Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of International Packaging Corporation Employee Savings and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of International Packaging Corporation Employee Savings and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Packaging Corporation Employee Savings and Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Administrator
International Packaging Corporation Employee Savings and Profit Sharing Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Packaging Corporation Employee Savings and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Packaging Corporation Employee Savings and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Basis of Accounting

As discussed in Note 2 to the financial statements, the financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator
International Packaging Corporation Employee Savings and Profit Sharing Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of International Packaging Corporation Employee Savings and Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 28, 2021 included an emphasis-of-matter paragraph describing the financial statements are prepared on the modified cash basis of accounting and indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN

The following description of the International Packaging Corporation Employee Savings and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits for employees of International Packaging Corporation (the Company) who have at least one year of service and have reached the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendment

The Plan was completely amended and restated effective March 1, 2022. All plan provisions under the new plan document remain substantially the same.

Contributions

Participants may contribute a specific percentage of compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). The Company makes a safe harbor matching contribution to eligible participants. The Company contributes 100% of the participant's salary deferral that does not exceed 3% of the participant's compensation plus 50% of the participant's salary deferrals that does not exceed 2% of the participant's compensation. In addition, the Company may make additional profit sharing contributions at the discretion of the Company. The Company did not make any additional profit sharing contribution for the year ended December 31, 2021. All contributions are subject to certain limitations imposed by the Plan and the Internal Revenue Code (IRC).

Participant Accounts

Each participant's account is credited with the participant's contributions and Company contributions, and allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of Company contributions, investment income, and administrative expenses are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Investment Options

Participants may direct their contributions into any of the funds offered by the Plan, which are held at Reliance Trust Company (Reliance). These funds include a variety of investment options with various objectives and degrees of financial risk.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their deferral contributions, rollover contributions, Company safe harbor matching contributions, and Company profit sharing contributions, including the earnings on those amounts. Participants are also fully vested upon reaching normal retirement age, death or total disability.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a term of up to 10 years. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. The notes currently bear interest at rates ranging from 4.25% to 6.50%. Participants may only have a maximum number of two loans outstanding at any given time. Generally, principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement, disability, death, or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump-sum or in installments over a number of years, based upon election of the participant or as defined in the Plan or the IRC. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the Plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant. If the participant's balance is between \$1,000 and \$5,000, the Plan administrator may roll the amount into an individual retirement account on behalf of the participant without the consent of the participant.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½. In addition, upon financial hardship, a participant is entitled to the value of his or her deferral accounts, but not the earnings thereon, which is payable immediately in a lump-sum distribution.

Revenue Sharing

The Plan holds assets in a plan expense account which receives deposits as a result of a revenue sharing arrangement with Reliance. During 2021, deposits to the account totaled \$19,165, which are included in other income on the statement of changes in net assets available for benefits (modified cash basis). Funds in the account are used to pay qualified plan expenses. For the year ended December 31, 2021, revenue sharing credits totaling \$10,634 were used to pay plan expenses. The revenue sharing account totaled \$19,069 and \$10,385 at December 31, 2021 and 2020, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, plan contributions are reflected on a cash basis, investment income is recognized when received and disbursements when made. Securities investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets and changes in net assets of the Plan in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income and dividends are recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the cash basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits to participants are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

Subsequent Events

Subsequent events were evaluated through August 5, 2022, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION BY THE INVESTMENT TRUSTEE

Information presented in the accompanying statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, for investments, notes receivable from participants, investment income, other income, and interest income on notes receivable from participants was derived, without audit, from information certified to be complete and accurate by Reliance, the trustee, as permitted by the election made by the Plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 FAIR VALUE MEASUREMENTS

Modified cash basis of accounting establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**INTERNATIONAL PACKAGING CORPORATION
EMPLOYEE SAVINGS AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets valued using the net asset value practical expedient are not required to be reported within the hierarchy.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds: Mutual funds are valued at the quoted price of shares held by the Plan at year-end.

