## Independent Auditor's Report

### To the Trustees

**Town & Country Markets, Inc. Retirement Savings Plan**  
**Edmonds, Washington**

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Town & Country Markets, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **OTHER MATTERS**

### **2021 Supplemental Schedules Required by ERISA**

The supplementary information, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary information agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**TOWN & COUNTRY MARKETS, INC.  
RETIREMENT SAVINGS PLAN**

**Notes to Financial Statements  
For the Year Ended December 31, 2021**

---

**Note 1 - Plan Description**

The following description of the Town & Country Markets, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan sponsored by Town & Country Markets, Inc. (Sponsor) for all eligible employees who have completed one month of service. Eligible employees may enroll in the Plan on January 1, April 1, July 1 or October 1 following satisfaction of the service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Contributions** - Each eligible participant may elect to make tax deferred employee contributions up to the annual limits set by the Internal Revenue Service (IRS). The Plan allows participants to make after-tax (Roth) contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Furthermore, participants may also contribute amounts representing distributions from other eligible plans (rollovers).

The Plan has an automatic enrollment feature whereby eligible employees will be automatically enrolled into the Plan to contribute 3% of their eligible compensation. A participant may elect not to participate, or to participate at a different level of deferral contribution.

The Sponsor may make a discretionary profit sharing contribution to the Plan for the benefit of all eligible participants employed on the last day of the plan year who have completed 1,000 or more hours of service during that year. For the year ended December 31, 2021 the profit sharing contribution was allocated to eligible participants based on the ratio that each participant's compensation bears to total compensation of all participants. The Sponsor authorized a profit-sharing contribution of \$775,362. In addition, for certain non-union employees, the Sponsor will make matching contributions equal to 300% of the participant's elective deferrals, up to \$1,500 for each eligible participant. The match amount was \$6,000 for the year ended December 31, 2021.

Effective January 1, 2022, the Plan was amended to provide for automatic deferral increase of 1% per year up to a maximum of 10% of compensation. The Plan also removed the matching contribution provision.

**Participant Accounts** - Each participant's account is credited with the participant's contributions and an allocation of (1) earnings or losses of the Plan, and (2) the Sponsor's contributions. Allocations of earnings and losses are based on a participant's account balance. A participant is entitled to the benefit that can be provided from the participant's vested account.

**Vesting** - Participants are immediately vested in their contributions and the employer match plus earnings thereon. Participants are vested in the profit sharing contributions at a rate of 20% per year, with full vesting after five years of service. All employer contributions vest upon death, normal retirement, or total and permanent disability.

**Payment of Benefits** - Upon termination of service, death, disability, or retirement, the value of a participant's account may be paid in either a single lump-sum or partial withdrawal, based on elections made by the participant or beneficiary. The Plan also provides for in-service and hardship withdrawals in accordance with provisions specified in the plan document.

**Forfeitures** - If a participant terminates their employment prior to becoming 100% vested in the discretionary profit sharing contribution, the nonvested portion of these contributions is deemed forfeited. Forfeitures are retained in the Plan and can be used to reduce future employer contributions or to pay administrative expenses. During the year ended December 31, 2021, \$20,486 in forfeitures were used to pay plan expenses. At December 31, 2021 and 2020, the Plan had \$26,899 and \$27,770 in unallocated assets, respectively.

RETIREMENT SAVINGS PLAN**

**Notes to Financial Statements  
For the Year Ended December 31, 2021**

---

**Note 2 - Significant Accounting Policies**

**Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Use of Estimates** - The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that may affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition** - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Benefits Paid to Participants** - Benefits paid to participants are recognized when they are paid.

**Administrative Expenses** - Several of the investment fund options are subject to investment and administrative fees based on a percentage of invested assets, as disclosed in the funds' prospectus. All such fees are charged directly against the respective fund's investment performance and thus are not separately disclosed in the accompanying financial statements. Certain other administrative costs are borne by the Plan, and substantially all other administrative expenses related to the Plan are paid by the Sponsor.

The Plan captures excess revenue sharing received, net of revenue sharing allocation fees, pursuant to an arrangement between the Sponsor and the Plan's third party recordkeeper. Revenue sharing amounts are allocated back to participant accounts.

During the year ended December 31, 2021 the Plan received \$32,134 in revenue sharing which is used to offset administrative expenses on the statement of changes in net assets available for benefits.

**Subsequent Events** - The Plan's management has evaluated subsequent events through August 14, 2022, the date on which the Plan's financial statements were available to be issued.

**Note 3 - Fair Value Measurements**

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Unadjusted quoted prices available in active markets for identical assets or liabilities;

**TOWN & COUNTRY MARKETS, INC.**  
**RETIREMENT SAVINGS PLAN**

**Notes to Financial Statements**  
**For the Year Ended December 31, 2021**

---

**Note 3 - Continued**

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or

Level 3 - Unobservable inputs that are significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Interest-Bearing Cash - The carrying value approximates fair value.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Collective Trust Fund - Valued using the NAV provided by the fund's trustee. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding at the valuation date. Participant benefit payments and transfers to noncompeting options are made as soon as practicable after the date the Trustee received notice of withdrawal. Other withdrawals require a twelve month advance written notice. Redemptions occur daily, and there are no unfunded commitments.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

|                                                 | Fair Value Measurements as of December 31, 2021 |             |             |                      |

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**Note 4 - Party-in-Interest Transactions**

Certain plan investments are managed by asset custodian Charles Schwab Trust Bank. Charles Schwab Trust Bank is the asset custodian of the Plan and therefore fees paid to Charles Schwab Trust Bank qualify as exempt party-in-interest transactions.

**Note 5 - Information Certified by the Trustee**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2021 and 2020, and investment income and transactions for the year ended December 31, 2021, that is disclosed in the accompanying financial statements and supplementary information, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary information.

**Note 6 - Plan Termination**

Although it has not expressed the intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

**TOWN & COUNTRY MARKETS, INC.  
RETIREMENT SAVINGS PLAN**

**Notes to Financial Statements  
For the Year Ended December 31, 2021**

**Note 7 - Tax Status**

The Sponsor adopted a K&L Gates LLP pre-approved document. K&L Gates LLP received an approval letter from the IRS dated June 30, 2020 which states the form of the plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is designed and currently being operated, in compliance with the applicable requirements of the IRC. The Plan is subject to audits by the IRS; however, there are currently no audits for any tax period in progress.

**Note 8 - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events such as a pandemic or international conflict which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

**Note 9 - Delinquent Contributions**

The Sponsor determined there was one instance during 2021 in which participant deferral contributions were not deposited by the Sponsor as plan assets within the time limitation stipulated under the Department of Labor's (DOL) regulations. Delinquent contributions are prohibited party-in-interest transactions under ERISA and also represent related party transactions between the Plan and the plan sponsor. In total, \$17,109 of deferral contributions were identified as delinquent. During 2022, the Sponsor restored lost earnings associated with the delinquent deposit.
