## Independent Auditor's Report

To the Ingram Micro Inc. Benefits Administrative Committee  
Ingram Micro 401(k) Investment Savings Plan  
Irvine, California

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Ingram Micro 401(k) Investment Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
- Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter —Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i –Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# INGRAM MICRO 401(k) INVESTMENT SAVINGS PLAN

## NOTE 1 — DESCRIPTION OF PLAN

The following description of the Ingram Micro 401(k) Investment Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General** – The Plan is a defined contribution plan that provides retirement benefits for and covers all of the employees of Ingram Micro Inc. (the “Company”) and designated affiliates who are maintained on the United States payroll, with the exception of those noted in Eligibility below. The Plan is designed to comply with Section 401(a) of the Internal Revenue Code (the “IRC”) as a defined contribution plan and its incorporated trust is intended to qualify as a tax-exempt trust under Section 501(a) of the IRC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

The Plan is administered by the Company (the “Plan Administrator”) and advised by the Benefits Administrative Committee appointed by the Company’s Board of Directors. Fidelity Management Trust Company and its affiliates (the “Trustee” or “Fidelity”) act as the trustee, custodian and record keeper of the Plan. Mercer Investments LLC (“Mercer”) is the ERISA 3(38) investment manager of the Plan.

**Eligibility** – Employees maintained on the United States payroll, with the exception of those who are leased, employed under a collective bargaining agreement, nonresident aliens with no United States sourced income, or employees who reside and work in a United States territory (including, but not limited to, the Commonwealth of Puerto Rico), are eligible to enter the Plan following the completion of their first hour of credited service with the Company.

**Contributions** – Contributions are made to the Plan by means of a salary deferral agreement under which the participant can elect pre-tax, Roth 401(k) and after-tax compensation deferrals up to the lesser of 50% of eligible compensation for non-highly compensated participants, and a percentage (not to exceed 50%) determined by the Company of eligible compensation for highly compensated participants, or a fixed amount determined annually by the Internal Revenue Service (the “IRS”). Participants who become age 50 or older on or before the end of the calendar year are eligible to make additional catch-up contributions of up to the lesser of 25% of eligible compensation or a fixed amount determined annually by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company shall determine, in its absolute discretion, whether matching contributions shall be made for any particular period of time, including a matching contribution on the annual incentive award. The Company is not required to make matching contributions for any period of time. The Company does not match non-Roth 401(k) after-tax contributions. The Company’s current matching contribution represents 50% of the participant’s pre-tax and/or Roth 401(k) contributions up to the first 5% of eligible compensation.

The Plan provides for an automatic contribution arrangement of 4% and an automatic annual increase of 1% up to a maximum deferral of 10% for eligible employees who have not made an affirmative deferral election.

**Participant Accounts** – Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s matching contribution and (b) Plan net earnings, and charged with an allocation of certain administrative expenses. Allocations of matching contributions are based on participant contributions, as defined. Allocations of Plan net earnings and administrative expenses, when applicable, are based on participant account balances, investment elections, and transactions, such as loans or qualified domestic relations orders. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested interest in their account balance.

**Notes Receivable from Participants** – Notes receivable from participants consist of participant loans that are secured by the balance in the participant’s account. Participants may borrow a minimum of \$1,000 and up to a maximum of the amount equal to the lesser of \$50,000 reduced by the participant’s highest outstanding loan balance during the preceding one year period or 50% of their vested account balance, excluding any balance invested in the self-directed BrokerageLink account. The loans bear interest at a commercially reasonable interest rate with payment of principal and interest made generally

## INGRAM MICRO 401(k) INVESTMENT SAVINGS PLAN

through payroll deductions. Loans with repayment terms in excess of five years are for the purchase of primary residences. A participant may have no more than two loans outstanding at any one time. Participant loans are stated at the unpaid principal value and, as of December 31, 2021, bear interest at rates that range from 4.25% to 9.50% and mature on various dates through 2036.

Management determines the collectability of participant loans on a periodic basis. This determination is made based on the terms of the Plan document and the related Plan policies and procedures. If notes receivable from participants are deemed to be uncollectible, they are written off and included as benefits paid to participants in the financial statements and the Form 5500 for financial reporting purposes in the year the determination is made.

**Vesting** – Participants are immediately 100% vested in their contributions and the associated net earnings. The Company's matching contribution is immediately 100% vested.

**Payment of Benefits** – Upon termination of service, a participant with vested benefits of over \$5,000 may elect to defer distribution or receive a lump sum payment or direct rollover equal to the vested share of the participant's account. A participant with vested benefits of less than \$5,000 but greater than \$1,000 must elect a lump sum payment or direct rollover, or the vested share of the participant's account will automatically be transferred to an individual retirement account. A participant with vested benefits of \$1,000 or less must elect a lump sum payment or direct rollover, or the vested share of the participant's account will automatically be distributed in a lump sum payment. Benefits may be distributed upon termination of service for any reason, including disability or death. In the event of death, benefits are distributed to the participant's beneficiary. The Plan allows participants to take in-service withdrawals after reaching age 59½. In-service withdrawals may also be taken at any time from pre-tax rollovers, after-tax contributions or for certain financial hardships. Participants taking in-service withdrawals will be required to pay all applicable taxes on the withdrawals and may be subject to penalty taxes for early withdrawals taken prior to age 59½.

