Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditor's Report

To the Plan Administrator
Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan
Anchorage, Alaska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and

certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan

Statement of Changes in Net Assets Available for Benefits

1. Description of Plan

The following description of the Kikiktagruk Inupiat Corporation 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan was formed on November 1, 1994 and was restated effective March 1, 2021. The Plan is a defined contribution plan that covers all employees of Kikiktagruk Inupiat Corporation and its subsidiaries (the Company or Employer), who are age twenty-one or older, and who are not members of an excluded employee group. Excluded employees are union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless the collective bargaining agreement requires the employee to be included within the Plan, and certain nonresident aliens who have no earned income from sources within United States. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, (ERISA) and the Internal Revenue Code (IRC).

Custodian and Administration of the Plan

The custodian of the Plan is John Hancock Life Insurance Company (U.S.A) (John Hancock). The administrator of the Plan is the Company. The custodian holds all assets of the Plan in accordance with the service provider contract with the Company. The administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined, into the Plan. Participants can contribute on a before-tax basis, an after-tax basis (Roth), or a combination thereof, subject to annual Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled into the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a default investment that the Plan administrator has selected.

Effective March 1, 2021, the Employer will make matching contribution of 50% of a participant's effective deferrals, up to 8% of eligible compensation. The Plan also changed the requirement for contributions made to satisfy the fringe benefit requirements of the prevailing wage laws and contributions required by certain collective bargaining agreements from mandatory to discretionary. During the year ended December 31, 2021, there were \$227,242 of employer matching contributions made to the Plan. In addition, the Employer may make a discretionary profit-sharing contribution. In order to share in the profit-sharing contribution for a Plan year, employees must be employed on the last day of the Plan year and complete at least 1,000 hours of service during the plan year. There were no discretionary profit-sharing contributions made to the Plan during the year ended December 31, 2021.

Participant Accounts

Each participant account is credited with the participant's contributions, contributions from the Company, as well as allocations of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account balances a minimum of \$1,000, up to a maximum equal to the lesser of (i) \$50,000 or (ii) 50% of the present value of the participant's account balance. Loan terms range from one to five years or longer if funds are used for the purchase of a principal residence. The loans are collateralized by the participant's account balance. Principal and interest are paid to the Plan through payroll deductions. The Plan administrator determines a reasonable rate of interest by reviewing the interest rates charged for similar types of loans by other lenders. The interest rate is fixed for the duration of the loan. The maximum number of Plan loans that participants may have outstanding at any time is one.

Vesting

Participants are vested immediately in their elective deferrals and earnings thereon. Vesting in the Employer's matching and profit-sharing contribution portion of their account was based on years of continuous service. A participant was 25% vested after one year of service, 50% vested after two years of service and 100% vested after 3 years of credited service. Participants were immediately vested in the Company's contributions made to satisfy the fringe benefit requirements of the prevailing wage laws and contributions required by certain collective bargaining agreements. In the event of death, permanent disability or retirement, a participant's employer contribution account was fully vested. Effective March 1, 2021, all employer contributions are immediately 100% vested.

Benefit Payments

Vested benefits will normally be distributed to the participant or the participant's beneficiary upon termination of employment, death, disability, or retirement. In-service distributions are allowed for participants 59½ and older. Distributions are allowed in a single lump sum payment or in the form of partial withdrawals of at least \$1,000. If a vested benefit does not exceed \$5,000, a single lump sum payment will be distributed or rolled over to an IRA for the benefit of a participant, without participant's consent. Financial hardship withdrawals are permitted, as defined in the Plan Agreement.

Forfeited Accounts

Forfeitures occur when participants terminate employment before becoming 100% vested with respect to their Employer matching and profit-sharing contributions. Forfeitures may be used to pay administrative expenses and Employer contributions. As of December 31, 2021 and 2020, no unallocated forfeiture amounts were available. During the year ended December 31, 2021, no forfeitures were used by the Plan.

2. Summary of Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are treated as distributions based upon the terms of the Plan Agreement. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are paid by the Company, except for certain expenses that are charged to participant accounts, including loan, withdrawal fees, plan administrative fees, and investment management fees. Certain investment expenses which are charged within investments are presented net of the appreciation (depreciation) in fair value of investments. All other expenses of the Plan for the year ended December 31, 2021 were paid by the Company and are excluded from these financial statements.

3. Fair Value Measurements

The accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: The pooled separate accounts are valued, as a practical expedient, at the net asset value of units held by the Plan daily, and therefore are not presented in a fair value hierarchy table. The net asset value of these accounts is based on the market value of its underlying investments. The net asset value is not a publicly quoted price in an active market. Due to the nature of these investments, there are no unfunded commitments or redemption restrictions. Furthermore, the underlying investments of these pooled separate accounts consist of mutual funds or fixed maturity securities, each of which follows the investment strategies of those underlying investments. All of the Plan's investments are pooled separate accounts.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with Subtopic 820-10, the pooled separate accounts have not been classified in the fair value hierarchy since they are measured at net asset value per share (or its equivalent).

4. Information Certified by John Hancock Life Insurance Company (U.S.A)

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- (a) Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- (b) Total investment income and interest income from notes receivable, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- (c) Investment information included in the Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown in the ERISA-required supplemental schedules.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

5. Tax Status

The Plan has adopted a Volume Submitter Profit Sharing Plan with CODA sponsored by Pension Plan Specialists, PC which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020 which states that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter; however, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.

7. Related-Party Transactions and Party-in-Interest Transactions

Plan investments are managed by John Hancock. Distribution and loan processing fees are paid to John Hancock by participants. The Plan paid for investment advisory fees and recordkeeping services fees which qualify as party-in-interest transactions as defined by ERISA. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. The Plan also issues loans to participants which are secured by the vested balance of the participant's accounts. These transactions are permitted under provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Delinquent Participant Contributions

During the year ended December 31, 2021, participant contributions totaling \$181,516 were not remitted to the Plan within the timeframe prescribed by DOL regulations. The contributions were remitted to the Plan during 2021, however, lost earnings will be remitted in 2022. During the years ended December 31, 2020 and 2019, participant contributions totaling \$426,342 and \$356,684, respectively were not remitted to the Plan within the timeframe prescribed by DOL regulations. The participant contributions were remitted to the Plan during 2020 and 2019, respectively and the lost earnings were remitted to the Plan during 2021. These transactions constitute prohibited transactions as defined by ERISA.

10. Subsequent Events

The Plan has evaluated subsequent events through August 22, 2022, the date which the financial statements were available to be issued.
