INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants and the Administrative Committee of the
TimkenSteel Corporation Savings and Investment Pension Plan
Canton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of TimkenSteel Corporation Savings and Investment Pension Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Bank of America, N.A., the trustee, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and

maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Board of Directors
TimkenSteel Corporation Savings and Investment Pension Plan
Canton, Ohio

We were engaged to audit the accompanying statement of net assets available for benefits of TimkenSteel Corporation Savings and Investment Pension Plan ("Plan"), as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Bank of America, N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements
December 31, 2021 and 2020, and Year Ended December 31, 2021

1. Description of the Plan

The following description of the TimkenSteel Corporation Savings and Investment Pension Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Plan was established effective June 30, 2014 in connection with the spinoff (“spinoff”) of TimkenSteel Corporation (the “Company” and “Plan Administrator”) from The Timken Company (“Timken”). In the spinoff, Timken transferred certain assets and liabilities relating to TimkenSteel Corporation employees and retirees to the Plan. Bank of America, N.A. (“Trustee”) was the trustee as of December 31, 2021.

General

The Plan is a defined contribution plan available to salaried employees of (i) TimkenSteel Corporation, TimkenSteel Material Services, and TSB Metal Recycling, (ii) non-bargaining hourly employees of TimkenSteel Material Services and employees employed as brickmasons, and (iii) certain transferred participants of Latrobe Steel (“OH&R”). Employees of these entities become eligible to participate in the Plan the first of the month following the completion of one full calendar month of full-time service. All OH&R transferred participants became eligible to participate in the Plan as of June 30, 2014. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). In the first quarter of 2020, management of TimkenSteel Corporation closed TimkenSteel Material Services and terminated substantially all employees at the location.

Effective January 1, 2020, the Plan was amended and restated to incorporate a prior Plan amendment; to make certain changes related to hardship withdrawals; to permit in-Plan Roth conversions; to permit distribution of a participant’s remaining account balance as a lump sum payment after commencement of the installment form of payment; and to make certain other changes.

Contributions

Under the provisions of the Plan, participants may elect to contribute between 1% and 75% of their gross earnings directly to the Plan, depending on their monthly wages and subject to Internal Revenue Service (“IRS”) limitations. Additional catch-up contributions are also allowed for participants who are age 50 or over, subject to IRS limitations. Effective January 1, 2017, the Plan was amended to allow for Roth designated elective deferrals. The Company matches such employee contributions (“Matching Contributions”) at an amount equal to 100% of the first 3% of

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements (Continued)

the participant's gross earnings (as defined) deferred to the Plan, and 50% of the next 3% of gross earnings deferred to the Plan. Participants may also roll over amounts representing distributions from other qualified defined benefit or defined contribution plans. On April 30, 2020, the Company informed employees effective June 1, 2020, the Company would indefinitely suspend company matching contributions for all salaried employees. Subsequently on December 18, 2020, the Company informed employees effective March 1, 2021 the Company would resume matching contributions for all salaried employees, with the amount of the Company matching remaining unchanged.

The Plan provides for a quarterly 401(k) Plus Contribution by the Company for employees hired prior to January 1, 2004 at the Company's facilities in St. Clair, Ohio, and Tryon Peak, North Carolina; and who did not have five years of Continuous Service (as defined in the Plan) and 50 points (in Continuous Service and age) as of December 31, 2003. This contribution is based on the participant's full years of service at amounts ranging from 2.5% to 8.0% of the participant's eligible compensation. On October 1, 2020, the Company informed employees effective January 1, 2021 401 (k) Plus Contributions would be discontinued. Final 401 (k) Plus Contributions for 2020 were made by the Company in the third quarter of 2021.

The Plan provides for a quarterly "Core Contribution" by the Company for all salaried Plan Participants and hourly Plan Participants employed as brickmasons, except those accruing service under a defined benefit pension plan sponsored by the Company and those receiving a 401(k) Plus Contribution. This contribution is based on the participant's full years of service and age as of December 31 of the previous calendar year. Core Contribution amounts range from 1.0% to 4.5% of the participant's eligible compensation. On October 1, 2020, the Company informed employees effective January 1, 2021 Core Contributions would be discontinued. Final Core Contributions for 2020 were made by the Company in the third quarter of 2021.

Any employee hired prior to January 2007 and eligible to participate in the Plan may elect to enroll in the Plan; any employee hired on or after January 2007 and eligible to participate in the Plan will be automatically enrolled in the Plan at a 6% deferral rate. If the participant makes no further changes to his/her deferral rate, then each year following the year in which the participant was automatically enrolled in the Plan the participant's deferral rate will be increased by 1% until a deferral rate of 10% has been attained.

Matching Contributions are automatically invested according to the participant's investment elections for his/her employee contributions. There are also no restrictions (other than those required to comply with applicable securities laws) on a participant's ability to transfer all or part of his/her balance in the TimkenSteel Corporation ESOP Stock Fund to other investments at any time and with the same frequency as other investment transfers.

