Independent Auditors' Report

To the Administrative Committee of the
Tippmann Affiliated Group 401(k) Employees Retirement Plan
Fort Wayne, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Tippmann Affiliated Group 401(k) Employees Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Tippmann Affiliated Group 401(k) Employees Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tippmann Affiliated Group 401(k) Employees Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) 2021 Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tippmann Affiliated Group 401(k) Employees Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tippmann Affiliated Group 401(k) Employees Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Tippmann Affiliated Group 401(k) Employees Retirement Plan (schedule of assets held as of December 31, 2021) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. Auditors' Report on the 2020 Financial Statements

The 2020 financial statement of the Tippmann Affiliated Group 401(k) Employees Retirement Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. In their report dated September 29, 2021, they indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) Employees Retirement Plan

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A – PLAN DESCRIPTION

The following description of the Tippmann Affiliated Group 401(k) Employees' Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

GENERAL

The Tippmann Affiliated Group 401(k) Employees' Retirement Plan is a defined contribution plan sponsored by Interstate Cold Storage, Inc. (the "Company" and "Employer") with a plan year end of December 31st. The original Plan was organized January 1, 1993 with the most current restatement effective October 1, 2018. The provisions of the Plan are included in the official Plan document, which legally governs the operations of the Plan and is available for more detailed information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

ELIGIBILITY

The Plan Sponsor is a member of a controlled group. Members of the group (other than the Plan Sponsor) include: Advanced Media Integration LLC, American Hydroformers Inc., Polar King International Inc., I.C.S. Distribution Services, Inc., Polar Leasing Company Inc., Thermodyne Food Service Products Inc., and Vincent P Tippmann Sr. Family, LLC. Covered employees of the Company who have completed three months of service and are of age 18 or older, may elect to enter the Plan on the date the requirements are met.

PARTICIPANT AND COMPANY CONTRIBUTIONS

Each year, participants may elect to defer from 1 to 90% of eligible compensation in either pre-tax or after-tax Roth contributions. All contributions are subject to a maximum annual limitation set by the Internal Revenue Service (IRS). Participants who have attained age 50 or more before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions to the Plan using amounts distributed to them from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designed fund until changed by the participant.

The Company may make a discretionary tiered matching contribution to the Plan. For the plan year ended December 31, 2021, the Company made a matching contribution equal to 75% of deferrals up to a deferral rate of 4% of compensation. Company contributions for the plan year ending December 31, 2021 totaled \$255,533.

In addition, the Company may also make a discretionary, profit sharing contribution to the Plan for all eligible employees who are employed on the last day of the Plan year. For the plan years ended December 31, 2021 and 2020, no discretionary profit-sharing contributions were made. Contributions are subject to certain IRS limitations. All Company contributions are invested as directed by the participant.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution as well as the Company discretionary match contributions, and an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE A – PLAN DESCRIPTION – Cont.

VESTING AND FORFEITURES

Vesting is based on years of service for employer contributions. Participants are immediately vested in their elective (voluntary) contributions, interests in the Company's contributions and earnings thereon vest as follows:

<u>Years of Service</u>	<u>Vested %</u>
0-2	-0 %
2-3	50 %
3 or more	100%

Upon termination of active participation in the Plan, other than as a result of retirement, total or permanent disability or death, the non-vested portion of the participant's account will be forfeited. Forfeitures of non-vested accounts may be used to reduce future employer contributions. As of December 31, 2021, and 2020 the balance in the forfeiture account was \$ 23,369 and \$ 14,271, respectively. There were no forfeitures used during the 2021 Plan year to reduce employer contributions.

PAYMENT OF BENEFITS

Distributions of benefits are defined in the Plan document. Generally, upon termination of employment, death, disability, or normal retirement, a participant (or designated beneficiary) may elect to receive 100% of his or her vested account balance in either a lump sum cash payment or a direct rollover to another qualified plan, or partial payouts. Participants who have attained age 59 1/2 may also withdraw all or a portion of their vested account balances. Distribution of a participant's salary deferral contributions and Company contribution accounts may also be made in the case of certain financial hardships. The Plan may elect to make a mandatory distribution or a rollover into an IRA selected by the Plan Administrator for those terminated participants with vested balances of \$5,000 or less.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts up to the lesser of 50% of the participant's vested account balance or \$50,000 with a minimum loan amount of \$1,000. Loans from the Roth deferral portion of a participant account are not permitted. The loans are secured by the balance in the participant's account. Repayment of loans shall not exceed five years except for loans used to acquire the participant's principal residence in which case the loan term may not exceed 30 years. Loans bear interest at a reasonable interest rate and are repaid ratably through payroll deductions. The plan allows for a total of five outstanding loans per participant.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could vary from the estimates that were used.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE B – SUMMARY OF ACCOUNTING POLICIES – Cont.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian and recordkeeper. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

PAYMENT OF BENEFITS

Benefit payments to participants and their beneficiaries are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of the fair value of the investments.

DATE OF MANAGEMENT REVIEW

Subsequent events were evaluated through August 4, 2022, which is the date the financial statements were available to be issued. Management is not required to and has not evaluated events or transactions that occurred after August 4, 2022.

NOTE C – INVESTMENT INFORMATION CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor Rules and Regulations and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Reliance Trust Company, the custodian, and was not subjected to any the auditing procedures performed by the independent public accountants.

- a. All investments shown in the accompanying statements of net assets available for benefits and the notes receivable from participants.
- b. Net investment income from the investments, as shown in the accompanying statement of changes in net assets available for benefits, including dividends and interest income and net realized and unrealized appreciation (depreciation) in fair value of assets.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

TIPPMANN AFFILIATED GROUP

401(k) Employees Retirement Plan

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE D – FAIR VALUE MEASUREMENTS – Cont.

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation method include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset and liability; and • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement of the assets and liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used by the Plan for investment assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Fund Shares: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Collective Trust shares: Valued at the NAV of the units of the Invesco Stable Asset Fund. The net asset value, as provided by the custodian, is used as a practical expedient to estimate fair value. The net asset value is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

- (a) In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE E – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are shares in a stable value collective trust (Invesco Stable Asset) and various mutual funds, which are all sponsored by the custodian, Reliance Trust Company and therefore, these transactions qualify as party-in-interest transactions. The notes receivable from participant transactions also qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in the net appreciation in fair value of investments and are paid through revenue sharing, rather than a direct payout.

Certain administrative expenses for legal, accounting and other services are rendered by parties-in-interest and are paid by the Company. The Company provides certain accounting and administrative services to the Plan for which it receives no compensation.

NOTE F – TAX STATUS

The Plan, which is a prototype plan sponsored by ADP, LLC. has received a favorable opinion letter from the IRS dated July 16, 2014 stating that the Plan document is designed in accordance with Section 401 of the Internal Revenue Code (IRC) and, therefore, the underlying trust is not subject to tax under IRC 501(a). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. As such, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts including employer contributions.
