**INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator and Participants  
Adstra, Inc. Employee Savings Plan

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Adstra, Inc. Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of Adstra, Inc. Employee Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Adstra, Inc. Employee Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Adstra, Inc. Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Adstra, Inc. Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Adstra, Inc. Employee Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**ADSTRA, INC. EMPLOYEE SAVINGS PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020

**1. Description of plan**

The following description of the Adstra, Inc. Employee Savings Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering substantially all employees of Adstra, Inc. (the "Company") and its affiliates, Adstra, LLC; Belardi Wong ALC, LLC; and Growth Strategies Group, LLC, who are age 21 or older. Through December 31, 2020, a participant was also required to have three months of eligible service in order to participate in the Plan. Effective January 4, 2021, the Plan was amended to remove this requirement. The plan entry date is the first day of the month coinciding with or next following meeting eligibility requirements. A participant making deferral contributions into the Plan is eligible to share in matching contributions. A participant is eligible to share in profit sharing contributions if employed on the last day of the plan year, unless separated by death, disability or retirement during the plan year.

For employees that become eligible to participate in the Plan on October 1, 2018 or subsequently and for active participants on October 1, 2018 that were hired on or after January 1, 2010 and do not have a deferral election on file, an initial automatic pre-tax deferral of 4% will be made. Employees hired on or after January 1, 2010 and eligible for participation prior to July 1, 2017 were auto-enrolled with a pre-tax deferral rate of 3%. For employees that became eligible on or after July 1, 2017, the automatic pre-tax deferral was increased to 4%. The Plan contains an automatic escalation provision under which participants with a deferral rate in excess of 0% will have their deferral increased by 1% annually up to a maximum of 10%. The automatic escalation provision applies to automatically enrolled participants as well as non-automatically enrolled participants that did not otherwise establish a periodic deferral increase as part of their salary reduction agreement.

The Plan was amended to formally adopt the hardship distribution provisions under the Bipartisan Budget Act of 2018 with an effective date of January 1, 2019.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's named fiduciaries are responsible for oversight of the Plan. The Plan Administrator is the Company and is responsible for the day-to-day operations of the Plan. The Adstra Retirement Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

**Coronavirus Aid, Relief, and Economic Security (CARES) Act**

The CARES Act as signed into law on March 27, 2020 in response to the economic impact caused by the coronavirus pandemic. The CARES Act includes, among other things, several optional relief provisions available to tax-qualified retirement plans and their participants. During 2020, plan management elected to implement the following provisions:

**ADSTRA, INC. EMPLOYEE SAVINGS PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020

**1. Description of plan (Continued)**

**Coronavirus Aid, Relief, and Economic Security (CARES) Act (Continued)**

- Permitting qualified participants to receive penalty free coronavirus-related distributions during the period January 1, 2020 through December 31, 2020 of up to \$100,000. These distributions may be repaid by the participant within three years or the participant may elect to include these distributions in taxable income.
- Permitting participants with loans outstanding to defer payments due in 2020 to after January 1, 2021.
- A temporary waiver of required minimum distributions (RMDs) permitted participants to suspend their RMDs for 2020.

The CARES Act allows for immediate utilization of these provisions with formal amendment required no later than the last day of the Plan year beginning on or after January 1, 2022. The Plan will be formally amended for these provisions by December 31, 2022.

**Contributions**

Participants may contribute up to 100% of eligible compensation, as defined in the Plan, on either a pre-tax deferral basis or on an after-tax basis as a Roth 401(k) deferral. The Plan includes an automatic pre-tax deferral provision under which a percentage of compensation is deferred, with an annual 1% increase up to a maximum of 10%, unless otherwise elected by the participant. Participants that are fifty years of age or older may make catch-up contributions to the Plan. Contributions are subject to certain statutory limitations. Participants may also contribute amounts representing distributions from other qualified retirement plans and individual retirement accounts, as defined. The Company may make discretionary matching contributions and profit sharing contributions. For 2021, the Company declared a match in the amount of 25% of salary deferrals up to 4% of a participant's eligible compensation, as defined, with a true-up provision at year-end which was funded in March 2022. The matching contribution totaled \$196,542, prior to the application of forfeitures, for the year ended December 31, 2021. No profit sharing contributions were made for the year ended December 31, 2021. Participants direct the investment of contributions into various investment options offered by the Plan and may change their investment options at any time.

**Participant accounts**

Each participant's account is credited with the participant's elective and rollover contributions and Company's matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

**ADSTRA, INC. EMPLOYEE SAVINGS PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020

**1. Description of plan (Continued)**

**Vesting**

Participants are immediately vested in their voluntary and rollover contributions. The vesting in the Company's matching contribution and profit sharing contributions, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested, using graduated vesting, after three years of credited service. Additionally, participants become 100% vested if separated from service due to death or disability prior to termination of employment or upon reaching early or normal retirement, as defined in the Plan. Participants that were employed by an affiliate became fully vested in their accounts upon the sale of the affiliate to an unrelated third party.

