from 4.25% to 6.5% per annum. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Participants may receive distributions due to termination, retirement or death. For any distribution for reasons other than death, a participant will receive a lump sum payment. For a distribution on account of death before the distribution of the account begins, distribution of the entire account must be completed by December 31 of the calendar year containing the fifth anniversary of the participant's death.

Forfeitures

The non-vested portion of accounts of participants who terminate employment are either reallocated to the remaining participant accounts or they may be used to reduce the Company's contributions to the Plan. For the years ended December 31, 2021 and 2020, the Company used \$3,157 and \$4,648, respectively, to reduce the employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain dividends are reported as dividends. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

TRIVALLEY PRIMARY CARE, P.C. 401(k) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain operating expenses are paid by the Company and are therefore excluded from these financial statements. Certain administrative expenses as well as mutual fund fees are charged directly to the participant's account.

Income Taxes

The Plan's federal Form 5500, *Annual Return/Report of Employee Benefit Plan*, for the previous three years remains subject to examination by the Internal Revenue Service.

3. FAIR VALUE MEASUREMENTS

Accounting standards provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described on the next page.

TRIVALLEY PRIMARY CARE, P.C. 401(k) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2021 and 2020

3. FAIR VALUE MEASUREMENTS (continued)

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Non Interest-Bearing Cash: Valued using unadjusted quoted prices in active markets.

Pooled separate accounts investing in mutual funds or equity securities: Valued using quoted prices in active markets for identical assets; total value of the assets of the separate account is based on the net asset value (NAV), or price per share, of the underlying mutual fund. The mutual fund calculates its NAV by dividing the mutual fund's net assets by the mutual fund's outstanding number of shares.

Pooled separate accounts directly investing in fixed maturity securities: Valued based on the pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

Personal Brokerage Accounts: The account value is based on the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Personal Brokerage accounts are individual stocks that a participant can invest in. The value of the stocks are based on the closing price on the active market where the individual securities are traded.

There are no participant redemption restrictions for these investments; the redemption period is applicable only to the Plan.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

5. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. CERTIFICATION BY PLAN CUSTODIANS (unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, John Hancock Life Insurance Company and U.S. Bank National Association, the custodians of the Plan, have certified to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020; the schedule of assets (held at end of year) as of December 31, 2021; and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

The fair value of investments at December 31, 2021 and 2020, as reported by the custodians is summarized as follows:

	<u>2021</u>	<u>2020</u>
Noninterest-Bearing Cash	\$ 2,685	\$ 4,648
Pooled Separate Accounts	31,368,983	26,753,053

	<u>\$ 31,897,771</u>	<u>\$ 27,173,791</u>

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value as follows:

Total Investments per the Federal Form 5500	<u><u>\$ 31,946,855</u></u>	<u><u>\$ 27,218,670</u></u>

8. RELATED PARTY TRANSACTIONS

Certain Plan investments are units of pooled separate accounts that were managed by John Hancock Life Insurance Company or mutual funds managed by U.S. Bank National Association, and therefore, these transactions qualify as party-in-interest which are exempt from the prohibited transaction rules. Fees paid by the Plan for the investment management services for the year ended December 31, 2021 amounted to \$111,767.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 5, 2022, the date which the financial statements were available to be issued and determined the following needs to be disclosed. Since the end of the financial year end the stock market suffered significant declines, and the fair value of the Plan's investments were adversely affected.
