### **Independent Auditors' Report**

To the Plan Administrator and Participants of the  
Bradley Caldwell, Inc. 401(k) Retirement Savings Plan  
Hazleton, Pennsylvania

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i – Schedule of Assets (held at end of year) at December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or

is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# BRADLEY CALDWELL, INC. 401(K) RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021  
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

### NOTE 1 Description of Plan

The following description of the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan (the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all employees of Bradley Caldwell, Inc. (the "Company") who have completed 90 days of service and attained age 21, except those employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless such agreement expressly provides for participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

#### Contributions

Participants may contribute up to 100% of pretax compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Previously under the Plan, participants were able to make after-tax voluntary contributions to the Plan. These contributions are no longer permitted and the voluntary after-tax contribution portion of the participant's account is still maintained under the Plan. The Company makes a discretionary matching contribution of 25% of the salary deferrals that do not exceed 4% of compensation and may make an additional discretionary profit-sharing contribution to the Plan. There were no discretionary profit-sharing contributions made in 2021 or 2020. Participants direct all contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

#### Participant accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Plan earnings and any discretionary profit-sharing contributions made by the Company. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are always 100% vested in their elective deferral, rollover and voluntary after-tax contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of credited service. Participants are 100% vested in the Company's contribution portion of their account after four years of credited service for matching contributions and any additional discretionary contributions.

### NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021  
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

#### Payment of benefits

A participant is eligible to receive a distribution of his or her vested account balance upon termination of service due to death, disability, retirement or other reasons. The normal form of payment of benefits is a lump sum. Participants may elect to receive their distribution in installment payments or a life annuity. The Plan also provides for in-service distributions to eligible participants of his or her vested account balance.

#### Notes receivable from participants

Participants may borrow from their investment fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. See Note 10 for implemented CARES Act provisions. The loans are secured by the balance in the participant's accounts, bear interest at a rate commensurate with local and prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

#### NOTE 2 Summary of significant accounting policies

##### Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

##### Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

##### Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

##### Risk and uncertainties

The Plan provides for various investment options in various combinations of investment funds. Investment funds are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially effect participants' account balances and the amounts reported in the statements of net assets available for benefits.

##### Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the

measurement date. The Investment Committee determines the Plan's valuation policies. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date-basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### Payment of benefits

Benefits are recorded when paid.

##### Forfeited accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined, represents forfeiture. Forfeitures are to be used to pay administrative expenses or reallocated to the remaining participants. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$7,832 and \$9,975, respectively, which were reallocated to the remaining participants.

##### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

##### NOTE 3 Related party transactions and party in interest transactions and expenses

Certain Plan investments are managed by Fidelity Investments ("Fidelity"). Subsidiaries of Fidelity are the trustee and recordkeeper for the Plan. Therefore, these transactions qualify as party in interest transactions.

Fidelity provided certain administrative services to the Plan pursuant to its agreement with the Company. Fidelity received revenue from mutual fund service providers for services they provided to the funds. This revenue was used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

A third-party trustee held the Plan's assets and administrative expenses were incurred for its services. Contributions are invested based on the participant's investment allocations. The third-party administrator invests cash received, reinvests investment income and liquidates investments for distributions to participants. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment related expenses are included in net appreciation in fair value of investments. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment advisory and management fees are also included in administrative expenses. Administrative expenses paid by the Plan amounted to \$77,717 for the year ended December 31, 2021.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

| Interest income on notes receivable<br>from participants | 21,997     |            |

NOTE 5 Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs used in determining valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

# BRADLEY CALDWELL, INC. 401(K) RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS

### YEAR ENDED DECEMBER 31, 2021 (WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market funds: Valued using a net asset value of \$1.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

| Investment Assets at Fair Value<br>as of December 31, 2021 |                      |         |         |                      |

- Administrative fees: Administrative fees, including amounts paid to the Plan administrators and trustee, were \$77,717 for the year ended December 31, 2021. The Company may pay certain fees and expenses of the Plan.

**NOTE 8 Tax status**

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9 Risks and uncertainties**

Management continues to evaluate the impact of the COVID-19 pandemic and has concluded that while it is reasonably possible that the virus could have a negative effect on the Plan's financial position and results of its operations and Plan investments, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

- Special coronavirus distributions up to \$100,000
- Defer loan repayments, if applicable, up to one year.

