INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Graves Menu Maker Foods, Inc.
401K Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Graves Menu Maker Foods, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Graves Menu Maker Foods, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Graves Menu Maker Foods, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Graves Menu Maker Foods, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Graves Menu Maker Foods, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN:

The following description of the Graves Menu Maker Foods, Inc. (“Company”) 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have sixty days of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan, limited to the maximum set by law of \$19,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 5%, increasing 1% annually to a maximum of 10%, of eligible compensation.

Additional amounts may be contributed at the discretion of the Company’s Board of Directors.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Payment of Benefits

On termination of service due to death, disability, termination of employment, or retirement, a participant with a balance of \$5,000 or greater, may elect to continue in the plan, elect a direct rollover to another qualified plan or receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account. Participants with balances between \$1,000 and \$5,000 who terminate but who do not elect a lump-sum distribution or elect a direct rollover to another qualified plan will automatically have his or her account balance paid directly into an individual retirement account. Participants with account balances of less than \$1,000, who do not elect to roll their balances into another qualified plan, will automatically receive a lump-sum distribution. If a participant dies, then the value of his or her account will be used to provide a death benefit to his or her beneficiary.

401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF THE PLAN (continued):

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$0 and \$0, respectively. These accounts will be used to pay plan expenses or allocated as an additional discretionary nonelective contribution.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service, as follows:

<u>Years of Vesting Service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear a commercially reasonable rate of interest ranging from 4.25% to 6.25%, which is commensurate with the prevailing interest rate charged on similar loans under like circumstances. The interest rate will be fixed for the duration of the loan. The loan must provide for at least quarterly payments. Principal and interest is paid ratably through payroll deductions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

GRAVES MENU MAKER FOODS, INC.
401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

There were no excess contributions for the years ended December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through July 20, 2022, which is the date the financial statements were available to be issued.

Reclassification

Certain prior year amounts have been reclassified to conform with the current year report.

NOTE 3. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

The fair value of corporate bonds and U.S. government securities are valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings.

NOTE 3. FAIR VALUE MEASUREMENTS (continued):

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

		Fair Value Measurements at the End of the Reporting Period Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Input (Level 2)
	Fair Value		
<u>December 31, 2021</u>			
Mutual Funds	\$ 2,237,463	\$ 2,237,463	\$ -
Total	<u>\$ 2,237,463</u>	<u>\$ 2,237,463</u>	<u>\$ -</u>
<u>December 31, 2020</u>			
Mutual Funds	\$ 1,972,399	\$ 1,972,399	\$ -
Total	<u>\$ 1,972,399</u>	<u>\$ 1,972,399</u>	<u>\$ -</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4. FIXED INCOME FUND:

Great-West maintains the contributions in a general account and is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan. The entire general account assets of Great-West back these guarantees. These assets are primarily investment grade quality, fixed income securities.

Because the fixed income fund is only benefit f for participant-initiated transactions, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fixed income fund. Contract value, as reported to the plan by Great-West, represents contributions, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Fair value of the investment contract, prior to contract termination, equals the Contract value.

NOTE 4. FIXED INCOME FUND (continued):

The contract value of the guaranteed portfolio fund at December 31, 2021 and 2020 was \$331,717 and \$194,972, respectively. The average yield earned by the plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year.

Average yields:	<u>2021</u>	<u>2020</u>
Based on actual earnings	0.90%	1.04%
Based on interest rate credited to participants	0.90%	1.04%

The following table reconciles the beginning and ending balances of the group annuity contract with the insurance company for the years ended December 31, 2021 and 2020:

	<u>December 31, 2021</u>	<u>December 31, 2020</u>
Beginning balance	\$ 194,972	\$ 276,939
Additions:		
Contributions	147,881	26,233
Interest	2,103	2,540
Transferred from separate account	54,200	100,901
Loan Payments	2,260	-
Total Additions	<u>206,444</u>	<u>129,674</u>
Deductions:		
Disbursed from fund	53,419	28,926
Fees	337	1,615
Transferred to separate account	15,943	181,100
Total Deductions	<u>69,699</u>	<u>211,641</u>
	<u>\$ 331,717</u>	<u>\$ 194,972</u>

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

The fixed income fund does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 6. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS:

Certain Plan investments are shares of mutual funds managed by Great-West Life & Annuity (Empower Retirement). Great-West maintains the individual participants' accounts, including cash transactions, and provides records of balances and transactions quarterly to the plan administrator. These transactions qualify as party-in-interest transactions. Great-West was paid \$23,546 and \$17,701 for these services in 2021 and 2020, respectively.

The Plan had a contract with Raymond James & Associates, Inc. to provide investment advice for part of 2021 and all of 2020. Raymond James & Associates, Inc. was paid \$6,907 and \$10,520 in 2021 and 2020, respectively. The Plan began using WR Wealth Planners, LLC to provide investment advice during 2021. WR Wealth Planners, LLC was paid \$2,571 and \$0 in 2021 and 2020, respectively. These transactions qualify as party-in-interest transactions.

For the years ended December 31, 2021 and 2020, the Plan paid the audit fee of \$7,500 and \$7,255. These transactions qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 7. TAX STATUS:

The plan sponsor adopted a non-standardized pre-approved plan which obtained an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that while they do not issue a determination as to whether a specific employer's plan is qualified, any employer who adopts this plan document will be considered to have a plan qualified under code Section 401(a) of the Internal Revenue Code (IRS) provided all the terms are not more favorable for officers, owners, or highly compensated employees than for other employees. Management believes that the Plan is operating in compliance with all the terms provided in the non-standardized plan agreement. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8. ACCOUNTS OF INDIVIDUALS WHO HAVE WITHDRAWN:

Net assets available for benefits at December 31, 2021 and 2020 include \$309,742 and \$141,227, respectively, allocated to the accounts of individuals who, as of or prior to those dates, had withdrawn from participating in the earnings and operations of the Plan, generally as a result of terminating employment.

NOTE 9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As COVID-19 continues to spread globally, the Company continues to consider the impact of the outbreak on accounting conclusions and footnote disclosures related to, but not limited to, fair market valuation of Plan investments, employment termination benefits and subsequent events. As of July 20, 2022, the date of the audit report, there have been no permanent COVID-19 related facility closures or employee layoffs, nor are any anticipated. At this time, the Company has not been adversely affected financially by the pandemic.

NOTE 10. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform any auditing procedures with respect to the information summarized below.
