## **Independent Auditors' Report**

To the Plan Administrator  
Integrated Supply Network Retirement Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed the audit of the financial statements of Integrated Supply Network Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Other Matter - Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institutions. In our report dated September 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# INTEGRATED SUPPLY NETWORK RETIREMENT PLAN

## Notes to Financial Statements

December 31, 2021 and 2020

### (1) **Description of Plan**

The following description of the Integrated Supply Network Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

#### (a) **General**

The Plan is a defined contribution profit sharing plan covering all employees except union, leased, or non-resident aliens of Integrated Supply Network, LLC (the “Company”, “Employer”, or “Plan Administrator”), who have completed two months of service and have attained age 18 or older. The Plan Administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Company’s Board of Directors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan operates under a trustee agreement with Great-West Trust Company, LLC (“GWTC”). Through the trustee agreement, the Plan receives recordkeeping services from Empower Retirement Company, a related party to the GWTC. The Plan offers certain investments through a group annuity contract with Great-West Life & Annuity Insurance Company (“GWL&A”), an entity affiliated with GWTC. GWL&A separately certifies information relating to its investment offerings.

Effective January 1, 2017, the Plan was amended and restated to adopt the volume submitter 401(k)/profit sharing plan document sponsored by Benefit Solutions, Etc. (“Benefit”), who acts as a 3<sup>rd</sup> party advisor to the Plan.

Effective March 8, 2019, the Plan was amended to allow employees of Florida Tire Supply Company (acquired company) to become eligible to participate in the Plan.

#### (b) **Contributions**

Participants may contribute up to 100% of their pretax or after-tax compensation, as defined in the Plan, subject to the maximum amount allowed by the Internal Revenue Service. Upon attaining eligibility for participation in the Plan, employees are automatically enrolled in the subsequent month. Effective January 1, 2020, participants were auto-enrolled at 4% of pretax compensation, increasing 1% per year up to a maximum of 10%. Effective January 1, 2021, participants were auto-enrolled at 4% of pretax compensation, increasing 1% per year up to a maximum of 15%. Participants are able to opt-out of the automatic enrollment by contacting the GWTC directly. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, subject to Internal Revenue Service limitations.

The Company, at its discretion, may match a percentage of participant contributions. For the year ended December 31, 2021, the discretionary matching contribution was equal to 50% of deferrals on the first 4% of base compensation on a pay period basis.

### Notes to Financial Statements - Continued

#### (1) **Description of Plan - Continued**

##### (c) **Participant Investment Account Options**

The Plan currently offers various mutual funds and guaranteed investment fund as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

##### (d) **Participant Accounts**

Each participant's account is credited with the participant's contributions, their portion of Company's matching and discretionary contributions, an allocation of plan earnings, and net of withdrawals and administrative expenses. Allocations are based on participant's contributions or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

##### (e) **Vesting**

Participants' contributions (plus or minus actual earnings and losses) are immediately vested. Participants are vested in Employer contributions plus earnings or losses thereon, based on a three-year cliff vesting schedule.

Participant accounts of active employees become fully vested (regardless of the above vesting schedules) upon death, disability, attainment of normal retirement age (65) or termination of the Plan.

##### (f) **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of up to 50% of the vested account balance or \$50,000. Such notes are collateralized by each respective participant's account and bear fixed interest rates, based on rates available for similar notes from commercial lending institutions. Interest rates are determined as of the first day of each calendar quarter for new notes. Participant note interest rates ranged from 4.25% to 6.50% as of December 31, 2021. Notes generally must be repaid within 5 years except for notes used for the purchase of a principal residence, which may be repaid over a period not to exceed 30 years. Principal and interest is paid ratably through bi-weekly payroll deductions. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced, and a benefit payment is recorded.

During 2020, the Plan was amended to allow only one note per participant outstanding at a time.

## INTEGRATED SUPPLY NETWORK RETIREMENT PLAN

### Notes to Financial Statements - Continued

#### (1) Description of Plan - Continued

##### (g) Payment of Benefits

Upon termination or retirement of service, if the value of the terminated participant's vested benefit does not exceed \$1,000, the entire amount shall be paid to the participant in a single lump sum.

Vested account balances greater than \$1,000 but less than \$5,000 will automatically be rolled into an IRA account or paid to the participant's beneficiary in a single sum. Vested account balances greater than \$5,000, at the election of the participant, may remain in the Plan or be distributed. When a participant attains retirement age, benefits will be paid from the vested account balance, based upon the election of the participant, either in the form of a lump sum cash payment or a nontransferable annuity contract providing for installment payments. The normal retirement age, as defined by the Plan, is 65. All benefits are recorded when paid. In addition, under certain circumstances, a participant may receive a financial hardship distribution.

