INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
the Franklin Equipment, LLC Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Franklin Equipment, LLC Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 10, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2021 through December 10, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Franklin Equipment, LLC Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended December 10, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Franklin Equipment, LLC Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Franklin Equipment, LLC Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Franklin Equipment, LLC Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Franklin Equipment, LLC Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express and opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Franklin Equipment, LLC Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document and Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2004, as a defined contribution plan covering all employees of Franklin Equipment, LLC (Plan Sponsor) who have three months of service and are age eighteen or older. Eligible employees may enter the Plan on the first day of each Plan quarter following the date employees satisfy the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan adopted certain optional provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020. The provisions were adopted on March 31, 2020 and included coronavirus-related distributions, coronavirus-related loans, suspended loan payments, increased loan limits and waivers or required minimum distributions for impacted participants.

On April 14, 2021, the Plan Sponsor was sold to United Rentals (North America), Inc. Effective May 15, 2021 the Plan was frozen to new assets (except for continued loan repayments that have been processing since this date) pending merger into the United Rentals 401(k) Investment Plan (the "UR Plan"). Starting December 2, 2021 a blackout period began, during the blackout period account activities otherwise available under the Plan were paused.

Contributions

Participants may contribute up to 90% of eligible compensation, as defined in the Plan, subject to certain limitations established by law as pre-tax or Roth contributions. Participants may elect to change contribution levels at any time. Participants who have attained age 50 can make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Employer may make a discretionary matching contribution and a discretionary profit sharing contribution to the Plan each year which will be allocated in accordance with the plan document. For the period ended December 10, 2021, there were discretionary matching contributions of 50% of the participants' contributions up to 6% of the participants' total compensation deferred for the period from January 1, 2021 through May 15, 2021, when the plan was frozen to new assets. There were no discretionary profit sharing contributions made in 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contributions. Participant's accounts may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, compensation or account balances, as defined. The Plan's investments are participant-directed and allocations of plan earnings are based upon the performance of the investment funds chosen by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. A participant's rights in the value of their account derived from the Employer contributions are fully vested upon completion of three years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. Note terms are up to a maximum of five years unless the note is for the purchase of a principal residence in which case the note repayment period may not extend beyond thirty years from the date of the note. The notes are secured by the balance in the participant's account and bear interest at the prevailing interest rate at the time the note is granted. Principal and interest are paid through payroll deductions.

When the Plan was frozen to new assets (except for continued loan repayments that have been processing since this date) on May 15, 2021 pending the merger into the UR Plan, participants were no longer able to borrow from their fund.

Payment of Benefits

Upon termination, normal retirement at age 65, attaining age 59 ½, death or permanent disability, a participant may receive the vested value of his or her account. Distributions may be made in a lump sum payment, or in installment payments not to exceed the life expectancy of the participant. Upon the death of a participant, the beneficiary shall be entitled to the full value of the account. Hardship withdrawals are permitted in accordance with the Internal Revenue Service (IRS) guidelines.

Forfeited Accounts

Forfeitures may be used to reduce Employer contributions or to pay administrative expenses. At December 10, 2021 and December 31, 2020, forfeited nonvested accounts totaled $-0- and $5,787, respectively. Forfeitures of $26,528 were used for employer contributions during 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting principles and practices of the Plan are set forth to facilitate the understanding of data presented in the financial statements:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 10, 2021 and December 31, 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a distribution based on the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Administrative Expenses

Certain expenses are paid directly by the Employer and are excluded from these financial statements. Fees related to investments, the administration of participant notes receivable, and other participant directed transactions are charged directly to the participant's account and are included in these financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements as of and for the periods ended December 10, 2021 and December 31, 2020 was obtained from data that has been prepared and certified to as complete and accurate by Principal Trust Company, for the period January 1, 2020 through October 13, 2020 and Capital Bank and Trust Company, for the period August 4, 2020 through December 10, 2021, the Plan's custodians:

Investments
Net appreciation in fair value of investments
Interest and dividends
Assets held at end of year
Notes receivable from participants

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to discontinue their matching contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

On April 14, 2021, the Plan Sponsor was sold to United Rentals (North America), Inc. Effective May 15, 2021 the Plan was frozen to new assets (except for continued loan repayments that have been processing since this date) pending merger into the UR Plan. On December 2, 2021 a blackout period began and continued until the Plan assets were transferred into the UR Plan on December 10, 2021. During the blackout period all account activities otherwise available under the Plan are paused.

NOTE 5 - INCOME TAX STATUS

The Plan has elected to adopt a volume submitter plan. The Internal Revenue Service (IRS) issued an opinion letter on March 31, 2014. In that opinion letter, the IRS stated that the plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is designed in compliance with the applicable requirements of the IRC.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 10, 2021 and December 31, 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Due to a change in management's interpretation of the guidance under ASC 820 during 2020, investments measured at NAV are now classified in the fair value hierarchy because these investments are considered to have readily determinable fair value. The NAV of pooled separate accounts are considered determinable and published to current and prospective investors and are the basis for current transactions. In prior filings, management applied the practical expedient in accordance with Subtopic 820-10, which allows certain investments without readily determinable fair value to be measured at NAV per share (or its equivalent) as a practical expedient and excludes these investments from the fair value hierarchy. This change is only a change in the classification of the related investments. There have been no changes in the inputs or valuation methodologies used to calculate the NAV of the assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 10, 2021 and December 31, 2020:

	Assets at Fair Value as of December 10, 2021			
	Total	Level 1	Level 2	Level 3
Mutual funds	$ -	-	-	-

	Assets at Fair Value as of December 31, 2020			
	Total	Level 1	Level 2	Level 3
Mutual funds	$ 5,428,563	5,428,563	-	-

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Prior to August 4, 2020 certain Plan investments are managed by Principal Trust Company, the custodian of the Plan. In addition, certain fees are charged by Principal and Transamerica. Therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

Effective August 4, 2020 certain Plan investments are managed by Capital Bank and Trust Company, the custodian of the Plan. In addition, certain fees are charged by Capital Bank and Trust Company and Empower Retirement. Therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

NOTE 9 – RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 10, 2021 and December 31, 2020 to the Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	$ -	$ 5,652,696
Adjustments for participant note receivable deemed prior years	(23,419)	(20,023)
Adjustments for participant note receivable interest current year	23,419	(3,396)
Net assets available for benefits per Schedule H on Form 5500	$ -	$ 5,629,277
Net decrease in net assets available for benefits per the financial statements	$ (311,145)	
Adjustments for participant note receivable interest current year	23,419	
Net decrease in net assets available for benefits per Schedule H on Form 5500	$ (287,726)	

NOTE 10 – UNCERTAINTY DUE TO COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged, and has since spread around the globe to affect many countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. have declared a state of emergency. It is anticipated that these impacts will continue for some time. There has been no immediate impact to the Employer's operations. Future potential impacts may include stock market volatility and disruptions or restrictions on the ability of employees of the Employer to work. The future effects of these issues are unknown.

NOTE 11 – SUBSEQUENT EVENTS

Events that occur after the statement of net assets available for benefits date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the statement of net assets available for benefits date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the statement of net assets available for benefits date require disclosure in the accompanying notes. Management evaluated the activity of the Plan through August 11, 2022 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the Financial Statements or disclosure in the Notes to the Financial Statements.
