Builders Mutual Insurance Company 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Builders Mutual Insurance Company 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes at end of year and reportable transactions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to the Financial Statements

Years ended December 31, 2021 and 2020

Note A - Description of Plan

General

The following description of the Builders Mutual Insurance Company 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all eligible employees of Builders Mutual Insurance Company (the Plan Sponsor). The Plan Sponsor is a mutual insurance company domiciled in the State of North Carolina with operations primarily located in the Southeastern United States. Prior to April 1, 2014, employees of the Plan Sponsor were eligible to begin participating in the Plan on the first of the Plan-year quarter after they had completed six months of service. Effective April 1, 2014, employees of the Plan Sponsor were eligible to begin participating in the Plan on the first of the month after they have completed three months of service.

The Plan permits eligible employees to make Roth (after-tax) deferrals to the Plan. Participants may select between pre-tax and Roth deferrals or elect a split between both deferral types. The Plan was established on January 1, 1997. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan Sponsor also serves as the Plan administrator. Effective March 1, 2021, Ascensus is the Plan's trustee. Prior to Ascensus, Truist Bank (formerly BB&T) was the Plan's trustee. Pursuant to an agreement, Ascensus also provides specified regulatory and administrative services to the Plan.

Contributions

Plan participants may contribute a portion of their compensation each Plan year, subject to certain limitations established by law. The Plan provides for safe harbor matching contributions, referred to as enhanced matching contributions, equal to 100% of employee salary deferrals that do not exceed 5% of compensation. In addition to the employees' salary deferrals, rollovers and any enhanced matching contributions, the Plan Sponsor may make the following discretionary contributions to the Plan: 1) matching contributions, 2) profit sharing contributions, 3) qualified non-elective contributions (QNEC). Generally, profit sharing and QNEC contributions are allocated to each participant in proportion to the participant's compensation as compared to the total compensation of all participants eligible to share.

401k Retirement Plan

Notes to the Financial Statements (Continued)

Note A - Description of Plan (continued)

For plan years 2021 and 2020, the Plan Sponsor contributed to the Plan as follows:

	<u>2021</u>	<u>2020</u>
Enhanced Matching Contributions:	Up to 5% of compensation	Up to 5% of compensation
Discretionary Matching:	None	None
Profit Sharing:	3.25% of compensation	3.25% of compensation
QNEC:	None	None

Investment of assets

Participants direct their contributions and the Plan Sponsor's contributions to one or more investment options, provided by the Plan, in 1% increments. Participant accounts are segregated for the purpose of determining gains and losses on the investments.

Vesting

Participants are 100% vested in their own salary deferrals, enhanced matching contributions, rollovers, qualified profit sharing contributions and QNECs. Vesting in Plan Sponsor contributions and actual earnings thereon is based on years of service, and participants are fully vested after six years in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Interest</u>
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures of non-vested participant accounts may be used to reduce the Plan Sponsor's enhanced matching contribution or discretionary contribution. As of December 31, 2021 and 2020, unapplied forfeited nonvested accounts totaled \$5 and \$507, respectively. There were no reductions in qualified profit sharing contributions from forfeited nonvested accounts during the years ended December 31, 2021 and 2020. The Plan did not use any forfeited amounts to reduce Plan Sponsor enhanced matching contributions in 2021 and 2020.

Payment of benefits

Employee contributions and Plan Sponsor matching contributions are available for distribution to participants upon death, disability, termination of employment or attainment of age 59½. Additionally, hardship withdrawals are permitted by the Plan, provided certain conditions are met. At December 31, 2021 and 2020, no benefit distributions had been requested by Plan participants but not yet paid.

Note A - Description of Plan (continued)

Notes receivable from participants

Plan participants are allowed to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loan repayment terms may not exceed five years and a participant can have no more than one loan outstanding from the Plan at any time. The loans are secured by the balance in the participant's account and bear interest at the prime rate published on the date of the loan application, plus two percent. Principal and interest payments are withheld from participant wages through semi-monthly after-tax payroll deductions.

Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan agreement to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to participant accounts become 100% vested.

Plan updates

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan document. The Plan has adopted certain measures included in the CARES Act which allows qualified participants to receive coronavirus-related distributions without penalty and delay repayments of any new or outstanding loans for up to one year.

