INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
403(b) Thrift Plan of Housing Partnership, Inc.
Riviera Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statement of 403(b) Thrift Plan of Housing Partnership, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to the bank or similar institution or insurance carrier in accordance with 26 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statement section of our report. We are required to be independent of 403(b) Thrift Plan of Housing Partnership, Inc. Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Housing Partnership, Inc. Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements, section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intention omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Housing Partnership, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Housing Partnership, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statement but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 403(b) Thrift Plan of Housing Partnership, Inc. Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

The following description of the 403(b) Thrift Plan of Housing Partnership, Inc., (the "Plan") is provided for general information purposes only. Participants should refer to the Adoption Agreement for a more complete description of the Plan's provisions.

- a) *General* – The Plan is a defined contribution plan covering all employees of Housing Partnership, Inc. and Parent-Child Center, Inc. (a related party by way of common control) (collectively, the "Company"). This 403(b) Plan incorporates investment offerings through a Thrift Plan and a Tax Deferred Annuity (TDA). The employees are included as participants in the Plan on the first day of the month coinciding with or immediately following the hiring date. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974. The Plan was formed on January 1, 2008. The Plan was most recently amended with an effective date of January 1, 2020, to restate the plan to conform with Regulations as further explained in Note 7, Tax Status.
- b) *Plan Sponsor and Administration* – The Company serves as the Plan sponsor and administrator. As of December 31, 2021 and 2020, the custodian and party which directs the custody and management of the Plan's assets is Mutual of America Life Insurance Company (Mutual of America).
- c) *Contributions* – The Plan provides for participant salary deferral contributions, and employer matching contributions subject to limitations defined by the Internal Revenue Code. Participants may alter their deferral percentage at any time. Under the automatic deferral feature, if an employee satisfies the eligibility requirements, the Company will automatically withhold a salary deferral of 1%. Participants who have completed one (1) year of service (1,000 hours within a twelve (12) month period) and have attained 18 years of age are eligible for employer matching contributions. The employer match is the lesser of 5% of participant's compensation for the year, or the amount contributed to the Plan by the participant.
- d) *Participant Accounts* – Each participant's account is adjusted for participant's contributions, employer contributions, Plan earnings, distributions, as well as a portion of the administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant accounts are maintained by the custodian of the Plan.
- e) *Vesting* – Participants are immediately vested in their salary deferral contributions and rollovers, plus actual earnings thereon. Vesting of employer matching and non-elective contributions plus actual earnings thereon is based on years of credited service. A participant becomes 100% vested after 5 years of credited service. Upon death, disability, or reaching the age of 65, the employer discretionary matching and the discretionary non-elective contributions become 100% vested.
- f) *Investment Options* – Upon enrollment in the Plan, a participant directs contributions into any of the several investment options offered through Mutual of America and determined by the Plan administrator. Participants may change their investment allocation at any time.

For the Year Ended December 31, 2021

1. Description of Plan, continued

- g) *Administrative Expenses* – Individual participants pay for loan and distribution fees, and investment management expenses. The Plan sponsor pays for other costs of plan administration.
- h) *Participant Loans* – Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. The loans are secured by the balance of the participant's account and bear interest at local prevailing rates determined at the time the loan is issued. Designated Roth Contributions (and their earnings) are not available for loan purposes. The loans are offered by and through the Plan's custodian, Mutual of America, but are not deducted from the participant's account. Principal and interest are paid ratably through bi-weekly payroll deductions over a period not to exceed five years. As of December 31, 2021 and 2020, the loan balance guaranteed by the participants' vested balance totaled \$134,009 and \$115,132, respectively (see Note 8).
- i) *Payments of Benefits* – Upon attaining age 59½, termination, retirement, death, or disability, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, a life annuity or annual installments paid over a specific period of time based on the form of elected annuity. Hardship withdrawals are also allowed. In addition, given the auto-enrollment feature, the plan has a 90-day withdrawal option if a participant did not opt-out of the automatic contribution to prevent the automatic withdrawal.
- j) *Forfeited Accounts* – All non-vested benefits are forfeited by participants should they terminate employment prior to becoming vested. Amounts forfeited are used to reduce future Plan expenses and future employer contributions. During 2021, \$39,392 was forfeited by employees and \$39,149 was applied to employer contributions. As of December 31, 2021 and 2020, there was \$254 and \$0, respectively, available for future years.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

- a) *Basis of Accounting* – The financial statements of the Plan are prepared under the accrual basis of accounting.
- b) *Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