As a result of the Bipartisan Budget Act of 2018, effective January 1, 2019, the requirement to exhaust loan distributions prior to receiving a hardship distribution was removed from the Plan. Additionally, participants are no longer suspended from making contributions to the Plan or from receiving Company matching contributions as a result of a hardship withdrawal.

In December 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act was signed into law. Provisions relate to required minimum distributions and the limitation of life-time or stretch distributions to remain compliant under the applicable laws and regulations.

The Plan operationally amended the Plan to implement the relief provision under the Coronavirus Aid, Relief, and Economic Security ("CARES") Act which allowed for special coronavirus-related distributions up to \$100,000. In June 2020, the Internal Revenue Service issued Notice 2020-50, which expanded eligibility for special coronavirus-related distributions under the CARES Act and allowed for repayment of these distributions provided the repayment occurs within three years of receipt of the distribution.

##### (h) Forfeited Accounts

Any non-vested account balance after the distribution of a terminated participant's vested account balance is forfeited. Forfeitures of participants' non-vested account balances are used to reduce future Company contributions or to reduce administrative expenses of the Plan. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$42,000 and \$71,000 respectively. During 2021, approximately \$65,000 of forfeitures were used to reduce Employer contributions and pay plan expenses.

#### (2) **Summary of Significant Accounting Policies**

##### (a) **Basis of Accounting**

The financial statements of the Plan are prepared under the accrual basis of accounting.

##### (b) **Use of Estimates**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

##### (c) **Investment Valuation and Income Recognition**

The Plan invests in mutual funds which are stated at fair value based on the quoted market prices of shares held by the Plan at year end.

Investments in the guaranteed investment contract, the Great-West Life Insurance Company Key Guaranteed Portfolio Fund ("GPF"), are held as a general account product offered through a group annuity contract with GWL&A. Participant principal and interest are fully guaranteed by the entire general account assets of GWL&A. The general account assets are primarily high-quality, fixed income bonds. The GPF is credited with declared rates of interest based on the earnings of the underlying assets in the portfolio compared to the minimum interest crediting rate, as stated in the contract with GWL&A. The GPF is considered fully-benefit responsive and is reported at contract value which is the basis for participant-initiated transactions.

Certain events could limit the ability of the Plan to transact at contract value with GWL&A in regards to the GPF. Such events include the following: (1) amendment to the Plan document (including complete or partial termination or merger with another plan.), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. The Company does not believe the occurrence of any such event, which would limit the Plan's ability to transact at contract value, is probable.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

## INTEGRATED SUPPLY NETWORK RETIREMENT PLAN

### Notes to Financial Statements - Continued

#### (2) Summary of Significant Accounting Policies - Continued

##### (d) Notes Receivable from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses as incurred. Delinquent notes receivable from participants are treated as distributions based upon the terms of the plan agreement.

##### (e) Expenses

Administrative and recordkeeping expenses incurred by the Plan include loan fees and investment management services fees charged directly to the participants' accounts. Other administrative expenses are paid directly by the Company and are excluded from these financial statements. These expenses include audit fees and permissible legal fees. Investment related expenses are included in the net appreciation in fair value of investments.

#### (3) Information Certified by Trustee and Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, GWTC and GWL&A, the trustee and custodian of the Plan, have certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments, at fair value and contract value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in these financial statements.

#### (4) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

# INTEGRATED SUPPLY NETWORK RETIREMENT PLAN

## Notes to Financial Statements - Continued

### (4) Fair Value Measurements - Continued

Level 2: Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the best level of input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. Following is a description of the valuation methodologies used for assets measured at fair value:

*Registered Investment Companies:* valued at quoted market prices at year end and are classified as Level 1 investments. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

### Notes to Financial Statements - Continued

(5) **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their accounts.

(6) **Parties-in-Interest Transactions**

Certain plan investments are managed and held by GWTC and GWL&A. Additionally, notes receivable from participants are managed by GWTC. As the trustee and custodian, transactions with GWTC and GWL&A, in addition to payments made to the Plan's TPA and investment advisor, qualify as party-in-interest transactions. During 2021, the Plan paid approximately \$85,000 for advisory, recordkeeping, and custodian services. While these transactions qualify as party-in-interest transactions as defined in Section 3(14) of ERISA, they are expressly exempted from the prohibited transaction rules.

(7) **Risks and Uncertainties**

The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

(8) **Tax Status**

The Plan has adopted a volume submitter plan document ("VSP") sponsored by Benefit, which received an opinion letter dated September 1, 2016, in which the Internal Revenue Service states that the VSP is qualified under Section 401(k) of the Internal Revenue Code. The VSP has been amended since the date of the opinion letter, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset), if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax period.
