CallRail 401(k) Plan
Atlanta, GA

We have audited the financial statements of CallRail 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] as of December 31, 2021 and for the year ended December 31, 2021, and issued our report thereon dated August 16, 2022. As permitted by ERISA Section 103(a)(3)(C) our audit did not extend to any statements or information related to assets held for investment (investment information) of the Plan by Fidelity Management Trust Company (Fidelity), which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated March 21, 2022. Professional standards also require that we provide you with the following information related to our audit.

Significant Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new significant accounting pronouncements were adopted by the Plan in the current year and the application of existing policies was not changed during the audited year. We noted no transactions entered into by the Plan during the audited period for which there is a lack of authoritative guidance or consensus.

To Management and Those Charged with Governance
CallRail 401(k) Plan

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements is the fair value measurement for the Plan's assets.

Management's estimate of the fair value of the Plan's assets is based on the provisions described in ASC 820, as disclosed in Note 4 to the financial statements. We relied on the certification provided by Fidelity that investment information, including fair value, is complete and accurate. We have determined the estimate is reasonable in relation to the financial statements taken as a whole.

Financial Statement Disclosures

Management is responsible for the selection and use of appropriate financial statement disclosures to ensure that the financial statements are prepared in accordance with U.S. GAAP. The significant financial statement disclosures include investment valuation and income recognition. No matters have come to our attention that would require us, under professional standards, to inform you that the financial statement disclosures selected and prepared by management do not comply with U.S. GAAP.

Form 5500 Procedures

We are required to obtain and read a substantially completed draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Unusual Transactions

Significant unusual transactions are significant transactions that are outside the normal course of business for the Plan or that otherwise appear to be unusual due to their timing, size, or nature. We noted no transactions entered into by the Plan during the audited period that were both significant and unusual, and of which, under professional standards, we are required to inform you.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

To Management and Those Charged with Governance

CallRail 401(k) Plan

August 17, 2022

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as disagreements that arose during the audit, regardless of whether they were satisfactorily resolved, about matters that individually, or in the aggregate, could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matter Paragraphs in the Independent Auditor's Report

We draw your attention to the Other Matter paragraph in the Independent Auditor's Report regarding the Auditor's Report on the 2020 Financial Statement.

Audit Adjustments and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. For purposes of this letter, professional standards define an audit adjustment as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. An audit adjustment may or may not indicate matters that could have a significant effect on the Plan's financial reporting process (that is, cause future financial statements to be materially misstated). There were no proposed audit adjustments to the financial statements.

Significant Findings or Issues Discussed or Subject to Correspondence with Management

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants during our audit.

ERISA-Required Supplemental Schedule

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independence

Our professional standards suggest that we communicate to you, at least annually, matters that we have considered in determining that we are independent of the Company and provide confirmation that we are independent accountants with respect to the audit of the Plan.

We also provided administrative assistance in preparing the financial statements.

These services were provided in accordance with AICPA Ethics Interpretation 101-3 and we do not believe our independence was impaired by providing these services.

We hereby confirm that as of the date of this letter, we are independent accountants with respect to the Plan under the relevant professional standards and Department of Labor regulations.

This information is intended solely for the use of the Plan Administrator, Board, those charged with governance, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

A handwritten signature in black ink that reads "Frazier & Deeter, LLC". The signature is written in a cursive, flowing style.

This representation letter is provided in connection with your engagement to audit the financial statements and supplemental schedule of the CallRail 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (collectively referred to as the financial statements). As permitted by Regulation Section 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company (Fidelity), in accordance with DOL Regulation Section 2520.103-5, except for comparing such information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Fidelity has been audited by you in accordance with auditing standards generally accepted in the United States, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of August 16, 2022, the following representations made to you during your audit.

