We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Independent Auditor's Report

To the Plan Administrator and Participants
KP LLC 401(k) Savings & Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of KP LLC 401(k) Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of KP LLC 401(k) Savings & Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and

maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KP LLC 401(k) Savings & Retirement Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KP LLC 401(k) Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KP LLC 401(k) Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

KP LLC 401(k) Savings & Retirement Plan

Notes to the Financial Statements

1. **Description of the Plan**

The following description of KP LLC 401(k) Savings & Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing Plan covering all of the eligible employees of KP LLC and its related entities. Employees are eligible to participate in the Plan upon hire. Participants may begin making deferrals into the Plan on the first day of each month following eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(a) of the Internal Revenue Code. The Administrative Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions to the Plan

Participants may contribute up to 60% of their eligible annual salary to the Plan subject to certain anti-discrimination restrictions and to an annual limitation of \$19,500 for 2021 (\$26,000 for those participants who are age 50 or over). Roth contributions are also permitted.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in an appropriate target retirement fund until changed by the participant. The deferral contribution rate increases 1% per year until it reaches a maximum of 6%.

The Plan sponsor is permitted under the Plan to make discretionary matching and non-elective employer contributions. Eligibility for matching contributions is the same as for deferrals, for non-elective employer contributions, participants must complete 11 months of service. For 2021 the Plan sponsor matched 50% of deferrals up to 3% of eligible compensation up to a maximum of \$2,000 and elected to forego the non-elective employer contributions. Consolidated Press, LLC employees currently do not have match contribution capped at \$2,000.

Participant Accounts

All of the Plan's assets are invested, as directed by the participant, as pooled funds. A participant's account balance is derived through an allocation of these funds. Each participant's account is credited with the participant's contribution, Plan sponsor matching contributions, and related investment earnings and losses pursuant to the participant's investment allocations. Allocations of income are based strictly on the participant's selection of investments and timing of purchase. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan.

Vesting and Forfeitures

Participants are immediately vested in their contributions, non-elective employer contributions and related earnings thereon at all times. Participants vest in Plan sponsor matching contributions in ratable installments of 20% after the first year of service. Forfeitures are first used to pay administrative expenses; the remaining amounts are used to reduce the Plan sponsor's contributions. At December 31, 2021 and 2020, forfeitures available to offset future expenses and Plan sponsor contributions were \$22,974 and \$12,028, respectively. During the year ended December 31, 2021, no forfeitures were used to pay Plan expenses or reduce Plan sponsor's contributions.

Payments of Benefits

The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distributions are also available, providing the participant is at least age 59½. Participants who qualify for retirement benefits and withdrawals will

KP LLC 401(k) Savings & Retirement Plan

Notes to the Financial Statements

receive their benefits in the form of a lump sum payment or installment payment. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account balance. Participants who separate from service and have vested account balances of \$5,000 or less and do not process their own distribution may receive a lump sum cash payment if the entire vested account balance is \$1,000 or less. If the value of the vested account balance is greater than \$1,000 but equal to or less than \$5,000 the account will be automatically converted to an IRA. Retired participants must begin receiving distributions from the Plan no later than April 1 of the year following the year in which the participant attains age 72.

Notes Receivable from Participants

Participants may obtain a loan from the Plan based upon their vested account balance. Loans are limited to the lesser of \$50,000 or 50% of the participant's vested account balance. The minimum loan amount is \$1,000. Participants may have two loans outstanding at a time. Loans bear an interest rate determined by the Plan administrator based on the prevailing rates charged by persons in the business of lending money. All loans have a term of no more than five years (unless the loan is used to acquire a principal residence) and are payable through regular payroll deductions. Loans are segregated investments and to the extent a participant borrows, his or her account will not share in the earnings and gains in value attributable to other investments. The interest that participants pay on their loans will be directly credited to their accounts. The loans are secured by the balance in the participant's account and in the event of default; the unpaid loan principal will be offset against the participant's vested account balance.

