INDEPENDENT AUDITOR'S REPORT

To the Administrator of the
Sun Realty of Nags Head, Inc. 401(k) Profit Sharing Plan
Kill Devil Hills, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the financial statements of Sun Realty of Nags Head, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sun Realty of Nags Head, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect managements' responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions events, considered in the aggregate, that raise substantial doubt about Sun Realty of Nags Head, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for the period through August 15, 2023.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will also detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards (GAAS), we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain and understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sun Realty of Nags Head, Inc 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITOR'S REPORT (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sun Realty of Nags Head, Inc. 401(k) Profit Sharing Plans' ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

The supplemental schedule H, Line 4i - Schedule of Assets (Held at the End of the Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements, the information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than information agreed to or derived from the certified investment information, including their form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Sun Realty of Nags Head, Inc. 401(k) and Profit-Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

General:

The Plan is a defined-contribution Plan covering all employees of Sun Realty of Nags Head and Breaux Vineyards (The "Companies") who have completed twelve months of service, 1,000 hours and are 21 years of age. It is subject to the provisions of the Employee Retirement Income Security Act ("ERISA").

Contributions:

The Companies voluntarily makes 401(k) matching contributions to the Plan as determined by the Board of Directors, subject to certain IRS limitations. Companies' 401(k) contributions are allocated to participant accounts on the basis of each participant's compensation in proportion to the total compensation of all participants.

Each year, participants may contribute 1% to 90% of their annual pretax compensation or Roth after tax compensation, as defined in the Plan, up to statutory limits. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Companies may make discretionary matching and profit-sharing contributions which are allocated based on a percentage of the participant's contribution or compensation.

Participants may also contribute amounts representing rollover distributions from other defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the plan.

Participant accounts:

Each participant's account is credited with the participant's contribution and an allocation of (a) the Companies' contribution and (b) plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are fully vested in their contributions plus actual earnings thereon. Vesting in the Companies' matching contribution portion of their accounts plus actual earnings thereon are vested over a graded six-year period.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in installments based on life expectancy. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued):**Forfeited Accounts:**

Forfeited non-vested accounts are used to reduce future employer contributions and administrative expenses.

Participants can direct employee contributions into any of these investment fund options at ADP Retirement Services held by Reliance Trust Companies Held Mutual Funds and common trusts: Invesco Stable Asset Fund, Pioneer Bond Fund, PIMCO Income Fund, BlackRock High Yield Bond, AB Global Bond Fund, T. Rowe Price Retirement Funds: 2005, 2010, 2015 2021, 2025, 2030, 2035, 2040, 2045, 2050, 2055 and 2060, BlackRock Global Allocation Fund, Invesco Equity and income Fund, Pioneer Equity Income Fund, State Street S&P Index, Franklin Growth Fund, Victory Sycamore Established Value Fund, State Street S&P MidCap Index, Carillon Eagle Mid Cap Growth Fund, Victory Integrity Small-Cap Value Fund, State Street Russell Small Cap Index, Carillon Eagle Small Cap Growth Fund, Templeton Foreign Fund, State Street Intl Index, Oppenheimer Intern Diversified, Oppenheimer Global Fund and Ivey Emerging Markets Equity Fund.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the rate of U.S. Prime plus 2%, which is commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions. (See note 10)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles of the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Registered Investment Companies:

The Plan's investments in registered investment companies (mutual funds) are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. The Plan's investments are subject to various market fluctuations which include changes in equity markets, interest rates and general economic conditions.

Income Recognition:

Purchases and sales of the underlying funds' securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Basis of Accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

Payment of Benefits:

Benefits payments to participants are recorded upon distribution.

Operating Expenses:

Plan expenses of maintaining the plan are paid by the plan and plan sponsor. Expenses that are paid by the plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments

Excess Contributions Payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan is reduced and a benefit payment is recorded (See note 10).

NOTE 3 - FEDERAL INCOME TAX STATUS:

The Internal Revenue Service has determined to the Companies that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determinations letter, the Plan's administrator and the plans tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is not subject to income tax examinations in years earlier than set forth by statutory limits.

NOTE 4 - COMPLIANCE TESTING:

For the years ended December 31, 2021 and 2020, the Plan passed the Actual Deferral Percentage (ADP) testing.

NOTE 5 - RELATED PARTY TRANSACTIONS:

During the year ended December 31, 2021 and 2020, certain Plan assets were maintained in investment companies managed by Reliance Trust Companies, State Street and ADP Retirement Services. ADP Retirement Services is the trustee for the Plan and is responsible for the investment of and accounting for Plan assets. Accordingly, these transactions qualify as party-in-interest. Fees paid by the Plan to the trustees for transaction and administrative charges for the years ended December 31, 2021 and 2020 amounted to \$1,821 and \$2,300, respectively.

NOTE 6 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - TRUSTEES' CERTIFICATION:

Reliance Trust Companies, the Plan's trustee, holds the Plan's invested assets and executes investment transactions. As stated in the auditor's report, auditing procedures were not performed on certain information certified by Reliance Trust Companies as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This information is as follows:

- Valuations of investment assets and Net Assets available for benefits
- Participants' individual account valuations
- Investment transactions and Changes in net assets available for benefits
- Investment income and allocation to participants
- Schedule of assets held for investment purposes
- Schedule of reportable transactions

- Participants' loan transactions

NOTE 8 - SUBSEQUENT EVENTS:

Date of Management Evaluation

Management has evaluated subsequent events through August 15, 2022, the date on which the financial statements were available to be issued.

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions. Other financial impact could occur, though such potential impact is unknown at this time.

NOTE 9 - FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Common stocks, corporate bonds and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds & Pooled Separate Accounts: Valued at the net asset value (NAV) of shared held by the plan at year end for Mutual Funds and Net Units Value for Pooled Separate Accounts.

Participant loans: Valued at amortized costs, which approximates fair value.

Guaranteed investment contract: Valued fair value by the insurance Companies by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

NOTE 9 - FAIR VALUE MEASUREMENTS (Continued):

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's investments at fair values as of December 31, 2021 and 2020:

	<u>Investments at Fair Value as of December 31, 2021:</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds, MM & Common Trusts	\$ -	\$1,876,428	\$ -	\$1,876,428

	<u>Investments at Fair Value as of December 31, 2020:</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds, MM & Common Trusts	\$ -	\$1,533,795	\$ -	\$ 1,533,795

NOTE 10 - CARES ACT

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. As permitted by the CARES Act, the Plan opted in to implement the following provisions:

- Through December 31, 2020, qualified individuals were permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution is not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.
- Required minimum distributions for calendar year 2020 were waived for retired and retirement-aged individual.
- For participants who meet the coronavirus eligibility requirements, the Act offers a one-year suspension of outstanding loan payments due from March 27, 2020 to December 31, 2020. The Act also provides for delayed repayment options for new coronavirus-related loans taken prior to September 23, 2020. Subsequent payments will be adjusted to reflect such delay in due dates and the delay will be disregarded for purposes of determining the 60-month maximum repayment period.

NOTE 11 - PLAN TERMINATION:

Although it has not expressed any intention to do so, the Companies has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination, participants would become 100 percent vested in their employer contributions.