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated March 21, 2022, including our responsibility for the preparation and fair presentation of the financial statements.
2. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit as of and for the year ended December 31, 2021, and this election does not affect our responsibility for the financial

statements and for determining the following:

- a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
- b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
- c) The certification meets the 29 CFR 2520.103-5 requirements.
 - d) The certified investment information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
3. We engaged you to audit the statement of net assets available for benefits of the Plan as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2020 (2020 Financial Statements). As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, we instructed you not to perform auditing procedures with respect to investment information certified by a qualified institution. You indicated that (a) because of the significance of the information that you did not audit, you were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, you did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
4. The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above, including its form and content, is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
5. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

6. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
7. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
8. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable and result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.
9. Related-party relationships and transactions, including relationships and transactions with

DocuSign Envelope ID: 3C86E925-26DF-4DB7-AE6C-6DDB26249C8D

parties-in-interest, as defined by ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP and ERISA Section 3(14) and regulations thereunder. We have disclosed to you the identity of the Plan's related parties and parties-in-interest and all the related-party and parties-in-interest relationships and transactions of which we are aware.

10. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
11. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted an attorney concerning litigation, claims, or assessments. We have disclosed to you all known actual or possible pending or threatened litigation, claims, or assessments or unasserted claims whose effects should be considered when preparing the financial statements.
12. Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the Plan or Trust's tax status) that legal counsel has advised us that must be disclosed have been properly disclosed.
13. Significant estimates and material concentrations, if any, have been properly disclosed in accordance with U.S. GAAP.
14. Financial instruments with concentrations of credit risk, if any, have been properly recorded or disclosed in the financial statements.
15. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP. There are no oral or written guarantees of the debt of others for which the Plan is contingently liable.
16. The supplemental schedule or financial statements disclose the following, if applicable:
 - a) All non-exempt party-in-interest transactions, as defined in ERISA Section 3(14) and regulations under the section.
 - b) Investments or loans in default or considered to be uncollectible.

- c) Prohibited or reportable transactions, as defined in ERISA Section 103(b)(3)(H) and regulations under that section.

17. We have provided you with:

- a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;

- b) A substantially complete draft of Form 5500;

DocuSign Envelope ID: 3C86E925-26DF-4DB7-AE6C-6DDB26249C8D

- c) Additional information that you have requested from us for the purpose of the audit;

- d) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence;

- e) Minutes of the meetings of Plan committees or summaries of actions of recent meetings for which minutes have not yet been prepared;

- f) Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to
comply with applicable laws. All relevant Plan information has been disclosed to you including all summary plan description changes, benefit communications, Plan amendments and other changes.

18. All transactions have been recorded in the accounting records and are reflected in the financial statements.

19. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

20. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves: a) Management;

- b) Employees who have significant roles in internal control; or

- c) Others when the fraud could have a material effect on the financial statements.

21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, or third-party administrators, or others that could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Plan.

22. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and Internal Revenue Service (IRS) regulations) whose effects should be considered when preparing the financial statements.

23. The Plan, or its related trust, has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed. All assets to which the Plan, or its related

trust, has satisfactory title appear in the statements of net assets available for benefits. There are no material commitments for the acquisition of financial instruments or other assets.

24. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities and have no knowledge of any matters affecting the Plan Sponsor that could be significant to the Plan.

DocuSign Envelope ID: 3C86E925-26DF-4DB7-AE6C-6DDB26249C8D

25. We have no intentions to terminate the Plan.

26. We have complied with all aspects of contractual agreements, including employee benefits related contracts that would have a material effect on the financial statements in the event of noncompliance and have not breached our fiduciary responsibilities.

27. There are no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize, and report financial data. There have been no significant changes in internal control since December 31, 2021.

28. We have obtained and reviewed the service auditor's SOC 1 report and are performing the applicable user controls.

29. There are no estimates that may be subject to a material change in the near term that have not been properly disclosed in the financial statements. We understand that near term means the period within one year of the date of the financial statements. In addition, we have no knowledge of concentrations existing at the date of the financial statements that make the Plan vulnerable to risk of severe impact that have not been properly disclosed in the financial statements.

30. There are no conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year after the date of this letter.

31. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan. There have been no communications from regulatory agencies or government representatives concerning investigations or allegations of noncompliance with laws or regulations in any jurisdiction, or deficiencies in financial reporting practices, or other matters that could have a material effect on the financial statements.

