Independent Auditor's Report

To the Steering Committee
Ottawa Bancshares Profit Sharing Plan & Trust
Emporia, Kansas 66801

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Ottawa Bancshares Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for Plan benefits as of December 31, 2021, and the related statement of changes in net assets available for Plan benefits for the year then ended and the related summary of significant accounting policies and notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Ottawa Bancshares Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ottawa Bancshares Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

Independent Auditor's Report

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ottawa Bancshares Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ottawa Bancshares Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Independent Auditor's Report

2021 Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Ottawa Bancshares Profit Sharing Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

OTTAWA BANCSHARES PROFIT SHARING PLAN & TRUST

Summary of Significant Accounting Policies Years Ended December 31, 2021 and 2020

Basis of Accounting

Ottawa Bancshares Profit Sharing Plan & Trust (Plan) presents its financial statements on the accrual basis of accounting.

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, Plan management is required to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's trustee. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of administering and maintaining the Plan are paid directly by the participating employers and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payment of benefits are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

OTTAWA BANCSHARES PROFIT SHARING PLAN & TRUST

Notes to the Financial Statements Years Ended December 31, 2021 and 2020

1. Description of Plan

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

The Plan is a qualified automatic contribution arrangement 401(k) safe harbor plan, also known as a "QACA" and covers all employees of the participating employers: First Kansas Bank, The Lyon County State Bank, First Bank Kansas, and Advantage Trust Company (collectively, the "Company").

The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Steering Committee is responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

An employee is eligible to become a participant in the Plan on the first day of each month provided he has attained the age of 21. A participant specifies the amount, not to exceed Internal Revenue Service (IRS) limits, of eligible compensation to be contributed to the Plan (participant salary deferral contributions). If a participant fails to make an affirmative elective deferral election or an affirmative election not to participate, the Company will automatically withhold 5% of the participant's compensation. The automatic deferral percentage will increase by 1% each Plan year to a maximum of 10%. Participants may elect to designate their salary deferral contributions as a pre-tax deferral or as a Roth deferral.

In order to maintain "QACA safe harbor" status, the Company makes a safe harbor matching contribution equal to 100% of the elective deferrals that do not exceed 3% of the employee's compensation, plus 50% of the elective deferrals that exceed 3% but are less than 5% of the employee's compensation. The employer may also make a discretionary contribution, which is not a safe harbor contribution. For the years ended December 31, 2021 and 2020, the Company made a discretionary contribution equal to 2% of eligible compensation. Participants do not need to make salary deferral contributions in order to receive the discretionary employer contribution. Those who are employed on the last day of the Plan year and have completed 1,000 hours of service share in the discretionary contribution. The total of the annual employee and employer contributions on behalf of each participant cannot exceed certain IRS limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Rollover contributions are not subject to contribution limitations.

A participant may direct contributions to any of the investment options available from the Plan. Salary deferral contribution amounts can be changed at any time and take effect as soon as administratively possible. Allocation changes and fund transfers can be done daily. Each participant's directed account is credited/charged with an allocation of the directed investment's earnings/losses based on the participant's account balance and credited with the following contributions:

- Participant's salary deferral contributions.
- Participant's rollover contributions.
- Employer safe harbor matching contributions.
- Employer discretionary contributions.

Participants are always 100% vested in all Plan accounts.

Notes to the Financial Statements Years Ended December 31, 2021 and 2020

1. **Description of Plan** (continued)

Except as discussed below, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance of the participant's account and bear interest at rates ranging from 3.25% to 5.50% at both December 31, 2021 and 2020. The rate of interest is based on the prime rate as published by the Wall Street Journal. Loan terms range from one to five years, or longer for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions.

Except as discussed below, upon termination of service, a participant is entitled to a distribution of his vested interest in his current balance in the form of a lump sum payment. If a participant's benefits are \$1,000 or less, his benefits will be paid in a lump sum automatically unless otherwise requested by the participant. If a participant's benefits are over \$1,000 and less than \$5,000, his benefits will be rolled over into an individual retirement account for the participant unless otherwise requested by the participant. Under terms of the Plan, normal retirement age is the date the participant attains age 65. The Plan also allows for hardship distributions and distributions after a participant attains age 59.5 if certain conditions are met.