For the Year Ended December 31, 2021

2. Summary of Significant Accounting Policies, continued

- c) *Valuation of Investments and Income Recognition* – The Plan’s investments are stated at fair value except for its benefit-responsive investment contract, which is valued at contract value (See Note 5). Investments are valued at quoted market prices, if available, of a national securities exchange on the last business day of the year. Investment options that do not have readily available market quotations are valued according to quotations from the custodian. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.
- d) *Payment of Benefits* – Benefits are recorded when paid.
- e) *Plan Risk and Uncertainties* – The Plan and the Plan assets are sensitive to economic pressures prevalent in the investment market. The pressures primarily stem from interest rate, market and credit risk and their effect on bond rates, mortgage rates, the value of real estate, stock prices, and the overall stability of the market. Certain Plan investments are shares of mutual funds managed by the custodian. Change in the custodian’s management may affect operating results of the funds adversely. Additionally, the financial position of the Plan Sponsors, Housing Partnership, Inc., and Parent Child Center, Inc. may have a significant impact on the Plan. Specifically, these include the ability of the Plan Sponsors to continue to make contributions to the Plan and/or the stability of the Plan Sponsors’ operations. As of October 1, 2019, the employees and operations of Parent Child Center, Inc. were merged into Housing Partnership, Inc. Other external factors which may affect the Plan and the Plan assets include legislation or regulations established by the Internal Revenue Service (IRS), Employee Retirement Income Security Act of 1974 (ERISA), and/or Department of Labor (DOL).

3. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

For the Year Ended December 31, 2021

3. Fair Value Measurements, continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021.

- a) *Mutual funds* – Valued at the accumulation unit value as quoted by the custodian, of units held by the plan at year-end. These unit values are updated daily based on the underlying investment performance and fees charged. The participants can transact at this unit value any day that the stock market is open.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 7,510,706</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,510,706</u>

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 6,511,275</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,511,275</u>

4. Information Certified by the Plan's Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the custodian, certified that the data included in the accompanying financial statements and supplemental schedule is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

For the Year Ended December 31, 2021

4. Information Certified by the Plan's Custodian, continued

The following information was prepared and certified as complete and accurate by Mutual of America:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	<u>\$ 7,510,706</u>	<u>\$ 6,511,275</u>
Investments, at contract value	<u>\$ 998,356</u>	<u>\$ 942,512</u>
Interest	<u>\$ 9,752</u>	
Net appreciation in fair value of investments	<u>\$ 1,116,871</u>	

5. Investment Contract with Insurance Company

The Plan has a traditional fully benefit-responsive group annuity contract (i.e., Interest Accumulation Investment Account option) with Mutual of America Life Insurance Company. Mutual of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the group annuity contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the Mutual of America Interest Accumulation Account investment as of December 31, 2021 and 2020, was \$998,356 and \$942,512, respectively. The minimum guaranteed credited interest rate applicable to all amounts held in the Mutual of America Interest Accumulation Account under this contract for the 2021 calendar year will result in an effective annual yield of .15%. This rate may be changed as of January 1 of each calendar year. The actual credited interest rate earned during the quarter is the higher of the Mutual of America's current declared interest rate or the minimum guaranteed interest rate under this contract. As of December 31, 2021 and 2020, the crediting interest rate was either .25%, or .50% depending on the Plan's total assets, and 1%, respectively. Interest is compounded daily to produce the stated effective annual yield.

Certain events limit the Plan's ability to transact at contract value with Mutual of America. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

For the Year Ended December 31, 2021

5. Investment Contract with Insurance Company, continued

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

6. Related Party Transactions

Certain plan investments are managed by Mutual of America. Mutual of America is the custodian as defined by the Plan, and therefore these qualify as party-in-interest transactions. However, they are not considered prohibited transaction in accordance with appropriate ERISA exceptions.

7. Tax Status

The Plan is adopted via a Prototype Defined Contribution Plan utilized by the investment custodian of the Plan - Mutual of America. The Prototype Plan is a tax-sheltered annuity plan. The Plan was restated effective January 1, 2020, in accordance with a program established by the IRS for plan sponsors of 403(b) plans to adopt a prototype plan document by March 31, 2020 that meets the requirements under 403(b) and the final 403(b) Regulations that were issued in 2007. The Company restated its Plan to Mutual of America's Prototype 403(b) Thrift Plan (Document). The IRS approved the Document and has issued a favorable opinion letter. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, no provision for income taxes has been included in the Plan's financial statements.

8. Contingent Liabilities

In accordance with the Plan's provisions for participant loans made by and through Mutual of America, the Plan's net assets are encumbered in the amount of \$134,009 as of December 31, 2021 (see Note 1h).

9. Plan Termination

Although the Company intends the Plan to be permanent and continuing, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

For the Year Ended December 31, 2021