**Forfeitures** – Employer contributions made for participants who terminated their employment prior to April 1, 2015 were subject to having the employer contributions forfeited based on a five-year vesting schedule. Forfeitures of the non-vested Plan assets are used to restore previously forfeited benefits of rehired participants or reduce the Company's matching contributions and costs of administering the Plan. Total forfeited, non-vested accounts were \$4,741 and \$19,974 at December 31, 2021 and 2020, respectively, and will be used to reduce future employer contributions. Employer contributions were reduced by forfeited, non-vested accounts totaling \$28,000 for the year ended December 31, 2021.

**Administrative Expenses** – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements, which include expenses of \$41,508 for the year ended December 31, 2021. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. For the year ended December 31, 2021, participants incurred \$1,407,843 in administrative expenses.

**Investment Elections** – The Trustee invests contributions in accordance with participant investment instructions. Participants may change their future deferral investment elections concurrent with their pay frequency and also move existing balances effective with the close of market.

**BrokerageLink Investment Accounts** – No more than 50% of a participant's account balance may be invested in the BrokerageLink investment account, which is a self-directed brokerage account that allows Plan participants to invest in various mutual funds not otherwise offered through the Plan. Participation in the self-directed brokerage account shall be subject to such terms and conditions as may be established from time-to-time by the Plan Administrator, which may include specific enrollment procedures and restrictions on loans and withdrawals.

## NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** – The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

**Use of Estimates** – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could materially differ from those estimates.

**Risks and Uncertainties** – The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The impact of the coronavirus COVID-19 pandemic has contributed to significant fluctuations in financial markets. As a result, the Plan's investment portfolio has and may continue to fluctuate in response to changing market conditions due to the pandemic.

**Investment Valuation and Income Recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Benefits Administrative Committee determines the Plan's valuation policies utilizing information provided by the Investment Manager and Trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

**Payment of Benefits** – Benefits are recorded when paid.

## NOTE 3 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board's Accounting Standard Codification 820, "Fair Value Measurement" are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

## **INGRAM MICRO 401(k) INVESTMENT SAVINGS PLAN**

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Collective investment trusts: Valued at their respective net asset value ("NAV") as the practical expedient, based on the fair value of the assets underlying the funds. The practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV. Collective trusts are not classified within the fair value hierarchy. Participant transactions (purchases and sales) may occur daily and there are no restrictions. There were no unfunded commitments.

BrokerageLink investment accounts: Valued at the quoted closing market price of the securities held in the accounts.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: The Fidelity Managed Income Portfolio II Fund (the "MIP II"), a common collective trust, is a commingled pool of the Fidelity Group Trust for Employee Benefit Plans and is managed by Fidelity. The MIP II seeks to preserve principal investments while earning interest income and seeks to maintain a net asset value of \$1 per unit. The MIP II invests in fully benefit-responsive investment contracts issued by insurance companies and other financial institutions, and in fixed income securities. All investment contracts and fixed income securities purchased for the MIP II must satisfy the credit quality standards of Fidelity. The investment contracts provide for the payment of a specified rate of interest to the MIP II and for the repayment of principal when the contracts mature. Fair value approximates contract value (Level 2). Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Employer-initiated events may limit the MIP II's ability to transact at contract value. These events include, but are not limited to, withdrawals resulting from the sale of a division of the Company, a corporate layoff or early retirement program, changes in the investment options of the Plan, or termination or partial termination of the Plan. Common collective trust investments were no longer available to Plan participants after the first quarter of 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan does not have any Level 3 assets as of December 31, 2021 and 2020.

## NOTE 4 — RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Mercer and Fidelity. Fidelity acts as trustee as defined by the Plan and Mercer acts as the investment manager. These transactions qualify as party-in-interest transactions. For the year ended December 31, 2021, certain fees were paid by the Plan to Fidelity and to Mercer. The Plan issues loans to participants, see "Notes Receivable from Participants" in Note 1 for more details. These transactions qualify as party-in-interest transactions under ERISA.

## NOTE 5 — PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## NOTE 6 — TAX STATUS

The trust that is established under the Plan to hold the Plan's assets is designed to qualify pursuant to Section 501(a) of the IRC, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has a favorable determination letter of its tax-exempt status from the IRS dated June 23, 2014, which provides that the Plan and related trust are designed in accordance with the applicable qualification sections of the IRC. The Plan has been amended and restated since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed in compliance with the applicable qualification requirements of the IRC. In addition, the Plan Administrator is not aware of any operational issues that will prevent the continuation of the Plan's qualified tax status.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

As part of the acquisition, certain Plan participants stopped being employed by the Company and became employees of CEVA.
