INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Moody Gardens, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Moody Gardens, Inc. 401(K) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i, as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 20, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021

Note 1 - Description of Plan

The following description of the Moody Gardens, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan generally covering employees of Moody Gardens, Inc. (the "Company"). The Plan, effective as of January 1, 2004, was most recently amended and restated effective January 1, 2021. During 2004, the Moody Gardens Pension Plan (the "Pension Plan") was merged into the Plan. The Plan is subject to certain restrictions for participant eligibility as defined in the *Plan Document*. The Company adopted the safe harbor provisions of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended and is described more fully in the *Plan Document*.

Plan custodian

Empower Retirement, LLC ("Empower"), formerly known as Massachusetts Mutual Life Insurance Company, is the administrative service provider and custodian for contracts issued by Talcott Resolution Life Insurance Company ("Talcott"), a qualified institution.

Employee participation

Employees who have attained age 21 and who have completed one year of service are eligible to participate in the Plan. Employees are credited with a year of service for eligibility purposes if they work 1,000 or more hours during the Plan year. Entry into the Plan is January 1 and July 1 of each year.

Contributions

The Plan provides for voluntary participant contributions expressed as a percentage of the participant's eligible pre-tax compensation up to the maximum percentage allowable that does not exceed the limits of the IRC.

The Plan provides for a mandatory safe harbor Company contribution on behalf of each participant in the amount equal to 100% of the participant's elective deferrals that do not exceed 3% of the participant's eligible compensation for the Plan year, plus 50% of the participant's elective deferrals that exceed 3% of the participant's eligible compensation, not to exceed 5% of the participant's compensation.

The Company may make an additional discretionary employer matching contribution to all eligible participants who are employed on the last day of the year. The Company did not make any additional matching contributions during 2021 or 2020.

Effective from April 1, 2020 through July 1, 2020, the Plan was amended to temporarily suspend all employee and employer contributions to the Plan in response to the COVID-19 coronavirus.

Note 1 - Description of Plan (Continued)Participant accounts

Each participant's account is credited with the participant's contribution, the Company's contributions and Plan earnings or losses. Each participant's account is charged with an allocation of administrative Plan expenses, if any. Allocations are based on participant contributions, participant earnings or account balances, as defined in the Plan Agreement.

Participants direct the investment of their account balances in any of several investment options. Participants can change their investment allocation among the various investment options either through direct transfers from one option to another or by changing the percentage allocation of future contributions.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions and the Company's safe harbor contributions made to the Plan and actual earnings.

The vesting schedule for the Company's discretionary matching contributions is a five year graded vesting schedule and is fully vested after five years of credited service, attainment of retirement age of 59 1/2, death or total disability.

Forfeitures

Forfeitures are retained in the Plan and may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. For the years ended December 31, 2021 and 2020, no forfeitures were applied against administrative expenses. For the years ended December 31, 2021 and 2020, no forfeitures were allocated to reduce employer contributions. As of December 31, 2021 and 2020, there was \$3,187 and \$3,148, respectively, in forfeitures available to be used in accordance with Plan provisions.

Benefit payments

Upon termination of employment, death, disability, retirement, a participant may elect to receive a lump-sum distribution or defer such benefits until a later date. Pursuant to the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") that was signed into law on March 27, 2020, the required minimum distribution age was increased from 70-1/2 to 72. Upon attainment of age 72, a requirement minimum distribution may be required.

If the value of the participant's account balance is less than \$1,000, the payment will be made in a single cash lump sum. If the participant's account balance is between \$1,000 and \$5,000 and the participant does not affirmatively consent to receive a distribution, the balance will be rolled into an individual retirement account established on behalf of the participant. Any taxable distribution paid directly to the participant will be subject to mandatory federal income tax withholding of 20% of the distribution.

Moody Gardens, Inc. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021

Note 1 - Description of Plan (Continued)Benefit payments (continued)

Pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act permitted Plan participants to request up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

Notes receivable to participants

The Plan does not allow for participants to borrow from their accounts.

Administrative expenses

All administrative expenses, unless paid by the Company, are paid by the Plan.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, the net assets would be allocated among the participants of the Plan in accordance with the provisions of the Plan.

Note 2 - Summary of Significant Accounting PoliciesBasis of accounting

The accounts of the Plan are maintained and the accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Valuation of investments and income recognition

The Plan's investments in pooled separate accounts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fixed income account is primarily invested in investment contracts deemed to be fully benefit-responsive and is reported at contract value in the statements of net assets available for benefits.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Moody Gardens, Inc. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021

Note 2 - Summary of Significant Accounting Policies (Continued)Valuation of investments and income recognition (continued)

Unrealized appreciation or depreciation in the fair value of investments held at year-end is determined using the fair value at the beginning of the year or the purchase price if the investment is acquired during the year. The realized gain or loss on the sale of investments is determined using historical cost. Upon the sale of an investment, the current year unrealized appreciation or depreciation is adjusted for unrealized gains and losses recognized in prior years. Unrealized appreciation or depreciation and realized gains and losses are reported as net appreciation or depreciation in fair value of investments in the accompanying statements of changes in net assets available for benefits.

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts in the financial statements and accompanying notes. Actual results may differ from these estimates.

Financial instruments and credit risk

The Plan provides for investments in pooled separate accounts and a fixed income account which, in general, are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances. Plan participants bear the risk of any investment losses.

Note 3 - Information Certified by the Custodian (Unaudited)

For Plan years 2021 and 2020, the financial information included in the Plan's financial statements and supplemental schedule, except for participant and employer contributions, administrative expenses and benefits paid to participants has been derived from information certified as complete and accurate by Empower.

Note 4 - Fair Value of Investments That Use Net Asset Value

The following table summarizes investments measured at fair value based on net asset value per share as a practical expedient:

<u>Year Ended</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
December 31, 2021	\$ 9,614,723	N/A	Daily	Daily
December 31, 2020	\$ 8,606,240	N/A	Daily	Daily

Moody Gardens, Inc. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021

Note 5 - Tax Status

The Company adopted a volume submitter profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service ("IRS") on November 30, 2020, which stated the volume submitter profit sharing plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and was tax-exempt as of December 31, 2021 and 2020.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Investment Contract with Insurance Company

The fixed income account holds a benefit-responsive investment contract (the "Contract") with Talcott. Talcott maintains the contributions in a general account. The account is credited with earnings and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The Contract can be redeemed daily unless the amounts transferred from the Contract are being transferred to a competing contract or an amount transferred from a contract to an account may not subsequently be transferred to another account which Talcott considers to be a competing contract for a period of 90 days beginning on the date such an amount is transferred from the account. The amount of the withdrawal, when added to the sum of all such withdrawals and transfers from the Contract made during the preceding twelve months, cannot exceed one sixth of the balance of the Contract. Participants may be subject to a surrender charge or market value adjustment upon early liquidation of their investment in the Contract.

Because the Contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Contract. Contract value, as reported to the Plan by Talcott, represents contributions made under the Contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawals or transfers of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. Such interest rates may change from time to time. Any such change by Talcott shall be declared in advance and shall become effective as of the first day of the month immediately following the date the Company is mailed notice of such change. The declared interest rate credited during a contract year shall not be less than the guaranteed rate for such contract year.

Note 7 - Party-In-Interest Transactions

Plan investments are funds managed by Empower and therefore, these transactions qualify as party-in-interest transactions.

Note 8 - Subsequent Events

Management has evaluated subsequent events through July 27, 2022, which was the date that the financial statements were available to be issued, and has determined that there are no subsequent events to be reported.
