Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in *Note 3* which was certified by BMO Harris Bank, N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of and for the period ended October 12, 2021 and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As further discussed in *Note 1* to the financial statements, the Plan sponsor voted to terminate the Plan, and liquidated the plan. As a result, the financial statements are presented on the liquidation basis in 2021 and 2020. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*.

Community Blood Center 401(k) Plan

Notes to Financial Statements

October 12, 2021 and December 31, 2020

Note 1: Description of the Plan

General

The following description of the Community Blood Center 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all eligible employees of New York Blood Center, Inc. (the Company). It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Plan's trustee and custodian is BMO Harris Bank, N.A.

Effective March 31, 2018, Community Blood Center of Greater Kansas City was merged with New York Blood Center, Inc. (NYBC) with NYBC as the surviving corporation. The Plan was amended and restated ("Plan Amendment") to change the employer to NYBC. Employees of whose employment is not based in Kansas or Missouri or who are eligible under the NYBC retirement plan are not eligible to participate in the Plan.

The Plan was amended effective December 31, 2020 to freeze the Plan. As a frozen plan, the Company will not make any contributions with respect to the plan compensation earned after the effective date and no participant will be permitted to make any contributions to the Plan after the effective date. In addition, no employee will become a participant after the date the Plan is frozen. Employer and matching contributions were fully vested at the effective date. Effective January 1, 2021, employees of the Company became eligible to participate in the NYBC 403(b) Plan pursuant to the NYBC 403(b) Plan Amended and Restated Plan Document. See *Note 1 – Plan Termination*.

The only contribution to the Plan made after December 31, 2020 was the discretionary profit-sharing contribution made by the Company in the amount of \$253,658 in April 2021. As discussed in *Note 1 – Plan Termination*, remaining assets will be distributed to participants via rollovers or cash payouts in 2021.

Eligibility

Each employee will be eligible to become a participant in the Plan and elect participant contributions on the first pay period following the employee's hire date. Effective April 1, 2018, the Plan was amended to remove the age requirement to participate in the Plan. Before this effective date, the minimum age requirement was 18 years old. The Plan also allows eligible participants to make Roth deferrals.

Each employee will become eligible to receive an employer match after completing one year of service with a minimum of 1,000 hours. The contribution period for purposes of calculating the amount of matching employer contributions is each payroll period.

Each employee will become eligible to receive the employer discretionary contribution after completing one year of service with a minimum of 1,000 hours. Eligible employees employed during the year are eligible to receive any discretionary contributions if they are employed at the end of the year.

Contributions

Participants may elect to contribute to the Plan an amount ranging from 1 percent to 60 percent of annual compensation, subject to certain limitations imposed by the Internal Revenue Code. The Plan includes an automatic 3 percent employee contribution deferral rate unless eligible employees select otherwise. Automatic employee deferral contributions begin as soon as administratively feasible on or after a minimum of 30 days following participants' dates of hire, but no sooner than participants' entry dates.

The automatic deferral amount increases each year by 1 percent unless the participant designates otherwise under a salary deferral election. The automatic increase will take effect up to a maximum of 10 percent of compensation.

The Plan includes a 3 percent employer matching program, in which the Company matches 100 percent of the participant's contribution up to a maximum of 3 percent of the participant's eligible salary for a plan year.

Each year, the Company may make a discretionary profit-sharing contribution to the Plan. The Company may, but is not required to, make discretionary contributions to each participant in a percentage set by the employer prior to the end of each plan year. The Company made a discretionary profit-sharing contribution of \$253,658 for the year ended December 31, 2020.

Participants direct all contributions, including employer contributions, into various investment options offered by the Plan. The Plan currently offers money market, various mutual fund and various collective investment fund options for participants.

For the year ended December 31, 2020, the Company elected to utilize forfeited funds to reduce employer matching and profit sharing contributions to the Plan by \$19,760.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Employees are immediately vested in their voluntary contributions plus their contributions' earnings. Vesting in the Company contribution of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after five years of continuous service. The nonvested balance is forfeited upon termination of service. Forfeitures are used to reduce Company matching and profit-sharing contributions to the Plan.