On April 1, 2020, the Plan adopted the following amendments related to provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) enacted by Congress in response to the COVID-19 pandemic:

- Through December 31, 2020, qualified individuals were permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution was not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who took a qualified distribution have the option to have the distribution taxed over a three year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.
- Loan repayments with respect to qualified participants that were due between March 27, 2020 and December 31, 2020 could be delayed for one year upon participant request.
- Through September 22, 2020, the loan limit increased to \$100,000 and the loan percent increased to 100%.
- Required minimum distributions for calendar year 2020 were waived for retired and retirement-aged individuals.

Effective July 28, 2020, the Plan adopted the following hardship distribution provision of the Bipartisan Budget Act of 2018:

- Hardship distributions made on or after the effective date do not trigger a suspension of elective deferrals. If a participant received a distribution before the effective date, the participant is able to resume deferrals as soon as practical after the effective date.
- Participants do not need to take Plan loans before taking hardship distributions.
- Earnings on elective deferrals may be withdrawn on account of a hardship.
- Hardship needs include residential casualty losses (without regard to whether the casualty was in a federally declared disaster area) and disaster losses.

2. Certified Information

Certain information related to the investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained or derived from information supplied to Plan management and certified as complete and accurate by Fidelity Management Trust Company (Fidelity), the trustee of the Plan.

The following table includes the fair values of the Plan's investments and notes receivable from participants at December 31, 2021 and 2020 and investment activity and interest on notes receivable from participants for the years ended December 31, 2021 and 2020, as certified by Fidelity:

	<u>2021</u>	<u>2020</u>
Investments (participant directed):		
Mutual funds at fair value	<u>\$22,544,900</u>	<u>\$20,625,618</u>
Total investments at fair value	<u>\$22,544,900</u>	<u>\$20,625,618</u>
Notes receivable from participants	<u>\$ 213,900</u>	<u>\$ 285,001</u>
Investment income:		
Net appreciation in fair value of investments	\$ 1,917,443	\$ 2,222,871
Dividend income	<u>1,200,951</u>	<u>770,679</u>
Total investment income	<u>\$ 3,118,394</u>	<u>\$ 2,993,550</u>
Interest on notes receivable from participants	<u>\$ 10,528</u>	<u>\$ 12,884</u>

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted market prices that are observable. These include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

OTTAWA BANCSHARES PROFIT SHARING PLAN & TRUST

Notes to the Financial Statements Years Ended December 31, 2021 and 2020

3. Fair Value Measurements (continued)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used to determine the fair value of investments. There have been no changes in the methodology used at December 31, 2021 and 2020.

- Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding valuation method may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the years ended December 31, 2021 and 2020, there were no transfers.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,544,900	\$ -	\$ -	\$ 22,544,900
Total assets in the fair value hierarchy	\$ 22,544,900	\$ -	\$ -	\$ 22,544,900
	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,625,618	\$ -	\$ -	\$ 20,625,618
Total assets in the fair value hierarchy	\$ 20,625,618	\$ -	\$ -	\$ 20,625,618

4. Tax Status

The Plan has adopted a prototype plan which has received an opinion letter dated June 30, 2020 from the IRS indicating that the Plan, as then designed, was qualified for tax-exempt status under the appropriate sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan is qualified and tax-exempt as of the financial statement date and no provision for income taxes has been recorded in the financial statements.

OTTAWA BANCSHARES PROFIT SHARING PLAN & TRUST

Notes to the Financial Statements Years Ended December 31, 2021 and 2020

4. **Tax Status** (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

5. **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.

6. **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits and the statements of changes in net assets available for Plan benefits.

7. **Related Party Transactions and Party-in-Interest Transactions**

Certain Plan investments are managed by Fidelity. Fidelity is the trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing.

Fidelity Investments Institutional Operations Company, LLC (FIIOC) is the Plan's recordkeeper and is considered a party-in-interest. Administrative expenses paid to FIIOC were \$1,960 and \$3,457 for the years ended December 31, 2021 and 2020, respectively.

Additionally, notes receivable from participants are considered party-in-interest transactions.

8. **Subsequent Events**

Management of the Plan has evaluated subsequent events through August 11, 2022, the date the financial statements were available to be issued.
