## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of the  
Collette Travel Profit Sharing/401(K) Plan & Trust:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of the Collette Travel Profit Sharing/401(k) Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Plan Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan Administrator has obtained a certification from the trustee as of December 31, 2020, and for the year then ended, that the information provided to the Plan Administrator by the trustee is complete and accurate.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

**NOTES TO THE FINANCIAL STATEMENTS**  
**Years Ended December 31, 2021 and 2020**

**1. Description of the Plan**

The following description of the Collette Travel Profit Sharing/401(K) Plan & Trust (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan covering all employees of Collette Travel Service, Inc. (the Company or Employer) who are eighteen (18) years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Employer is also the administrator of the Plan. As administrator, the Employer has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Fidelity Management Trust Company (Fidelity) is the appointed trustee of the Plan, and acts at the direction of the Plan Administrator.

The COVID-19 pandemic led to a significant reduction in the total number of employees since March 2020 and the Plan experienced a partial plan termination for the 2020 plan year (Note 8).

***Contributions***

Eligible employees may contribute up to 60% of pretax annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company has an automatic enrollment under which eligible employees will contribute 5% of compensation automatically unless they affirmatively elect otherwise. Also, rollover and Roth contributions to the Plan are permitted, subject to the restrictions of the Plan Agreement.

The Plan has an automatic escalation for participants with a deferral rate greater than zero, who are not suspended from making deferral contributions. Eligible participants' deferral rates increase annually by 1%, not to exceed 3% for pre-tax deferral contributions and not to exceed 15% for Roth deferral contributions.

Employer matching contributions are discretionary. There were no employer matching contributions for the year ended December 31, 2021. For the period January 1, 2020 through March 31, 2020, the Company matched 50% of the first 5% of an employee's compensation, up to a maximum of 2.5% of qualified payroll.

***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings/losses. Plan earnings/losses and administrative revenue (expenses) are allocated to participant accounts based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately vested in their voluntary contributions, plus the annual allocation of Plan earnings on those contributions at the time of allocation. Participants become fully vested in the employer contributions and the annual allocation of Plan earnings in 20% increments over a five (5) year period. In the event of retirement, disability or death, the participant shall immediately become 100% vested in his/her account.

***Participant Notes Receivable***

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms range from 1 to 5 years, or up to 10 years for the purchase of a primary residence. The notes are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

In April 2020, the Plan elected to adopt Coronavirus Aid, Relief, and Economic Security (CARES) Act provisions which allow for special coronavirus related distributions up to \$100,000, increase the participant borrowing limit to the lesser of \$100,000 or 100% of the participant's vested account balance, and allow for the suspension of note payments for up to one year.

***Payment of Benefits***

On retirement, death, disability, termination of service or at age 59½, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution, partial distribution or installment payments equal to the value of his or her account. Participants may request in-service hardship withdrawals from their elective deferral accounts.

***Forfeitures***

Participants in the Plan who leave the employment of the Company before completing five years of service forfeit the non-vested portion of their accounts. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$211,058 and \$113,844, respectively.

There were no forfeitures used to reduce employer contributions for the year ended December 31, 2021. Forfeitures in the amount of \$92,223 were used to reduce employer contributions for the year ended December 31, 2020.

**COLLETTE TRAVEL PROFIT SHARING/401(K) PLAN & TRUST**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**Years Ended December 31, 2021 and 2020**

***Plan Termination***

The Company expects to continue the Plan indefinitely. However, the Company reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

**2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

***Valuation of Investments and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Participant Notes Receivable***

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest and are secured by the balance in the respective participant's account. Interest income on participant notes receivable is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. A receivable is considered past due if payment has not been received within stated terms. Delinquent participant notes receivable are reclassified as distributions based on terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

***Contributions***

Contributions from employees are recorded bi-weekly and monthly when the Company remits the payroll deductions for investment into the funds. Employer matching contributions are discretionary and are recorded when the Company elects to remit the contributions for investment into the funds.

**COLLETTE TRAVEL PROFIT SHARING/401(K) PLAN & TRUST**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**Years Ended December 31, 2021 and 2020**

***Payment of Benefits***

Benefits are recognized when paid to participants or their designated beneficiaries.

