Manhattan, Kansas

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements

We have performed an audit of the financial statements of AIB International, Inc. Profit Sharing/401(k) Plan And Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 and 4 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of AIB International, Inc. Profit Sharing/401(k) Plan And Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AIB International, Inc. Profit Sharing/401(k) Plan And Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AIB International, Inc. Profit Sharing/401(k) Plan And Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AIB International, Inc. Profit Sharing/401(k) Plan And Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of AIB International, Inc. Profit Sharing/401(k) Plan And Trust as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report, dated July 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING/401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 And 2020

1. Description Of The Plan

The following description of the AIB International, Inc. Profit Sharing/401(k) Plan And Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by AIB International, Inc. (the Company or Plan Sponsor) for its employees. The Plan became effective on January 1, 1997 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was restated effective July 1, 2016. Employees remained eligible to voluntarily participate in the 401(k) salary deferral immediately upon hire. Employees who have completed 60 days of service are eligible to participate in the safe harbor 401(k) contribution, employer match contribution, and discretionary profit sharing contribution elements of the Plan. Employees begin participation as of the first day of each Plan year quarter following the completion of the service requirements.

Contributions

Participants may defer the maximum compensation permissible under the Internal Revenue Code (the IRC). Salary deferral contributions can be made as either pre-tax or Roth (after-tax) contributions. Effective January 1, 2019, participants are subjected to the Plan's automatic enrollment provision. If a participant does not want to be automatically enrolled in the Plan at 2% of eligible compensation, the participant must complete a contrary salary reduction agreement. Participants may also contribute amounts representing distributions from other qualified defined contribution and defined benefit plans (rollover).

The Plan includes 401(k) safe harbor provisions. Under these provisions, the Company makes required contributions equal to 3% of eligible compensation for each eligible employee. The safe harbor contribution for 2021 and 2020 was \$301,184 and \$296,156, respectively.

AIB INTERNATIONAL, INC.
PROFIT SHARING/401(k) PLAN AND TRUST

Notes To Financial Statements (*Continued*)

The Plan also includes an employer match provision, whereby the Company matches 100% of the 401(k) salary deferral up to a maximum of 2% of eligible compensation. The Company match contribution for 2021 and 2020 was \$172,228 and \$145,169, respectively. The employer match was suspended from May 1, 2020 through June 30, 2020 and was reinstated on July 1, 2020.

The Plan also provides discretionary profit sharing contributions based upon annual determinations by the Company. The Company made discretionary profit sharing contributions of \$313,390 and \$277,054 for 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions and an allocation of the Plan's earnings and losses. The allocation of earnings and losses is determined by the earnings and losses of the participant's investment selection based on each participant's account balance and the investments selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct their deferrals, rollover and employer contributions into various investment options maintained by Great-West Trust Company, LLC.

Vesting

Participants are immediately vested in their deferrals, rollover contributions plus actual earnings thereon, employer matching contributions and safe harbor contributions. Vesting in the remainder of their account is based on years of service. A participant becomes 20% vested after two years of credited service, increasing 40% each year until 100% vested after four years of credited service or upon normal retirement age, death or total and permanent disability.

Forfeitures

Forfeitures of nonvested participant balances are used to reduce any Company contributions. Forfeitures, which were used to reduce Company contributions for the years ended December 31, 2021 and 2020 were \$12,206 and \$15,151, respectively. At December 31, 2021 and 2020, available forfeited nonvested accounts totaled \$3 and \$31, respectively.

AIB INTERNATIONAL, INC.
PROFIT SHARING/401(k) PLAN AND TRUST

Notes To Financial Statements (*Continued*)

Notes Receivable From Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000. Loans are for a period not exceeding five years unless used to acquire a personal residence and bear interest at a reasonable fixed rate of interest based on prevailing market rates. Loans are secured by participants' vested account balances. The loans are repaid in semi-monthly payments, through payroll withholdings, including principal and interest at rates ranging from 5.25% to 7.50%. The final installments are due on various dates through October 2026. Participants may only have one outstanding loan at a time.

Pursuant to the Coronavirus Aid, Relief, and Economic Security (CARES) Act enacted in March 2020, Plan participants could request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020. If a delay was granted, the participant note was reamortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. In addition, the limit on notes receivable was increased to \$100,000 or 100% of the participant's vested account balance. The increased loan limit was available for 180 days after the enactment of the CARES Act.

Payment Of Benefits

Upon termination of service due to death, disability, retirement or other termination of employment, a participant may elect to receive their vested benefit in a lump sum. Active participants who reach age 59-1/2 may withdraw all or part of their vested accounts.

Hardship Withdrawals

The Plan provides for in-service hardship withdrawals from a participant's account for immediate financial needs, as defined by the Plan Document, subject to certain limitations.

The Plan also permits participants to request up to \$100,000 in coronavirus related distributions, with repayment terms of up to three years, in accordance with the CARES Act. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

Administrative Expenses

Loan, investment, and other transaction fees are paid by the Plan participants. The Company pays remaining fees and administrative expenses.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date.

Net change in fair value of investments represents the difference between the aggregate fair value of investments at year end and the values at the beginning of the year and includes any realized gains and losses in securities that were bought and sold during the year.

Purchases and sales of securities are recorded on a trade-date basis.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

Notes To Financial Statements (*Continued*)

3. Certified Financial Information

Certain information related to investments held and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net change in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Great-West Trust Company, LLC, the Trustee.

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standards are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

AIB INTERNATIONAL, INC.
PROFIT SHARING/401(k) PLAN AND TRUST

Notes To Financial Statements (*Continued*)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts

Valued at the unit value or NAV of shares held by the Plan at year-end. The NAV, as provided by the trustee of the fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. All of the underlying investments held by the Plan may be redeemed daily. The common/collective trusts held by the Plan are not required to be reported in the fair value hierarchy. All of the common/collective trusts held by the Plan file an annual report on Form 5500 as a direct filing entity. The common/collective trusts have no unfunded capital commitments.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

AIB INTERNATIONAL, INC.
PROFIT SHARING/401(k) PLAN AND TRUST

Notes To Financial Statements (*Continued*)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,806,037	\$ —	\$ —	\$ 7,806,037
Common/collective trusts measured at net asset value {a}				15,377,023
Total investments at fair value				\$ 23,183,060

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,525,471	\$ —	\$ —	\$ 6,525,471
Common/collective trusts measured at net asset value {a}				14,919,244
Total investments at fair value				\$ 21,444,715

{a} Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

There have been no changes in the methodologies used at December 31, 2021 or 2020.

5. Party In Interest Transactions

Certain employees have outstanding loans with the Plan as of December 31, 2021 and 2020. These loans are considered party in interest transactions allowable under ERISA.

The Plan holds an interest in the Putnam Stable Value Fund, which is managed by an affiliate of Great West Trust Company, LLC. This transaction is considered a party in interest transaction allowable under ERISA.

AIB INTERNATIONAL, INC.
PROFIT SHARING/401(k) PLAN AND TRUST

Notes To Financial Statements (*Continued*)

6. Risks And Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Income Tax Status

The Plan used a prototype plan document sponsored by Great-West Trust Company, LLC through June 13, 2021. Great-West Trust Company, LLC received an opinion letter from the IRS, dated March 31, 2014, which stated that the prototype document satisfied the applicable provisions of the IRC. Effective June 14, 2021, the Plan was restated and uses a pre-approved plan document sponsored by Great-West Trust Company, LLC. Great-West Trust Company, LLC, received an opinion letter from the IRS, dated June 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the IRS. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