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements (Continued)

401(k) Plus Contributions and Core Contributions are invested based on the participant's investment election. If a participant fails to make investment elections, his/her deferrals will default to an appropriate Vanguard Target Retirement fund, based on the participant's age and an estimated retirement age of 65. Participants have access to their account information and the ability to make account transfers and contribution changes daily through an automated telecommunications system and through the internet.

Participants may elect to have their vested dividends in the TimkenSteel Corporation ESOP Stock Fund distributed to them in cash rather than automatically reinvested in common shares of the Company. No such amounts were paid to participants during the Plan year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings, and is charged administrative expenses, as appropriate. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on participant's account balances (as defined in the Plan). Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan limits a participant from holding no more than 20% of their account value in the TimkenSteel Corporation ESOP Stock Fund. However, participants holding over 20% are not required to divest. Effective November 13, 2020, participants are no longer allowed to purchase new shares of the TimkenSteel Corporation ESOP Stock Fund.

Vesting

Participants are immediately vested in their contributions, Matching Contributions and any rollovers plus actual earnings thereon. Participants vest in the 401(k) Plus Contributions and Core Contributions after the completion of three years of service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms generally cannot exceed five years for general purpose loans, and 30 years for residential loans.

The loans are secured by the balance in the participant's account and bear interest at an interest rate of 1% in excess of the prime rate the month the loan is granted, as published the first business

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements (Continued)

day of each month in the *Wall Street Journal*. Principal and interest are paid ratably through payroll deductions or direct payments from participants.

Payment of Benefits

Upon termination of service, participants having a vested account balance greater than \$5,000 have the option of (i) transferring their account balance to another qualified plan, (ii) receiving a lump-sum amount equal to the vested balance of their account, (iii) receiving installment payments of the vested balance of their account over a period of time not to exceed their life expectancy, or (iv) leaving their vested account balance in the Plan until age 70½ after which time the lump-sum or installment distribution options would apply. Participants with balances between \$1,000 and \$5,000 may elect to receive a distribution or roll over their vested balances to another qualified plan or Individual Retirement Account (“IRA”). The Plan requires participants having a vested balance less than \$1,000 to have the balance distributed from the Plan.

Hardship withdrawals are allowed for participants incurring an immediate and severe financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the IRS and a participant must exhaust all available distributions prior to requesting a hardship withdrawal.

Effective September 4, 2018, non-terminated participants who have reached age 59½ may make withdrawals from all vested accounts.

Coronavirus Aid, Relief and Economic Security Act

On March 11, 2020, the World Health Organization declared the COVID-19 outbreak a global pandemic. Following this declaration, the U.S. Federal government passed the “Coronavirus Aid, Relief, and Economic Security (“CARES”) Act” on March 27, 2020. The CARES Act allows eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020, which may be repaid over three years for qualifying reasons associated with the COVID-19 pandemic, permits plan sponsors to increase the limit for plan loans to the lesser of \$100,000 or 100% of a participant's vested balance, permits suspension of loan payments due through December 31, 2020, and permits individuals to stop receiving 2020 required minimum distributions. The Plan implemented these changes during 2020.

On December 27, 2020, the President of the United States signed the Consolidated Appropriation Act, 2021 (“CAA”). The CAA includes additional COVID-19 relief that expands upon the relief provided in the CARES Act. The CAA provides a similar withdrawal exemption, allowing eligible individuals to take a qualified disaster distribution of up to \$100,000 without being subject to the 10% penalty that would normally apply. This extended the timeline for penalty-free distributions through June 25, 2021. The Plan implemented these changes during 2021.

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements (Continued)

Forfeitures

Under the provisions of the Plan, if a participant leaves the Company with less than three years of Continuous Service, all 401(k) Plus contributions and Core Contributions and any earnings thereon are forfeited and used to fund other Company Contributions for eligible associates. Forfeiture balances as of December 31, 2021 and 2020 were \$24,208 and \$49,814, respectively. During 2021, Company contributions were reduced by \$188,443 from forfeited nonvested accounts.

Plan Transfers

Certain participants who change job positions within the Company and, as a result, are covered under a different defined contribution plan offered by the Company, may be eligible to transfer account balances between plans. Transfers between the plans are subject to approval by the Plan Administrator.

Plan Termination

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Trustee shall distribute to each participant the balance in their separate account, which becomes fully vested at the date of Plan termination.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements (Continued)

measurement date. The Investment Committee determines the Plan's valuation policies. See Note 3 for discussion of fair value measurements.

The Plan's Trustee maintains common collective trust funds and a collective investment trust of common shares of TimkenSteel Corporation, in which the Company's defined contribution plans participate on a unit basis. Participation units in TimkenSteel Corporation ESOP Stock Fund are valued at net asset value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded when received. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments for the year ended December 31, 2021. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Notes Receivable from Participants

Notes receivable from participants represents participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on participants' notes receivable is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

New Accounting Pronouncements

The Company did not adopt any Accounting Standard Updates ("ASU") for the year ended December 31, 2021. Additionally, there are no current ASUs issued, but not adopted, that are expected to have an impact on the Company.

