## Independent Auditor's Report

Retirement and Investment Committee  
and Audit Committee  
Hawthorn Bancshares, Inc.  
Profit Sharing 401(k) Plan  
Jefferson City, Missouri

### **Opinion**

We have audited the financial statements of Hawthorn Bancshares, Inc. Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements  
Years Ended December 31, 2021 and 2020

**(1) Description of the Plan**

The following description of the Hawthorn Bancshares, Inc. Profit Sharing 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan’s provisions, which are available from the Plan Administrator.

***General***

The Plan is a defined contribution plan sponsored by Hawthorn Bancshares, Inc. and its subsidiaries (collectively the “Company”) for the benefit of the employees of the Company who have at least 90 days of service and are age 21 or older. An eligible employee becomes a participant in the Plan on the first day of each quarter of the Plan year. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Capital Bank and Trust Company is the trustee of the Plan.

***Contributions***

The Company profit-sharing contributions are discretionary as determined by the Company’s Board of Directors. All employer contributions are allocated to a participant’s account based on that participant’s compensation compared to the total compensation of all eligible participants. In addition, the Company matches the participant’s salary deferral into the plan dollar for dollar up to 3 percent of the participant’s annual salary. All contributions are made conditioned upon their deductibility for federal income tax purposes.

Participants have the option to make voluntary contributions to the Plan up to the annual limit set by the Internal Revenue Service (IRS).

***Participant Investment Account Options***

Investment account options available include various mutual funds and common stock of the Company. Each participant has the option of directing his/her contributions into any of the separate investment accounts and may change the allocation daily.

The Plan Document also includes an automatic deferral feature whereby a participant is treated as electing to defer a certain percentage of eligible compensation unless the participant made an affirmative election otherwise. The automatic deferral feature also provides for an annual increase in percentage deferral and is ultimately capped at 3 percent of eligible compensation.

***Participant Accounts***

Each participant’s account is credited with the participant’s contribution, the Company’s contribution, plan earnings and forfeitures of terminated participants’ nonvested accounts. Allocations are based on participant earnings. The benefits to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

***Vesting***

Participant contributions and earnings thereon are 100 percent vested at all times. Employer contributions and earnings thereon vest according to the following schedule:

| <u>Length of Service</u> | <u>Percent Vested</u> |
|--------------------------|-----------------------|
| After 1 Year             | 0%                    |
| After 2 Years            | 20%                   |
| After 3 Years            | 40%                   |
| After 4 Years            | 60%                   |
| After 5 Years            | 100%                  |

***Forfeited accounts***

At the time a participant terminates his/her employment, the nonvested portion of the employer contribution account is forfeited and allocated to eligible participants on a pro rata allocation method. At December 31, 2021 and 2020, plan assets include \$67,083 and \$41,248, respectively, of forfeitures to be allocated to eligible participants on a pro rata allocation method.

***Payment of Benefits***

Under the terms of the Plan, participants are entitled to receive the amount credited to their accounts upon normal retirement at the age of 65 or disability retirement. Participants terminating employment prior to retirement are entitled to receive that portion of their account that is vested. In the event of death, the participant's account becomes fully vested and the balance is paid to the designated beneficiary. Distributions under the Plan are payable in a lump sum or through installments.

**(2) Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting except for benefits, which are recorded upon distribution, and present the net assets available for plan benefits and changes in those net assets.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices, if available, are used to value investments. Mutual funds are valued at net asset value (NAV) of shares held by the Plan at year end. See Note 3 for discussion of fair value measurements.

Investment transactions are accounted for on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Payment of Benefits***

Benefits payments are recorded to participants upon distribution.

***Administrative Expenses***

The administrative expenses of the Plan are paid by the Company.

***Subsequent Events***

Subsequent events have been evaluated through August 12, 2022, which is the date the financial statements were issued.

**(3) Fair Value of Plan Assets**

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.

**Level 2** Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

**Mutual funds:** Shares held in mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and transact at that price. The mutual funds held by the plan are deemed to be actively traded.

**(4) Party-in-interest Transactions**

The Plan held an investment of 384,271 and 370,989 shares of common stock of the Company with a fair value of \$9.9 million and \$8.1 million at December 31, 2021 and 2020, respectively, and received dividends of \$206,438 and \$182,327 on such shares during 2021 and 2020, respectively. These investments are considered allowable party-in-interest transactions under ERISA guidelines.

Certain Plan investments are shares of mutual funds in The American Funds Group of mutual funds selected by the Company's retirement committee and managed by the participants. The Capital Group Companies, Inc. consists of investment management divisions and subsidiaries including Capital Bank and Trust Company and American Funds Service Company. Capital Bank and Trust Company is the trustee as defined by the Plan and, therefore, transactions purchased through American funds qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

**(5) Tax Status**

The IRS issued its latest determination letter on March 3, 2006, which stated that the Plan and its underlying trust qualify under the applicable provisions of the Internal Revenue Code and, therefore, are exempt from federal income taxes. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date. With a few exceptions, the Plan is no longer subject to U.S. federal tax examinations for years before 2018.

Notes to Financial Statements  
Years Ended December 31, 2021 and 2020

**(6) Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provision of ERISA. In such an event, the participants' accounts become fully vested and are not subject to forfeiture.

**(7) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.