Plan Amendments

Effective March 23, 2021, the Plan was restated to adopt a Pre-Approved Plan and to comply with recent legislative and regulatory changes.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with ERISA. Contributions from participants are recorded when withheld from the participant. Plan sponsor contributions are recorded when approved by the Plan sponsor. Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value as determined by the Plan custodian (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor, custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

KP LLC 401(k) Savings & Retirement Plan

Notes to the Financial Statements

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase to distributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from the participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through August 3, 2022, the date the financial statements were available to be issued.

3. Certification of Assets

Fidelity Management Trust Company ("Fidelity") serves as the trustee and asset custodian of the Plan. In that capacity, Fidelity holds the Plan's investment assets and executes investment transactions. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). As permitted under such election, the Plan administrator has obtained certifications from Fidelity as of December 31, 2021 and 2020, and for the year ended December 31, 2021 that all investment information supplied to the Plan is complete and accurate. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and note receivables from participants held at December 31, 2021 and 2020, and interest, dividends and net appreciation/depreciation in fair value of investments for the year ended December 31, 2021, was obtained or derived from the certified information.

4. Fair Value Measurements

	<u>Level 1</u>	<u>Total</u>

Notes to the Financial Statements

Assets at Fair Value as of December 31, 2020:

	<u>Level 1</u>	<u>Total</u>
Mutual Funds	\$ 43,198,626	\$ 43,198,626
Money Market Fund	<u>2,168,815</u>	<u>2,168,815</u>
Total assets in the fair value hierarchy	45,367,441	45,367,441
Common collective trusts measured at net asset value	<u>-</u>	<u>700,239</u>
Total investments at fair value	<u>\$ 45,367,441</u>	<u>\$ 46,067,680</u>

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded	Redemption	Redemption
Investments	12/31/2021	Commitments	Frequency	Notice
				Period
Common collective trust	\$ 265,013	\$ -	Daily	None

	Fair Value	Unfunded	Redemption	Redemption
Investments	12/31/2020	Commitments	Frequency	Notice
				Period
Common collective trust	\$ 700,239	\$ -	Daily	None

The framework for measuring fair value provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements.) The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets and or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

KP LLC 401(k) Savings & Retirement Plan

Notes to the Financial Statements

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market funds: Valued at the quoted net asset value of shares held by the Plan at year-end.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net assets value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the net asset value as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidation will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. **Tax Status**

The Plan sponsor has adopted the Fidelity Non-Standardized Pre-Approved Profit Sharing plan. The Pre-Approved plan received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the Pre-Approved plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since the opinion letter, the Plan sponsor and administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, the Plan sponsor and administrator believe that the Plan is qualified and its related trust is exempt from tax.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. Management evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. **Plan Termination**

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, all non-vested account balances would become 100% vested.

7. **Related Party Transactions**

Fidelity Management Trust Company ("Fidelity") serves the trustee and custodian of the Plan's assets. All transactions with Fidelity Management Trust Company qualify as party-in-interest transactions.

KP LLC 401(k) Savings & Retirement Plan

Notes to the Financial Statements

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Fidelity provides certain administrative services to the Plan pursuant to an agreement between the Company and Fidelity. Fidelity receives revenue from mutual funds and collective trust fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

The Plan or Plan Sponsor may make payments to Fidelity for administrative expenses not covered by revenue sharing. As described in Note 2, the Plan made payments totaling \$20,012 to the third party administrator, which were not covered by revenue sharing.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these securities and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in the various risk factors will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

10. Prohibited Transactions

During the year ended December 31, 2020, the Plan sponsor did not remit certain participant contributions to the Plan in a timely manner as defined by ERISA. See the Schedule of Delinquent Participant Contributions. The Plan sponsor will compensate participants for any lost earnings resulting from the delay in contributions. These contributions are considered nonexempt party-in-interest transaction subject to an excise tax that the company intends to pay.