32. We have no knowledge of any omissions from the participant data provided to the Plan's recordkeeper for the purpose of determining the allocations to individual accounts used in the preparation of the financial statements.

33. All required amendments and filings of Call Rail 401(k) Plan documents with the appropriate agencies have been made.

34. Amendments to the Plan instrument, including amendments to comply with applicable laws, have been properly recorded or disclosed in the financial statements (if significant) or to the auditors.

35. We recognize that the audit procedures performed did not encompass all of the procedures necessary to determine the tax-qualified status of the Plan, nor the tax consequences of the Plan Sponsor or plan participants. However, we confirm to the best of our knowledge and belief that the Plan is qualified and the associated trust is tax exempt under the appropriate sections of the Internal Revenue Code and we intend to continue them as a qualified Plan and a tax exempt trust. The Plan Sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status.

DocuSign Envelope ID: 3C86E925-26DF-4DB7-AE6C-6DDB26249C8D

36. Required nondiscrimination testing, including testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.

37. We have chosen to rely on the current Internal Revenue Service opinion letter issued on behalf of the nonstandardized prototype plan, which we have adopted. We have determined, in accordance with IRS guidance, that we are eligible to rely on the prototype opinion letter and, therefore, have not applied for a determination letter on our adoption of the Plan. We understand that this opinion letter does not cover some of the key requirements of the Internal Revenue Code covering tax qualified plans.

38. The Plan has complied with the fidelity bonding requirements of ERISA.

39. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions and loan repayments to trusts containing assets for the Plan.

40. In May 2021, we acquired PhoneWagon, Inc. and any acquired employees were eligible to join the Plan.

41. We acknowledge our responsibility for presenting the required supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the required supplemental schedule has been fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

42. As Plan Sponsor, we are responsible for making the fair value measurements and disclosures included in the financial statements, including determining the fair value of investments for which a readily determinable fair value does not exist. As part of fulfilling this responsibility, we have established an accounting and financial reporting process for determining the fair value measurements and disclosures, selected appropriate valuation methods, identified and adequately supported any significant assumptions used, prepared the valuation, and ensured that the presentation and disclosure of the fair value measurements are in accordance with U.S. GAAP and ensured that the Form 5500 is reported at fair value. We believe the assumptions and methods used by us, including those used by specialists engaged by us, are appropriate in the circumstances and the resulting valuations and disclosures are reasonable.

43. We are not aware of any potential uncertain tax positions that would, if necessary, meet the more likely than not threshold and require us to record a liability as of December 31, 2021.

44. As Plan Sponsor and Administrator, we are responsible for ensuring that all Plan fee disclosure rules under Regulation Section 408(b)(2) of ERISA have been met.

We have obtained the required written agreement(s)/contract(s) and fee disclosures from covered service providers. We are also aware that we are responsible for determining that the fees paid by the Plan are reasonable and have taken action, or will take action, including plan fee/service benchmarking, to make that determination.

As Plan Sponsor and Administrator, we are also responsible for ensuring that the Plan meets all participant disclosure rules under Regulation Section 404(a)(5) of ERISA. We have delivered to

DocuSign Envelope ID: 3C86E925-26DF-4DB7-AE6C-6DDB26249C8D

the Plan participants the required disclosures under the regulation.

45. We are not aware of any violations of independence.

46. We have disclosed to you any and all cyber security incidents that have occurred during the reporting period or through the date of this letter.

47. We acknowledge that you do not provide hosting services as defined by the American Institute of Certified Public Accountants. We are responsible for the retention of all financial and non

financial information transmitted to you through an upload to a portal, electronic transfer, email correspondence, or provision of printed copies. We are also responsible for downloading in a timely manner and retaining anything you upload.

48. We acknowledge your administrative assistance in preparing our financial statements. We have reviewed the financial statements and confirm our responsibility for their completeness and

accuracy. We have reviewed all proposed audit entries and have elected to make all audit entries.

