INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of
Walsh Door and Hardware Co. Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Walsh Door and Hardware Co. Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 financial statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - 2020 Financial Statements

LWBJ, LLP, who merged into UHY LLP as of January 4, 2022, was engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed LWBJ, LLP not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated September 3, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule; and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the information certified by a qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

WALSH DOOR AND HARDWARE CO. SAVINGS PLAN

Notes to Financial Statements

December 31, 2021

1. Description of the Plan

The following description of the Walsh Door and Hardware Co. Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement ("Agreement") for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which generally covers persons regularly employed by Walsh Door and Hardware Company (the "Company"), excluding union or leased employees. Eligibility for all contribution types occurs on the first day of the month following three months of employment with the Company. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Administration

The Company has contracted with Principal Life Insurance Company, Principal Global Investors Trust Company, and Principal Trust Company (collectively known as "Principal") to hold the Plan's assets, execute investment transactions, perform allocations of contributions and investment earnings, and make benefit payments.

Contributions

The Plan allows for employee contributions up to 100% of eligible compensation, subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions.

The Plan provides for safe harbor matching contributions by the Company equal to 100% of the participant's first 3%, and 50% of the participant's next 2% contribution of their eligible compensation. The Company may also elect to make additional discretionary contributions.

Participant Accounts

Individual accounts are maintained for each Plan participant. Participants direct the investment of the contributions into various investment options offered by the Plan. Each participant's account is increased or decreased by the participant's contributions, withdrawals and an allocation of Plan earnings (losses), net of administrative expenses and an allocation of the Company's contributions. Allocations to participants are based on the funds selected by the participant, as defined, in the Agreement. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

WALSH DOOR AND HARDWARE CO. SAVINGS PLAN

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Vesting

All participants are 100% vested in their contributions, Company safe harbor matching contributions and allocated Plan earnings. Participants vest in Company discretionary contributions over six years.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant (or a participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. A participant may also withdraw the portion of his or her account related to rollovers into the Plan while still employed by the Company. In addition, hardship distributions are permitted if certain criteria are met.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, the accrued benefits of all participants shall be distributed to participants as provided in the Agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 5 for discussions of the fair value measurements utilized by the Plan.

WALSH DOOR AND HARDWARE CO. SAVINGS PLAN

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes gains and losses on investments bought and sold, as well as held, during the period.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Certain investment-related fees are included within net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

3. Income Tax Status

The Plan uses a prototype plan document sponsored by Principal. Principal received a letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, which states that the prototype plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, management and the Plan's tax counsel believe that the Plan is currently designed and being operated in accordance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that "more-likely-than-not" would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

4. Information Certified by Principal

The investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule as of December 31, 2021 and 2020, and net appreciation in fair value of investments and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal.

WALSH DOOR AND HARDWARE CO. SAVINGS PLAN

Notes to Financial Statements (continued)

5. Fair Value Measurements

The framework for measuring fair value provides a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority): Level 1, defined as observable inputs such as quoted prices in active markets for identical assets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring the Plan to develop its own assumptions.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Pooled separate accounts, collective investment trusts and stable value fund:* Valued at the net asset value ("NAV") of units of the fund held by the Plan. The NAV is used as a practical expedient to estimate fair value and is calculated daily. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

The NAV of the Principal U.S. Property Separate Account is based on the underlying real estate assets which are valued using discounted cash flow valuation models that utilize public real estate market data such as transaction prices, market rents, vacancy levels, leasing absorption, market cap rates and discount rates. In addition, each property is appraised annually by an independent appraiser.

- *Mutual funds:* Valued based on quoted prices of identical assets in active markets.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table shows assets measured at fair value as of December 31, 2021 and 2020 on the Plan's statements of net assets available for benefits and the input categories associated with those assets:

Description	2021		2020	
	Level 1	Total	Level 1	Total
Mutual funds	\$ 1,090,774	\$ 1,090,774	\$ 923,300	\$ 923,300
Investments measured at NAV		8,322,355		8,284,956
Total investments, at fair value		<u>\$ 9,413,129</u>		<u>\$ 9,208,256</u>

WALSH DOOR AND HARDWARE CO. SAVINGS PLAN

Notes to Financial Statements (continued)

5. Fair Value Measurements (continued)

Fair Value of Investments that Calculate NAV

The following table summarizes the investments measured at NAV per share as of December 31, 2021 and 2020:

	<u>Fair value as of December 31,</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>2021</u>	<u>2020</u>	<u>Commitments</u>	<u>Frequency</u>	<u>Notice</u>
					<u>Period</u>
Pooled separate accounts (a)	\$ 3,265,621	\$ 2,691,116	None	Daily (d)	None (d)
Collective investment trusts (b)	4,071,230	4,595,768	None	Daily	None
Stable value fund (c)	<u>985,504</u>	<u>998,072</u>	None	Daily	(e)
	<u>\$ 8,322,355</u>	<u>\$ 8,284,956</u>			

- (a) The individual separate accounts may invest its assets in stocks, bonds, mortgages, real estate, mutual funds, other separate accounts, or cash according to its investment objective. The information in the table above has been condensed into a single line as is the same for each major category of pooled separate accounts, except for the Principal U.S. Property Separate Account as noted below.
- (b) The individual collective investment trusts may invest in mutual funds, collective trusts and pooled separate accounts, according to its investment objective. The information in the above table has been condensed into a single line item as is the same for each major category of common investment trusts.
- (c) The stable value fund invests in a variety of high quality stable value investment contracts, including guaranteed investment contracts and synthetic guaranteed investment contracts issued by highly rated financial institutions, as well as cash and cash equivalents.
- (d) Principal has the ability to apply a contractual limitation which delays payments of withdrawal requests for the Principal U.S. Property Separate Account. Certain high-need payments, such as death, disability, certain eligible retirements, and hardship withdrawals are not subject to the withdrawal limitation. Other withdrawal requests are subject to the limitation until certain liquidity levels are achieved. During the first quarter of 2020, the global spread of COVID-19 resulted in volatility in the public equities market, which also impacted the Principal U.S. Property Separate Account, causing an unusual number of withdrawal requests in a concentrated period of time. To allow for orderly administration and management benefiting all separate account investors, Principal implemented the contractual limitation to delay withdrawal requests for this separate account. Since the inception of the withdrawal limitation, outstanding withdrawal requests have been paid in multiple payments. Except for certain de minimis payments, payments were made proportionately among all other outstanding withdrawal requests, based upon available liquidity. All withdrawals are being transacted at the NAV price at the date of distribution. The withdrawal limitation was lifted in 2021 and all redemption requests were satisfied.
- (e) Participant-initiated transactions, such as transfers and benefit payments, are made daily at NAV. Plan sponsor initiated transactions, such as terminating the fund as an investment option or terminating the Plan, may require a twelve-month notice period.

WALSH DOOR AND HARDWARE CO. SAVINGS PLAN

Notes to Financial Statements (continued)

6. Exempt Party-In-Interest Transactions

Principal serves as the Plan's investment custodian, and also manages certain investment options of the Plan. Therefore, these transactions with Principal qualify as party-in-interest transactions. However, all such transactions are exempt and are not prohibited by ERISA. Administrative expenses paid to Principal were \$55,445 for the year ending December 31, 2021.

7. Subsequent Events