**Notes receivable from participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of the participant's vested account balance or \$50,000. Loans are repayable through payroll deductions over a period decided by the participant, generally not to exceed sixty months. Loans are collateralized by the balance in the participant's account. Interest is charged at the prime rate plus 1%. A participant may have no more than two loans outstanding at a given time and refinancing of outstanding loans is not permitted.

**Payment of benefits**

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, substantially equal installments over a specified period, or the participant may elect a partial withdrawal; however, benefits are generally paid in the lump sum form. A participant may also elect in-service distributions provided the participant has attained the age of 59½ or in the event of hardship.

**Forfeited accounts**

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$19 and \$4, respectively. These amounts will be used to reinstate previously forfeited account balances of participants, reduce future employer contributions, and pay administrative expenses. During 2021, forfeitures of \$12,651 were utilized to reduce employer contributions.

**Remittance of contributions**

The Company remits employee deferral contributions and matching contributions to the Plan on a payroll by payroll basis.

**2. Summary of significant accounting policies**

**Basis of accounting**

The accompanying financial statements have been prepared using the accrual basis of accounting.

**ADSTRA, INC. EMPLOYEE SAVINGS PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020

**2. Summary of significant accounting policies (Continued)**

**Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Adstra Retirement Plan Committee determines the Plan's valuation policies using information provided by investment advisors and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of benefits**

Benefits are recorded when paid.

**Notes receivable from participants**

Notes receivable from participants represent participant loans, which are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for loan losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan is reduced and a benefit payment is recorded.

**Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Tax status**

Effective October 1, 2018, the Plan adopted a Volume Submitter Profit Sharing Plan with CODA developed by Fidelity Management & Research Company (FMR). The Internal Revenue Service (IRS) has determined and informed FMR by its IRS advisory letter dated March 31, 2014, that the form of the volume submitter plan as then designed was in compliance with applicable provisions of the Internal Revenue Code (IRC). The Plan has been amended since receiving the advisory letter. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with applicable requirements of the IRC, and, therefore, believe that the Plan is qualified and the related trust is tax exempt. Accordingly, there is no provision for income taxes in the accompanying financial statements.

**ADSTRA, INC. EMPLOYEE SAVINGS PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020

**2. Summary of significant accounting policies (Continued)**

**Tax status (Continued)**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740, *Income Taxes*, requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if they have taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's policy is to recognize interest and penalties related to unrecognized tax benefits in income tax expense.

**Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On March 11, 2020, the World Health Organization declared the outbreak of a coronavirus (COVID-19) a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact, if any, the pandemic will have on the Plan's financial statements.

**Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results may differ from those estimates.

**Administrative fees**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Administrative expenses include investment advisory fees, participant maintenance fees, and fees related to the administration of participant notes receivable and benefit payments charged directly to the affected participant's account. Investment related expenses are included in net appreciation of fair value of investments.

**ADSTRA, INC. EMPLOYEE SAVINGS PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020

**2. Summary of significant accounting policies (Continued)**

**Recent accounting pronouncements**

In August 2018, FASB issued *Accounting Standards Update 2018-13, Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement (ASU 2018-13)*. ASU 2018-13 modifies the disclosure requirements for fair value measurements in ASC Topic 820, *Fair Value Measurement*. ASU 2018-13 is effective for all entities for fiscal years beginning after December 15, 2019. The Plan adopted ASU 2018-13 on January 1, 2020, which did not have a material effect on the Plan's financial statements.

**3. Investments and fair value of financial instruments**

ASC Topic 820, *Fair Value Measurement*, provides a framework for measuring, reporting and disclosing fair value under generally accepted accounting principles. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**ADSTRA, INC. EMPLOYEE SAVINGS PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020

**3. Investments and fair value of financial instruments (Continued)**

*Common collective trust funds:* Valued at the NAV of units of the common collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Assets at fair value at December 31, 2021 were as follows:

|                                         | <u>Level 1</u>      | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>        |

- (a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

**Changes in fair value levels**

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers in or out of Levels 1, 2, or 3 for the years ended December 31, 2021 and 2020.

**4. Investment information certified by the trustee**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule. The trustee certified the following as complete and accurate:

- a. The investments, at fair value, at December 31, 2021 and 2020.
- b. Net appreciation in fair value of investments for the year ended December 31, 2021.
- c. Interest and dividends for the year ended December 31, 2021.
- d. Schedule H, Line 4i-Schedule of Assets (Held at year End).

**5. Related party and party-in-interest transactions**

Certain plan investments are mutual funds of FMR. Fidelity Management Trust Company (FMTC), a division of FMR, is the trustee as defined by the Plan.

FMTC and the Plan have established a Revenue Credit Account (RCA) under which the Plan receives a revenue credit each quarter equal to the net float earnings attributable to the Plan (exclusive of net float earnings attributable to recurring advisor payments, if applicable) for the quarter and any unallocated participant revenue credits. The amounts received under the RCA are used to reimburse the Company for fees and expenses associated with services provided to the Plan, or to pay vendors, including FMTC or third parties, directly. During 2021, no revenue credits were earned or utilized.

The Plan also issues loans to its participants which are secured by the participants' account balances.

**5. Related party and party-in-interest transactions (Continued)**

These transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules under ERISA.
