Independent Auditor's Report

Administrative Committee of
CHC 401(k) Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of CHC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of CHC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CHC 401(k) Plan's ability to continue as a going concern within one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CHC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CHC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held for Investment as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of CHC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Participation in the Plan is open to non-union employees of Construction and Healthcare Consultants, L.P. (the Plan Sponsor), Graciano Corporation, Grane Healthcare Company, Harmon House Care Center, Providence Care Center, Riverside Nursing Centers, Inc., Kittanning Care Center, Woodhaven Care Center, HarmarVillage Care Center, Altoona Center for Nursing Care, Laurelwood Care Center, Greensburg Care Center, Highland Park Care Center, Apex Rehab Solutions, Inc., Grane Supply, Inc., ColonialPark Care Center, Grane Hospice Care, Inc., PACE Healthcare Transportation, Inc., PACE Consulting Solutions, Inc. (formerly Senior LIFE Management, Inc.), Trade Facility Services, L.P., Pennsylvania PACE, Inc., Practical Administrative Solutions, L.P., Senior LIFE Washington, Inc., Preferred Laundry Services, Inc., Senior LIFE York, Inc., Ebensburg Care Center, Senior LIFE Altoona, Inc., Seniors at Home, Inc., Senior LIFE Greensburg, Inc., Senior LIFE Lehigh Valley, Inc., Physician Solutions Group, Inc. and Executive Business Advisors, Inc. (the Companies). Employees are eligible to participate in the Plan if they completed 1,000 hours of service within their first year of employment and have attained age 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan.

Contributions - Participants in the 401(k) Plan are required to elect to defer, by periodic salary deduction, an amount neither less than one percent, nor more than ninety percent of their basic compensation. The Companies, at their discretion, may contribute on behalf of each participant. During 2021 and 2020, the employers matched up to 2% of each participant's salary and an additional ¼% for each of the employees' contributions from 3% to 6%.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of **(a)** the Company's contributions and **(b)** Plan earnings.

Vesting - The participant's own contributions and any rollover amounts are fully vested at all times. The employers' matching contributions become vested based on the number of years of service, with full vesting occurring after six years of service.

Payment of Benefits - On termination of service due to retirement or disability for a vested account balance over \$5,000, a participant may elect to receive either a lump-sum amount equal to the value of their vested interest in the account, installments over a period of not more than an assumed life expectancy, or partial withdrawals. Vested account balances under \$5,000 may only be distributed in a single lump-sum payment.

In general, a death benefit will be paid to a beneficiary as a lump-sum payment. A death benefit may also be paid over a period of time provided that time does not extend beyond an assumed life expectancy.

A. Description of the Plan (continued):

Plan Termination - The Plan Sponsor has the right to terminate the Plan in the event it is concluded that it is impossible or inadvisable to continue the Plan. In the event of a termination of the Plan, the participants, retired participants, and beneficiaries will become fully vested and entitled to receive the amounts then credited to their accounts in the Trust Fund.

B. Significant Accounting Policies:

Basis of Presentation - The accompanying financial statements include the accounts of the CHC 401(k) Plan. A contracted trust company holds the assets of the Plan. The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Allowance for Doubtful Accounts - The Plan provides an allowance for doubtful accounts based on management's evaluation of year-end receivables. No allowance was deemed necessary at December 31, 2021 and 2020.

Operating Expenses - The Plan Sponsor and employers absorb certain administrative fees. Expenses that are paid by the Plan Sponsor and employers are excluded from these financial statements.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

C. Fair Value Measurements:

Fair value is defined as a market-based measurement. The objective of a fair value measurement is to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the assets or owes the liability). A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market (or in its absence, the most advantageous market) for the asset or liability.