During 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a public health emergency. There have been mandates from international, federal, state and local authorities requiring forced closures of various schools, business and other facilities and organizations. The Plan Sponsor understands that these forced closures could negatively impact the Plan. While the closures and limitations on movement, domestically and internationally, are expected to be temporary, at this time the Plan Sponsor cannot estimate the related financial statement impact.

Very truly yours,

Whitney Bennett
VP of Talent & Culture

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants
CallRail 401(k) Plan
Atlanta, GA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the CallRail 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) Audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) Audit opinion on the 2021 Financial Statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) Audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) Audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to

or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statement

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020 (2020 Financial Statement). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 Financial Statement, and (b) the form and content of the information included in the 2020 Financial Statement other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CALLRAIL 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Description of plan:

The following description of the CallRail 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan sponsor is CallRail (the Company, Plan Sponsor or Plan Administrator). The Plan is a defined contribution plan covering substantially all salaried employees of the Company. Upon employment, salaried employees are immediately eligible to participate in the Plan. Union employees, nonresident alien employees with no U.S. source income, and leased employees are not eligible to participate in the Plan. During 2021, the Company acquired PhoneWagon, Inc. and acquired employees were eligible to join the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the CallRail 401(k) Plan Retirement Committee (Retirement Committee), which consists of certain members of management of the Company.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Roth contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically-enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated default investment fund until changed by the participant. The Plan includes scheduled increases of automatic deferrals for 1% on the first day of each new Plan year up to a maximum of 10% of compensation. The Company may make discretionary matching and profit sharing contributions. For 2021, the Company made discretionary matching contributions of 100% of the first \$5,000 that participants contributed to the Plan. During the year ended December 31, 2021, the Company made \$1,127,875 in discretionary matching contributions to the Plan. During 2021, the Company made profit sharing contributions of \$5,000 to participants employed as of December 31, 2020 and \$1,000 to any participants hired between January 1, 2021 and June 30, 2021, and still employed as of December 31, 2021. For the year ended December 31, 2021, the Company made \$1,035,000 in profit sharing contributions to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants direct the investment of their contributions into various investment options offered by the Plan.

Note 1 - Description of plan - continued:

Participant accounts

Each participant's account is credited with the participant's contributions and Company contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. For employees hired before January 1, 2017, participants are immediately 100% vested in Company contributions and earnings thereon. For employees hired after January 1, 2017, vesting in the Company contributions and earnings thereon is based on years of continuous service during which the participant obtained a minimum of 1,000 hours of service.

Participants hired after January 1, 2017 become vested in company matching and profit sharing contributions in accordance with the following schedule:

<u>Completed Years of Service</u>	<u>Percentage Matching Contributions Vested</u>	<u>Percentage Profit Sharing Contributions Vested</u>
0	0%	0%
1	100%	0%
2	100%	0%
3	100%	100%

Participants are immediately vested upon termination of the Plan, upon reaching the normal retirement age of 65, or upon disability or death while an employee of the Plan Sponsor. Forfeitures of terminated participants' non-vested accounts are used to reduce the Company's contribution for the plan year.

Note 1 - Description of plan - continued:

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$75,996 and \$8,672. These accounts are used to reduce future Company contributions. During the year ended December 31, 2021, there were no forfeited non-vested accounts used as a reduction to Company contributions.

Payment of benefits

A participant is entitled to receive a lump-sum amount equal to the vested value of his or her account upon attainment of age 59½, termination of service, retirement, disability, or death. A participant may request a withdrawal from the Plan while still under the employment of the Company for reasons of financial hardship.