Note B - Significant Accounting Principles

Basis of accounting and use of estimates

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements, disclosures of contingent assets and liabilities and the reported net changes in net assets available for benefits during the reporting periods. Actual results could differ from those estimates.

Builders Mutual Insurance Company
401k Retirement Plan

Notes to the Financial Statements (Continued)

Note B - Significant Accounting Principles (continued)

Investment valuation and income recognition

Investments are stated at fair value. Current accounting guidance establishes a three-level hierarchy, which prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets (Level 1), the next priority to quoted prices for identical assets in inactive markets or similar assets in active markets (Level 2) and the lowest priority to unobservable inputs (Level 3).

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's investments in shares of mutual funds are valued at readily determinable quoted market prices, which represent the net asset value of shares held by the Plan at year end.

The Plan's interest in the Federated Capital Preservation Fund (the Fund), a common collective trust, is represented by units. The fair value of investment in the Fund is based on the net asset value of shares held by the Plan at year end, which is used as a practical expedient to estimate fair value. The net asset value is determined by dividing the Fund's net assets at fair value by its units outstanding at each valuation date. In accordance with the terms of the Fund, the net asset value of the Fund is determined daily and there is no redemption notice period for participants. The Plan may make withdrawals from the Fund for other purposes generally only upon 12 months' advance written notice to the trustee. The Plan's interest in the Fund is valued based on information reported by the investment advisor using the audited financial statements of the Fund at December 31, 2021 and 2020. The Plan has no unfunded commitments to the Fund at December 31, 2021 and 2020.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized change in fair value of Plan investments on the statements of changes in net assets available for benefits consists of the Plan's gains and losses on investments purchased and sold as well as held during the year.

Subsequent events

The Plan evaluated subsequent events through July 29, 2022, the date on which these financial statements were available to be issued, and considered any relevant matters in the preparation of the financial statements and note disclosures.

Builders Mutual Insurance Company
401k Retirement Plan

Notes to the Financial Statements (Continued)

Note C - Income Tax Status

The Plan is a prototype plan for which the Internal Revenue Service (IRS) issued a determination letter as to the acceptability of the form of the prototype plan under the Internal Revenue Code (IRC). The Plan is relying on that determination and has not applied for a separate determination letter. Accordingly, no provision for income taxes has been included in the Plan's financial statements. Although the Plan has been amended since its formation, the Plan Sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan Sponsor analyzed the tax positions taken by the Plan and concluded that as of December 31, 2021 and 2020 no uncertain positions were taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. No tax planning strategies were used in 2021 and 2020.

Note D - Information Certified by Plan Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained or derived from information supplied to the Plan Sponsor and certified as complete and accurate by Truist through February 28, 2021 and Ascensus March 1, 2021 - December 31, 2021.

Note E - Investments

The following table shows how the Plan's investments are categorized in accordance with the fair value hierarchy as of December 31, 2021 and 2020.

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

Notes to the Financial Statements (Continued)

Note E - Investments (continued)

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note F - Transactions with Parties-in-interest

Certain fees are paid by the Plan that qualify as party-in-interest transactions. Fees paid by the Plan to Ascensus, Truist, Resources Investment Advisors and NextCapital Group, Inc. for services provided amounted to \$11,310 during the year ended December 31, 2021. Fees paid by the Plan to Truist for services provided amounted to \$8,913 for the year ended December 31, 2020. Resources Investment Advisors and NextCapital Group, Inc. provided investment advisory services to the Plan during 2021. Other investment related expenses are included in net appreciation of fair value of investments.

Certain administrative functions related to the Plan are performed by employees of the Plan Sponsor. Neither the Plan Sponsor nor the employees receive compensation from the Plan for these services. Additionally, certain expenses of the Plan, primarily audit, trustee, record keeping and regulatory compliance fees, are paid directly by the Plan Sponsor.

Note G - Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The ongoing COVID-19 coronavirus pandemic (COVID-19) continues to have a global impact creating uncertainty, volatility, and disruption across economies and financial markets. The Plan's operational and financial performance will depend on certain developments, including the duration and spread of COVID-19 and its impact on the Plan and its Sponsor, participants and vendors. As such, COVID-19 could have a material adverse effect on the Plan's financial position in the future. The ultimate duration and impact of the COVID-19 outbreak on the Plan's financial position cannot be reasonably estimated at this time.