***Administrative Revenue (Expenses)***

Expenses incurred in the administration of the Plan are paid by the Company unless the Company directs that such expenses shall be paid by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management fees for certain investments are included as a reduction of investment return (net appreciation or depreciation) and not reflected separately in the Statements of Changes in Net Assets Available for Plan Benefits. Administrative revenues arise when investment managers return a portion of the investment fees to the record keeper to offset the administrative expenses. Any excess resulting from this revenue credit remains in an unallocated account from which future Plan expenses can be paid or allocated to participant accounts. There were no unallocated administrative revenues held by the Plan at December 31, 2021 and 2020.

***Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

***Risks and Uncertainties***

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest risk, market risk and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

***Financial Instruments with a Concentration of Credit Risk***

The Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside entities' non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

***Subsequent Events***

Management has evaluated subsequent events through June 23, 2022, which is the date these financial statements were available to be issued.

**NOTES TO THE FINANCIAL STATEMENTS**  
**Years Ended December 31, 2021 and 2020**

**3. Fair Value Measurements**

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis.

*Money Market Fund:* The carrying amount of the money market fund is the deposit amount plus accrued interest, as determined according to stated terms.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**COLLETTE TRAVEL PROFIT SHARING/401(K) PLAN & TRUST**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**Years Ended December 31, 2021 and 2020**

*Common Collective Trust Fund:* The Plan invests in the Fidelity Stable Value Fund, an investment vehicle that invests in benefit-responsive investment contracts, fixed income securities and money market funds. It is valued at NAV of units held by the Plan. The NAV, as provided by Fidelity, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation dates. Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments or redemption restrictions for the individual participants within the Plan, however, there is up to a 12-month redemption for this investment at the Plan level.

As of December 31, 2021 and 2020, the Plan's investments in the money market fund and mutual funds are reported at level 1 within the fair value hierarchy.

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the line items presented in the Statements of Net Assets Available for Plan Benefits.

#### **4. Summary of Financial Data Certified by the Trustee**

The following is a summary of financial information and data certified by the trustee, Fidelity:

Statements of Net Assets Available for Plan Benefits at December 31, 2021 and 2020, except for contribution receivables;

Investment income and interest income from participant notes receivable on the Statements of Changes in Net Assets Available for Plan Benefits for the years ended December 31, 2021 and 2020, and;

**NOTES TO THE FINANCIAL STATEMENTS**  
**Years Ended December 31, 2021 and 2020**

Investment information provided on the supplemental schedule, Schedule of Assets (Held at End of Year) at December 31, 2021.

**5. Income Tax Status**

The Plan is a prototype plan sponsored by Fidelity. Fidelity has obtained an opinion letter on the Plan dated June 30, 2020 stating that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code (the Code). Generally, the Plan Administrator and the Plan may rely on the opinion letter received by Fidelity as to the form of the Plan qualifying under the Code. The Plan has been amended since the letter was obtained. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**6. Differences from Form 5500**

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

**7. Related Party Transactions and Party-in-Interest Transactions**

Plan investments are held and managed by Fidelity, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to Fidelity for administrative services of \$4,729 and \$4,528 for the years ended December 31, 2021 and 2020, respectively. Participant notes receivable qualify as party-in-interest transactions.

**COLLETTE TRAVEL PROFIT SHARING/401(K) PLAN & TRUST**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**Years Ended December 31, 2021 and 2020**

Fidelity provides certain administrative services to the Plan pursuant to a Fidelity Investments Retirement Plan Service Agreement (FIRSA) between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

If revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the FIRSA, Fidelity remits the excess to the Plan's trust on a quarterly basis. Such amounts are allocated to the accounts of the eligible participants. The amount allocated to participant accounts during December 31, 2021 and 2020 was \$92,278 and \$83,310, respectively.

**8. Partial Plan Termination**

As a result of a reduction of the Company's workforce due to COVID-19, the Plan experienced a partial plan termination as defined by Code section 411(d)(3) for the 2020 plan year. Under the Code, a partial plan termination may occur if at least 20% of eligible Plan participants are terminated by the Company within the applicable period. If a partial plan termination occurs, full vesting in the employer's contribution is required for the affected participants, but the remaining participants' vesting continues to be determined per the Plan provisions. In accordance with IRS guidance, in April 2021, the Plan further distributed approximately \$207,600 of employer contributions which became fully vested in 2020 because of the partial plan termination.