Common and Collective Trusts: The common and collective trust is composed primarily of fully benefit-responsive investment contracts and is valued at the net asset value of the units held of the collective trust. The net asset value is used as a practical expedient to estimate fair value.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021				Total
	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value (a)	
Mutual Funds	\$ 22,392,428	\$ -	\$ -	\$ -	\$ 22,392,428

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

	2020				Investments Measured at Net Asset Value (a)	Total
	Level 1	Level 2	Level 3			
Mutual Funds	\$ 20,022,567	\$ -	\$ -	\$ -	\$ -	\$ 20,022,567

(a) Certain investments that are measured using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits (modified cash basis).

There were no transfers between levels of investments during the years ended December 31, 2021 and 2020.

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Reliance. Reliance is a trustee as defined by the Plan and Empower Retirement, LLC (formerly Mass Mutual Retirement Services, LLC, which was acquired by Empower Retirement, LLC on December 31, 2020), is a third-party administrator, and, therefore, these transactions qualify as party-in-interest transactions. Certain employees of the Company who participate in the Plan perform administrative services to the Plan at no cost to the Plan. Notes receivable from participants are also party-in-interest transactions.

NOTE 6 INCOME TAX STATUS

The Plan has adopted a volume submitter profit sharing plan that received a favorable opinion letter from the IRS that it was in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in MassMutual funds, the funds listed below had soft dollar arrangements during the previous fiscal year-end. For details, please refer to the Portfolio Transactions and Brokerage section of the Statement of Additional Information (“SAI”). For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.

Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator (“you”) in completing the Form 5500 Schedule C¹ by identifying different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2021 - 12/31/2021 and indirect compensation is presented on a calendar year basis ending 12/31/2021.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan’s service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

¹Please refer to the Schedule C of the Form 5500 and its instructions (available at: <http://www.dol.gov/ebsa/5500main.html>), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Important Note: On December 31, 2020, Empower Retirement acquired the retirement business of Massachusetts Mutual Life Insurance Company ("MassMutual"). Following an initial transition period, Empower Retirement will become the sole administrator of this business. If the Plan utilizes an insurance product and the contract was issued by MassMutual, this material is being provided to you by Great-West Life & Annuity Insurance Company, affiliated with Empower Retirement, with respect to Empower Retirement's role as the administrator of this business, on MassMutual's behalf and pursuant to a Power of Attorney granted to Great-West Life & Annuity Insurance Company by MassMutual. If the Plan utilizes an insurance product and the contract was issued by Talcott Resolution Life Insurance Company ("Talcott", formerly named Hartford Life Insurance Company) and formerly administered by MassMutual, this material is being provided to you by Great-West Life & Annuity Insurance Company, affiliated with Empower Retirement, with respect to Empower Retirement's role as the administrator of this business pursuant to a Power of Attorney granted to Great-West Life & Annuity Insurance Company by Talcott. Empower Retirement refers to the products and services offered by Great-West Life & Annuity Insurance Company ("GWLA") and its subsidiaries, including Empower Retirement, LLC. Neither Great-West Life & Annuity Insurance Company nor Empower Retirement is affiliated with MassMutual, Talcott or their respective affiliates.

Important Note: The information in this document is applicable to the plan prior to transitioning recordkeeping platforms.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2021 - 12/31/2021 and indirect compensation is presented on a calendar year basis ending 12/31/2021.

Total Direct Compensation Paid **\$10,754.10**

The total amount identified above reflects all fees deducted from plan assets at the plan administrator's direction for the plan year. Service providers which have received portions of these direct fees are listed below, along with the amount of fees they received. Please note that if there is a discrepancy between the total direct fees reported above and the sum of the direct fees reported below, you should contact your other service providers or your plan records to identify the recipient(s) of the fees and any other information relevant to your Schedule C filing.

Recipient: Great-West Life & Annuity Insurance Company ("GWLA") EIN: 84-0467907

Service Codes: 15, 37, 38, 49, 59, 60, 62, 63, 64, 65, 72, 99, 50 (if direct compensation amount reflected below)

Direct Compensation **\$1,829.10**

The total amount identified above reflects fees deducted from plan assets at the plan administrator's direction for the 2021 plan year for the above named recipient. Please review other service providers, below, to determine whether direct fees were also paid to them. Also, please review your records to determine whether other service providers may have received any compensation not reported below (e.g., a reimbursement paid to any plan fiduciary, your employee benefits counsel, or a plan auditor).