Notes receivable from participants

Participants may borrow from the Plan in any amount greater than \$1,000 up to 50% of the participant's vested account balance, not to exceed \$50,000. During 2020, notes up to 100% of the participant's vested account balance, not to exceed \$100,000, were permitted for qualified individuals as defined under IRS Notice 2020-50 due to recent legislation. Further, the qualified individuals were permitted to suspend note payments and extend note terms for an additional year (see Note 2). Note terms are for a period not exceeding five years unless for the purchase of a principal residence, in which case the note repayment period may not extend beyond 10 years. Notes are secured by the balance in the participant's account and bear interest at an agreed-upon percentage based on prevailing market rates. Principal and interest is paid ratably through payroll deductions. Participants are allowed one outstanding note.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Company reserves the right to elect to pay, or have the Plan pay, administrative costs in the future. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 2 - Summary of significant accounting policies:

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Stable value fund

Investments in the stable value fund is reported at fair value. The stable value fund, at the fund level, is composed primarily of fully benefit-responsive investment contracts held by the fund's trustee. These contracts are not considered fully benefit-responsive to the Plan as the underlying contracts are not direct investments between the Plan and the issuer. The Plan has elected to value the stable value fund using net asset value (NAV) as the practical expedient to determine fair value.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and the trustee (See Note 3). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2 - Summary of significant accounting policies - continued:

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Recent accounting pronouncements

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement* (ASU 2018-13). ASU 2018-13 changes the fair value measurement disclosure requirements of Accounting Standards Codification 820, Fair Value Measurement (ASC 820). Applicability of the provisions in ASU 2018-13 can depend on whether the reporting entity is a non-public entity. New disclosure requirements under ASU 2018-13 are applicable only to other than non-public entities and not applicable to this Plan. Eliminated and modified disclosure requirements under ASU 2018-13 impact the reporting of transfers between Level 1 and Level 2 assets (defined in Note 4), Level 3 asset disclosures, and disclosures about investments in certain entities valued at net asset value. ASU 2018-13 was effective for all entities for fiscal years beginning after December 15, 2019. Management adopted ASU 2018-13 effective January 1, 2020. The adoption of ASU 2018-13 did not have a material impact on the Plan's financial statements.

Note 2 - Summary of significant accounting policies - continued:

Recent legislative developments

In December 2019, Congress passed the SECURE Act which included numerous reforms to existing retirement law and allows plan sponsors to make certain immediate plan operational changes without formal amendment of the plan document. If adopted, plan documents are required to be formally amended by the end of the first plan year beginning on or after January 1, 2022.

In March 2020, Congress passed the CARES Act which included optional immediate changes to distribution and loan provisions without formal amendment of the plan document. If adopted, plan documents are required to be formally amended by the end of the first plan year beginning on or after January 1, 2022.

The Plan Sponsor operationally implemented various changes and will be amending the Plan for these changes.

Effects of COVID-19

In March 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a pandemic and the President of the United States declared it a national emergency. The COVID-19 pandemic remains subject to the development and severity of new variants. The extent of the impact of COVID-19 on the Plan and financial results will depend on future developments, including the duration and spread of the outbreak within the markets in which the Plan Sponsor operates, government actions and programs, and the related impact on consumer confidence and spending, all of which are highly uncertain.

Subsequent events

The Plan has evaluated subsequent events through August 16, 2022, which is the date these financial statements were available to be issued. All subsequent events, if any, requiring recognition as of December 31, 2021, have been incorporated into these financial statements.

Note 3 - Investments and information certified by the trustee:

Fidelity Management Trust Company (Fidelity) is the trustee for the Plan. Fidelity holds the Plan's investment assets and executes investment transactions. Management has determined that Fidelity is a qualified institution and the information prepared and certified by Fidelity meets the requirements of ERISA Section 103(a)(3)(C). Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fidelity.

Note 4 - Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 4 - Fair value measurements - continued:

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Shares of mutual funds are valued on the basis of readily determinable market prices.
- Money market funds are stated at cost, which approximates fair value due to the short-term nature of the investment.
- Units of participation in the stable value fund are valued at the NAV provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the stable value fund, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidation will be carried out in an orderly business manner.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5 - Related-party transactions:

Certain Plan investments are mutual funds, a money market funds and stable value fund managed by an affiliate of Fidelity. Fidelity is the Plan's trustee and recordkeeper, as defined by the Plan and, therefore, these transactions qualify as party in interest transactions and are exempt from the prohibited transaction rules. Fees incurred by the Plan for the investment management services are included in net appreciation.

Note 6 - Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 - Tax status:

The underlying prototype plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