**NOTE 11 Subsequent events**

**Independent Auditors' Report**

To the Plan Administrator and Participants of the  
Bradley Caldwell, Inc. 401(k) Retirement Savings Plan  
Hazleton, Pennsylvania

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i – Schedule of Assets (held at end of year) at December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or

is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# BRADLEY CALDWELL, INC. 401(K) RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021  
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

### NOTE 1 Description of Plan

The following description of the Bradley Caldwell, Inc. 401(k) Retirement Savings Plan (the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all employees of Bradley Caldwell, Inc. (the "Company") who have completed 90 days of service and attained age 21, except those employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless such agreement expressly provides for participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

#### Contributions

Participants may contribute up to 100% of pretax compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Previously under the Plan, participants were able to make after-tax voluntary contributions to the Plan. These contributions are no longer permitted and the voluntary after-tax contribution portion of the participant's account is still maintained under the Plan. The Company makes a discretionary matching contribution of 25% of the salary deferrals that do not exceed 4% of compensation and may make an additional discretionary profit-sharing contribution to the Plan. There were no discretionary profit-sharing contributions made in 2021 or 2020. Participants direct all contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

#### Participant accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Plan earnings and any discretionary profit-sharing contributions made by the Company. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are always 100% vested in their elective deferral, rollover and voluntary after-tax contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of credited service. Participants are 100% vested in the Company's contribution portion of their account after four years of credited service for matching contributions and any additional discretionary contributions.

### NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021  
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

#### Payment of benefits

A participant is eligible to receive a distribution of his or her vested account balance upon termination of service due to death, disability, retirement or other reasons. The normal form of payment of benefits is a lump sum. Participants may elect to receive their distribution in installment payments or a life annuity. The Plan also provides for in-service distributions to eligible participants of his or her vested account balance.

#### Notes receivable from participants

Participants may borrow from their investment fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. See Note 10 for implemented CARES Act provisions. The loans are secured by the balance in the participant's accounts, bear interest at a rate commensurate with local and prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

#### NOTE 2 Summary of significant accounting policies

##### Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

##### Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

##### Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

##### Risk and uncertainties

The Plan provides for various investment options in various combinations of investment funds. Investment funds are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially effect participants' account balances and the amounts reported in the statements of net assets available for benefits.

##### Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the

measurement date. The Investment Committee determines the Plan's valuation policies. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date-basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### Payment of benefits

Benefits are recorded when paid.

##### Forfeited accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined, represents forfeiture. Forfeitures are to be used to pay administrative expenses or reallocated to the remaining participants. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$7,832 and \$9,975, respectively, which were reallocated to the remaining participants.

##### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

##### NOTE 3 Related party transactions and party in interest transactions and expenses

Certain Plan investments are managed by Fidelity Investments ("Fidelity"). Subsidiaries of Fidelity are the trustee and recordkeeper for the Plan. Therefore, these transactions qualify as party in interest transactions.

Fidelity provided certain administrative services to the Plan pursuant to its agreement with the Company. Fidelity received revenue from mutual fund service providers for services they provided to the funds. This revenue was used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

A third-party trustee held the Plan's assets and administrative expenses were incurred for its services. Contributions are invested based on the participant's investment allocations. The third-party administrator invests cash received, reinvests investment income and liquidates investments for distributions to participants. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment related expenses are included in net appreciation in fair value of investments. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment advisory and management fees are also included in administrative expenses. Administrative expenses paid by the Plan amounted to \$77,717 for the year ended December 31, 2021.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

| Interest income on notes receivable<br>from participants | 21,997     |            |

NOTE 5 Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs used in determining valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

# BRADLEY CALDWELL, INC. 401(K) RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS

### YEAR ENDED DECEMBER 31, 2021 (WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market funds: Valued using a net asset value of \$1.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

| Investment Assets at Fair Value<br>as of December 31, 2021 |                      |         |         |                      |

**YEAR ENDED DECEMBER 31, 2021  
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)**

**NOTE 6 Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all interests of participants will become 100% vested in their employer contributions.

**NOTE 7 Party in interest transactions**

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The following transactions represent party in interest transactions to the Plan.

- Money market and mutual funds: Investment options include Fidelity money market and mutual funds. The fair value of these investments was \$26,689,776 and \$23,643,471 at December 31, 2021 and 2020, respectively.
- Notes receivable from participants: The Plan accepts and services loans to Plan participants as described in Note 1. Notes receivable from participants totaled \$405,637 and \$474,313 as of December 31, 2021 and 2020, respectively.
- Administrative fees: Administrative fees, including amounts paid to the Plan administrators and trustee, were \$77,717 for the year ended December 31, 2021. The Company may pay certain fees and expenses of the Plan.

**NOTE 8 Tax status**

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9 Risks and uncertainties**

Management continues to evaluate the impact of the COVID-19 pandemic and has concluded that while it is reasonably possible that the virus could have a negative effect on the Plan's financial position and results of its operations and Plan investments, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
