INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
CTL Global, Inc. 401(k) Plan
Northlake, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of CTL Global, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of CTL Global, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CTL Global, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) – Modified Cash Basis as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020****DESCRIPTION OF PLAN**

The following description of the CTL Global, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The company covered by the Plan is CTL Global, Inc., referred to herein as employer.

The Plan is a defined contribution plan covering substantially all employees who must be the age of 21, and completed at least 1,000 hours of service during the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is pursuant to Section 401(k) of the Internal Revenue Code, and provides for the following contributions, which are to be maintained in separate accounts for each participant:

- (a) Salary Deferral Contributions – a participant may elect to, on a pre-tax basis, an after-tax basis, or a combination of the two, defer and contribute to the Plan each year amounts not to exceed the lesser of 85 percent of compensation, as defined, or \$19,500 (\$26,000 for participants over the age of 50), adjusted periodically for cost of living increases. The Plan has an automatic deferral enrollment feature at a deferral contribution rate of 3%. The automatic deferral percentage will automatically increase by 1% per year until it reaches 6% of compensation.
- (b) Employer Matching Contributions – to be made at the discretion of the Company. For 2021, the Company determined the match at an amount equal to 25% of the first 6% of the participant's deferral.
- (c) Employer Discretionary Contributions – to be made at the discretion of the Company. These contributions are allocated based on the proportion that the total compensation, as defined, of each participant bears to the total compensation of all participants. There was no employer discretionary contribution for the year ended December 31, 2021.
- (d) Rollover and Transfer Contributions - to be made by the employee from amounts distributed or transferred from other qualified plans. There were no rollover contributions for the year ended December 31, 2021.

Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options daily.

Participant Accounts: Each participant's account is credited with the participant's elective contribution and Company matching contributions, as well as allocation of the Company's discretionary contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the participant's vested interest in the Plan as of the date of the loan application, subject to reduction due to previous 12-month highest loan balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% over the prime rate. Loan terms range from 1 - 5 years. All repayments are made through payroll deductions. The interest rates ranged from 4.25% to 6.50% at December 31, 2021. Loan payments in advance of their scheduled due dates, are permitted.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits: Payments of benefits are made to participants or their beneficiaries upon death, retirement, disability or, at the option of the employee, termination of employment. Benefits are payable in a lump sum or by other methods as described in the Plan agreement. The Plan also permits hardship withdrawals and in service withdrawals after age 59 1/2 from a participant's deferral contribution account.

Administrative Expenses: All Plan expenses, including without limitation, expenses and fees of the plan sponsor, administrator, investment manager, trustee and any insurance company shall be charged as expenses of the Plan unless the employer chooses to pay such expenses. The Plan pays substantially all administrative expenses of the Plan. In addition, transaction-based fees are deducted from participant accounts. Investment fees are generally charged to participant accounts as a percentage of assets invested and are deducted directly from investment returns.

Vesting: Participants are immediately vested in their Salary Deferral Contributions, Rollover, and Transfer Contributions. Vesting of Employer Matching Contributions plus actual earnings thereon for each participant is based on years of service, beginning with 20% after completing one year of service, increasing 20% each year of service until 100%. The participant is fully vested after the completion of five years of service.

Forfeited Accounts: Forfeitures of the non-vested portion of participants' accounts resulting from termination of employment before full vesting may be, 1) used to pay Plan expenses, or 2) used to reduce the Company's future contributions. For the year ended December 31, 2021, \$1,500 in forfeitures were used to reduce Plan expenses. At December 31, 2021, forfeited non-vested accounts totaled \$3,949.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements are prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this method, contributions and interest and dividend income are recorded when cash is received by the Plan and benefits and administrative expenses are recorded when cash is disbursed from the Plan.

Use of Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer the liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: The Plan classifies participant loans as notes receivable from participants. The receivables are measured at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, which approximates amortized cost. Repayments of principal and interest are received through payroll deductions.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants (Continued): Notes receivable are reported as taxable income to the participant upon default, where the taxable amount is equal to the outstanding loan balance plus accrued interest through the date of default. Defaulted notes receivable are included in notes receivable from participants until the participant has a distributable event and the loan balance is offset against other benefits.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Recordkeeping and investment advisory fees are paid by the Plan. Certain administrative expenses are paid by the Company.

Subsequent Events: Management has evaluated subsequent events through July 21, 2022, the date the financial statements were available to be issued.

FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liabilities.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Registered investment companies (mutual funds): Valued at the daily closing process as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value funds: Valued at the total Net Asset Value ("NAV") utilized as a practical expedient of underlying investments held by the trust at year-end.

FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair hierarchy, the Plan's assets at fair value as of December 31, 2020. Classification within the fair hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020****INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN OF THE PLAN**

All investment, note receivable and investment income information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as being complete and accurate by Empower and Great-West Trust Company, the custodians.

PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Great-West Trust Company ("Empower Retirement"), the Plan custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the plan custodian for the year ended December 31, 2021 was \$22,507. Certain administrative expenses incurred by the Plan are paid by the Company. Additionally, certain employees of the Company provide various services to the Plan. These employees are not compensated for these services from the Plan.

PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has a right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, for Great West Trust Company, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC") and is, therefore, not subject to tax under the present tax laws. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