Notes to Financial Statements

October 12, 2021 and December 31, 2020

Accrued Income, Payments to Participants and Expenses

The statement of net assets in liquidation as of December 31, 2020 includes accrued income expected to be earned through the end of its liquidation on the accounts. Accrued payments to participants include amounts expected to be paid to participants through the end of its liquidation on accounts. Accrued expenses include costs expected to be incurred through the end of its liquidation on the accounts.

Notes Receivable from Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50 percent of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates as determined by the Plan Administrator.

Notes receivable from participants are reported at amortized principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified to benefit payments based on the terms of the Plan Document.

In 2020, the Company adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans, plus the suspension period.

Payment of Benefits

A participant's interest in the Plan becomes distributable upon his/her termination of employment with the Company due to death, disability or termination of employment, or at such time as the Plan is terminated. Upon termination of service, a participant can elect to receive a lump-sum amount equal to the value of his/her account.

Additionally, the Plan allows for withdrawals to be made from a participant's account once he/she reaches age 59½ or is able to demonstrate financial hardship. A participant may withdraw all or a portion of his/her salary reduction account upon a written request to the Plan Administrator. Hardship distributions may not include earnings on salary reduction contributions.

Notes to Financial Statements

October 12, 2021 and December 31, 2020

In 2020, the Company implemented CARES Act provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Plan Termination

Effective in 2020, the Company terminated the Plan subject to provisions of ERISA as a result of consolidating participants into a single plan (the NYBC 403(b) Plan). As of December 31, 2020, participants became 100 percent vested in their employer contributions. In conjunction with this termination, all remaining assets were distributed to participants via rollovers or cash payouts by October 12, 2021.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared under the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices are used to value mutual fund and money market fund investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. The Plan's interest in collective investment funds are based on information reported by the investment advisor for the underlying investments in the funds.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3: Certification of Plan Trustee

The Company has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, BMO Harris Bank, N.A., the trustee of the Plan, has certified the following information included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets in liquidation.
- Investment income and interest income on notes receivable from participants as shown in the statements of changes in net assets in liquidation.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements.

Note 4: Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association or relatives of such persons.

BMO Harris Bank, N.A. is trustee, as defined by the Plan. Total expenses paid to the trustee during 2021 and 2020, were \$0 and \$73,949, respectively.

The Plan incurs expenses related to general administration and recordkeeping. These expenses and certain accounting and auditing fees relating to the Plan are paid by the plan sponsor.

Note 5: Plan Amendments

Hardship Distributions

The Plan was amended on August 6, 2020 under the *Bi-Partisan Budget Act of 2018*. This amendment was effective for the Plan on January 1, 2019. The amendment includes the following hardship distribution provisions:

- Hardship distributions made on or after the effective date will no longer trigger a suspension of elective deferrals. If a participant received a hardship distribution before the effective date, and therefore elective deferrals were suspended, the participant's suspension of elective deferrals begun before the effective date will continue as originally scheduled.
- Participants no longer need to take plan loans prior to taking hardship distributions.
- Earnings on elective deferrals may be withdrawn on account of a hardship.

Note 6: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets in liquidation measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at October 12, 2021 and December 31, 2020:

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
October 12, 2021				
Mutual funds	\$ -	\$ -	\$ -	\$ -
Money market fund	-	-	-	-
Collective investment funds	-	-	-	-

	<u>\$ 16,540,914</u>	<u>\$ 4,480,302</u>	<u>\$ 12,060,612</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets in liquidation, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the period ended October 12, 2021 and the year ended December 31, 2020. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Note 8: Tax Status

The Plan operates under a volume submitter adoption agreement in connection with a prototype 401(k) plan and trust sponsored by BMO Harris Bank, N.A. On September 1, 2015, OneAmerica Retirement Services LLC, a OneAmerica Company, purchased BMO Retirement Services. At that time, BMO Retirement Services transferred sponsorship of its volume submitter retirement plan documents to OneAmerica Financial Partners, Inc. The IRS has issued an opinion letter, dated September 24, 2015, acknowledging OneAmerica's sponsorship and stating the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets in liquidation.

Note 10: Subsequent Events

Subsequent events have been evaluated through August 15, 2022, which is the date the financial statements were available to be issued.