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to MassMutual Retirement Services, LLC ("MMRS") are the net result of aggregating direct compensation after the effects of adjustments processed in 2021, some of which may have pertained to prior years.

Please review the detailed breakdown at the end of the report for further information.

Indirect Compensation

Annual referral fee for Millennium Trust Automatic Rollover service

Service code: 49

Payor: Millennium Trust Company, LLC EIN: 36-4400066

Millennium Trust Company, LLC (MTC) paid Empower a one-time referral fee of (i) \$50 for each participant IRA rollover with a balance of \$10,000 or more, (ii) \$40 for each participant IRA rollover with a balance of \$500 or more but less than \$10,000, and (iii) \$20 for each participant IRA rollover with a balance of \$150 or more but less than \$500.

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. In addition, if applicable to the plan, MassMutual agents may qualify for certain forms of non-monetary compensation as a result of the sale of MassMutual contracts. These forms of non-monetary compensation include health, vision, life and disability coverage; matching contributions to 401(k) plans; cash balance and nonqualified pension plan contributions; participation at MassMutual-sponsored conferences based on recognition; and other non-monetary compensation (meals, entertainment, prizes, awards, gifts). If applicable, each plan in the agent's book of business is allocated compensation based on a pro rata basis using the number of plans representing the agent's book of business as of 12/31/2021. Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual. Please consult with your legal or tax advisors if you have any questions.

The list includes any investment option held by the plan on at least one month end during the 2021 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each fund, multiply the rate of fees received from each fund by your plan's year-end balance (or if the fund was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the fund at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. In addition, if applicable to the plan, MassMutual agents may qualify for certain forms of non-monetary compensation as a result of the sale of MassMutual contracts. These forms of non-monetary compensation include health, vision, life and disability coverage; matching contributions to 401(k) plans; cash balance and nonqualified pension plan contributions; participation at MassMutual-sponsored conferences based on recognition; and other non-monetary compensation (meals, entertainment, prizes, awards, gifts). If applicable, each plan in the agent's book of business is allocated compensation based on a pro rata basis using the number of plans representing the agent's book of business as of 12/31/2021. Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of International Packaging Corporation Employee Savings and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of International Packaging Corporation Employee Savings and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Packaging Corporation Employee Savings and Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Administrator
International Packaging Corporation Employee Savings and Profit Sharing Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Packaging Corporation Employee Savings and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Packaging Corporation Employee Savings and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Basis of Accounting

As discussed in Note 2 to the financial statements, the financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator
International Packaging Corporation Employee Savings and Profit Sharing Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of International Packaging Corporation Employee Savings and Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 28, 2021 included an emphasis-of-matter paragraph describing the financial statements are prepared on the modified cash basis of accounting and indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN

The following description of the International Packaging Corporation Employee Savings and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits for employees of International Packaging Corporation (the Company) who have at least one year of service and have reached the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendment

The Plan was completely amended and restated effective March 1, 2022. All plan provisions under the new plan document remain substantially the same.

Contributions

Participants may contribute a specific percentage of compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). The Company makes a safe harbor matching contribution to eligible participants. The Company contributes 100% of the participant's salary deferral that does not exceed 3% of the participant's compensation plus 50% of the participant's salary deferrals that does not exceed 2% of the participant's compensation. In addition, the Company may make additional profit sharing contributions at the discretion of the Company. The Company did not make any additional profit sharing contribution for the year ended December 31, 2021. All contributions are subject to certain limitations imposed by the Plan and the Internal Revenue Code (IRC).