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements (Continued)

Evaluation of Subsequent Events

The Plan has evaluated the impact of events that have occurred subsequent to December 31, 2021 through August 10, 2022, which is the date the financial statements were available to be issued, for possible recognition or disclosure in those financial statements. No such events requiring recognition or disclosure in the financial statements were noted.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification (“ASC”) 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements (Continued)

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021:

	Assets at Fair Value as of December 31, 2021			
	Total	Level 1	Level 2	Level 3
Assets:

Investments at fair value	\$ 275,463,682	\$ —	\$ —	\$ —

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2020:

	Assets at Fair Value as of December 31, 2020			
	Total	Level 1	Level 2	Level 3
Assets:

Investments measured at net asset value (a)	109,232,603	—	—	—
Investments at fair value	\$ 269,889,284	\$ —	\$ —	\$ —

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies used for assets measured at fair value.

The money market fund is valued at the daily closing price as reported by the fund. The money market fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value ("NAV") and to transact at that price. The money market fund is deemed to be actively traded.

Registered investment companies are valued at the daily closing price as reported by the fund. The funds held by the Plan are open-ended funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Following is a description of the valuation methodologies used for assets measured at net asset value.

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements (Continued)

Common Collective Trust Funds are valued based on the NAV of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table summarizes investments measured at fair value based on NAVs per share as of December 31, 2021:

Total	\$ 109,232,603			

Investments held by the Plan as of December 31, 2021 and 2020 included the following:

The JPMCB Core Bond Fd CL includes investments that seek to maximize total return by investing primarily in a diversified portfolio of intermediate and long-term debt securities. The fair value of the investments in this fund has been determined using the net asset value per share.

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements (Continued)

The JPMCB Equity Index - CL includes investments that provide exposure to a broad equity market and are designed to mirror the aggregate price and dividend performance of the S&P 500 Index. The fair value of the investments in this fund has been determined using the net asset value per share.

The State Street Small Cap Index includes investments seeking an investment return that approximates as closely as practicable, before expenses, the performance of the Russell 2000 Index over the long term. The fund includes exposure to stocks of small U.S. companies. The fair value of the investments in this fund has been determined using the net asset value per share.

The Western Asset Core Plus R1 seeks to maximize total return from a high-quality, U.S. domestic core fixed-income portfolio that can be enhanced by allocations to sectors such as high-yield, non-U.S. emerging market debt. The fair value of the investments in these funds has been determined using the net asset value per share.

The Invesco Stable Value Ret CL 1 is a retirement fund with a primary objective to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates. This collective trust fund provides participants a low level of overall risk, a competitive interest rate, and little fluctuation in the value of invested principal. The fair value of the investments in this fund has been determined using the net asset value per share.

The TimkenSteel Corporation ESOP Fund is a collective investment fund that holds TimkenSteel Corporation common stock and money market funds to provide liquidity for daily accounts. The TimkenSteel Corporation ESOP Fund consists of assets from the following sources: employee contributions (including certain rollovers), employee loan repayments, exchanges into the fund from other investment options, Company contributions (vested and unvested), earnings and dividends. The fair value of the participation units of this fund have been determined using the net asset value per share. Transactions within this fund are considered related party transactions of the Plan.

4. Related-Party Transactions

Related-party transactions include investments in the TimkenSteel Corporation ESOP Fund. Transactions involving these investments are allowable party-in-interest transactions under ERISA.

The following is a summary of transactions in the TimkenSteel Corporation ESOP Fund with the Plan for the year ended December 31, 2021:

Purchased and transferred in	\$	204
Sold and transferred out	\$	7,318,900

TimkenSteel Corporation Savings and Investment Pension Plan
Notes to Financial Statements (Continued)

Purchases and benefits paid to participants include TimkenSteel Corporation common shares valued at quoted market prices at the date of purchase or distribution.

Certain legal and accounting fees and certain administrative expenses relating to the maintenance of participant records are paid by the Company. Fees paid during the year for services rendered were based on customary and reasonable rates for such services. In addition, the Plan has arrangements with various service providers and these arrangements qualify as party-in-interest transactions.

5. Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Trustee:

	<u>2021</u>	<u>2020</u>
Investments	\$ 275,463,682	\$ 269,889,284
Notes receivable from participants	\$ 1,325,627	\$ 1,845,489

Interest and dividend income	\$ 9,343,144	N/A
Net unrealized/realized appreciation	\$ 38,173,281	N/A

6. Income Tax Status

The IRS has determined and informed the Plan Administrator, by a letter dated June 1, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since then, but the Plan Administrator and the Plan's legal counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