C. Fair Value Measurements (continued):

For some assets and liabilities, observable market transactions or market information may be available. For other assets and liabilities, observable market transactions and market information might not be available. When a price for an identical asset or liability is not observable, a reporting entity will measure fair value using another valuation technique that maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs. Because fair value is a market-based measurement, it is measured using the assumptions that market participants would use when pricing the asset or liability, including assumptions about risk. As a result, a reporting entity's intention to hold an asset or settle or otherwise fulfill a liability is not relevant when measuring fair value.

Three levels of inputs may be used to measure fair value:

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the reporting entity has the ability to access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active and other inputs that are observable or can be corroborated by observable market data. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets</u>	<u>December 31, 2021</u>		<u>December 31, 2020</u>

D. Forfeited Accounts:

During 2021 and 2020, employers' contributions were reduced by approximately \$146,000 and \$100,000, respectively, from forfeited nonvested accounts.

E. Income Tax Status:

The Company has adopted a prototype plan sponsored by ADP. The prototype plan received an opinion letter dated October 6, 2020 in which the Internal Revenue Service (IRS) stated that the prototype plan was in compliance with the applicable requirements of the Internal Revenue Code (the Code). In addition, the opinion letter stated that an employer who adopts this prototype plan may rely on the prototype plan opinion letter with respect to the qualification of its plan under the Code. Therefore, the Plan Administrator believes that the Plan continues to be designed and operated in all material respects in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

F. Investment Income:

In accordance with the Contract Agreements, interest, dividends and realized gains and losses are automatically re-invested. The net change in fair values of investments consists of the net change in appreciation (depreciation) in current value, purchases of investments, and gains and losses on sales of investments.

G. Information Prepared and Certified by Trustee (Unaudited):

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Reliance Trust Company (the trustee of the Plan).

During 2021 and 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by approximately \$11,568,000 and \$10,615,000, respectively.

Notes to Financial Statements
Years Ended December 31, 2021 and 2020
(Continued)

H. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Financial instruments that potentially subject the Plan to concentrations of credit risk consist of receivables. Receivables are principally due from employers and participants.

I. Corrective Distributions:

The Plan is subject to ERISA and tax requirements for design and operation. The requirements relate to minimum participation, coverage, vesting, and funding, as well as contributions, distributions, and nondiscrimination. During 2021 and 2020, the Plan made corrective distributions of approximately \$161,000 and \$148,000, respectively, to participants in order to comply with the applicable regulations. Additionally, accrued corrective distributions of approximately \$152,000 were made during 2021. Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15, 2022 and March 15, 2021, respectively.

J. Plan Amendments, Adoptions and Resolutions:

The Plan implemented certain requirements of the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act). The SECURE Act delays the commencement date for required minimum distributions from age 70½ to age 72.

The Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The CARES Act also suspends required minimum distributions.

Effective January 31, 2021, Board resolutions were adopted to cease participation in the Plan from Grane Hospice Care, Inc.

On December 8, 2021, an amendment was executed to implement hardship distribution provisions of the Bipartisan Budget Act of 2018.

K. Coronavirus (COVID-19):

In early 2020, an outbreak of a novel strain of coronavirus was identified and infections have affected a number of countries around the world, including the United States. The coronavirus and its impact on trade, customer demand, travel, employee productivity, and other economic activities has had, and may continue to have, a significant effect on financial markets and business activities. The extent to which the coronavirus will adversely affect the Plan, its financial condition, Plan assets, and changes in Plan assets is dependent on numerous factors, many that are highly uncertain, rapidly changing, and uncontrollable. These factors include but are not limited to; (i) the duration and scope of the virus; (ii) governmental, business, and individual actions that have been taken and continue to be taken in response to the virus; (iii) the impact of the virus on the Plan's contributing employers; and (iv) the potential impact on financial markets.

L. Subsequent Events:

Plan management has evaluated subsequent events through August 7, 2022, the date the financial statements were available to be issued.

Beginning 2022, the Plan allows for a one time qualified birth and adoption distribution (QBAD) up to \$5,000 for each child.

As of June 1, 2022, the plan documents were amended and restated to comply with the changes in IRS Notice 2017-37.