Participant Accounts

Each participant's account is credited with the participant's contributions and Company contributions, and allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of Company contributions, investment income, and administrative expenses are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Investment Options

Participants may direct their contributions into any of the funds offered by the Plan, which are held at Reliance Trust Company (Reliance). These funds include a variety of investment options with various objectives and degrees of financial risk.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their deferral contributions, rollover contributions, Company safe harbor matching contributions, and Company profit sharing contributions, including the earnings on those amounts. Participants are also fully vested upon reaching normal retirement age, death or total disability.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a term of up to 10 years. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. The notes currently bear interest at rates ranging from 4.25% to 6.50%. Participants may only have a maximum number of two loans outstanding at any given time. Generally, principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement, disability, death, or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump-sum or in installments over a number of years, based upon election of the participant or as defined in the Plan or the IRC. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the Plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant. If the participant's balance is between \$1,000 and \$5,000, the Plan administrator may roll the amount into an individual retirement account on behalf of the participant without the consent of the participant.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½. In addition, upon financial hardship, a participant is entitled to the value of his or her deferral accounts, but not the earnings thereon, which is payable immediately in a lump-sum distribution.

Revenue Sharing

The Plan holds assets in a plan expense account which receives deposits as a result of a revenue sharing arrangement with Reliance. During 2021, deposits to the account totaled \$19,165, which are included in other income on the statement of changes in net assets available for benefits (modified cash basis). Funds in the account are used to pay qualified plan expenses. For the year ended December 31, 2021, revenue sharing credits totaling \$10,634 were used to pay plan expenses. The revenue sharing account totaled \$19,069 and \$10,385 at December 31, 2021 and 2020, respectively.

EMPLOYEE SAVINGS AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, plan contributions are reflected on a cash basis, investment income is recognized when received and disbursements when made. Securities investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets and changes in net assets of the Plan in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income and dividends are recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the cash basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits to participants are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

**INTERNATIONAL PACKAGING CORPORATION
EMPLOYEE SAVINGS AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

Subsequent Events

Subsequent events were evaluated through August 5, 2022, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION BY THE INVESTMENT TRUSTEE

Information presented in the accompanying statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, for investments, notes receivable from participants, investment income, other income, and interest income on notes receivable from participants was derived, without audit, from information certified to be complete and accurate by Reliance, the trustee, as permitted by the election made by the Plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 FAIR VALUE MEASUREMENTS

Modified cash basis of accounting establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**INTERNATIONAL PACKAGING CORPORATION
EMPLOYEE SAVINGS AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets valued using the net asset value practical expedient are not required to be reported within the hierarchy.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds: Mutual funds are valued at the quoted price of shares held by the Plan at year-end.

Common and Collective Trusts: The common and collective trust is composed primarily of fully benefit-responsive investment contracts and is valued at the net asset value of the units held of the collective trust. The net asset value is used as a practical expedient to estimate fair value.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021				Total
	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value (a)	
Mutual Funds	\$ 22,392,428	\$ -	\$ -	\$ -	\$ 22,392,428
Common and Collective Trust	-	-	-	2,218,157	2,218,157
Total Investments at Fair Value	<u>\$ 22,392,428</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,218,157</u>	<u>\$ 24,610,585</u>

**INTERNATIONAL PACKAGING CORPORATION
EMPLOYEE SAVINGS AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

	2020				
	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value (a)	Total
Mutual Funds	\$ 20,022,567	\$ -	\$ -	\$ -	\$ 20,022,567
Common and Collective Trust	-	-	-	4,051,578	4,051,578
Total Investments at Fair Value	<u>\$ 20,022,567</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,051,578</u>	<u>\$ 24,074,145</u>

(a) Certain investments that are measured using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits (modified cash basis).

There were no transfers between levels of investments during the years ended December 31, 2021 and 2020.

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Reliance. Reliance is a trustee as defined by the Plan and Empower Retirement, LLC (formerly Mass Mutual Retirement Services, LLC, which was acquired by Empower Retirement, LLC on December 31, 2020), is a third-party administrator, and, therefore, these transactions qualify as party-in-interest transactions. Certain employees of the Company who participate in the Plan perform administrative services to the Plan at no cost to the Plan. Notes receivable from participants are also party-in-interest transactions.

NOTE 6 INCOME TAX STATUS

The Plan has adopted a volume submitter profit sharing plan that received a favorable opinion letter from the IRS that it was in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
