INDEPENDENT AUDITOR'S REPORT

To the Plan Administrative Committee
Hawkins Ash CPAs, LLP Retirement Plan
La Crosse, Wisconsin

Report on the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **HAWKINS ASH CPAs, LLP RETIREMENT PLAN** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain other internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C),

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of **HAWKINS ASH CPAS, LLP RETIREMENT PLAN**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HAWKINS ASH CPAS, LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

(1) Summary of Significant Accounting Policies

Method of Accounting

The financial statements of Hawkins Ash CPAs, LLP Retirement Plan (The Plan), are prepared using the accrual method of accounting.

Nature of Business of Plan Sponsor

Hawkins Ash CPAs, LLP (the Plan Sponsor, Plan Administrator, Employer or the Company), is a regional, full-service public accounting firm providing services across the United States. The Company's offices are located in Wisconsin and Minnesota.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value on a recurring basis as determined by Fidelity Management Trust Company (the Trustee) (Notes 5 and 7). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Net Change in Fair Market Value of Investments

The net appreciation (depreciation) in fair market value of investments is composed of the realized gains and losses in securities that were sold or otherwise disposed of during the year, and the unrealized gains and losses in securities held at the end of the year.

Risks and Uncertainties

The Plan provides for various investment options. Investments are exposed to various risks, such as interest, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Subsequent Events

The Plan has evaluated subsequent events through August 9, 2022, the date which the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2021 AND 2020

(2) Description of the Plan

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Hawkins Ash CPAs, LLP Retirement Plan is a salary reduction plan for the benefit of the employees and partners of Hawkins Ash CPAs, LLP. The Plan was adopted with an effective date of January 1, 2007. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the Company who have attained the age of twenty-one are eligible to participate in the Plan. Employees are eligible to receive employer matching and profit-sharing contributions from the Employer after completing one year with 1,000 hours of service.

Contributions

Participating employees contribute an amount each pay period as provided for in their participation agreement. Employees may contribute from 1 percent to 80 percent of their compensation, not to exceed certain limits established by the Internal Revenue Service (IRS). The Plan provides for discretionary matching contributions by the Company. During the years ended December 31, 2021 and 2020, discretionary matching contributions equaled each participant's elective deferral contributions not exceeding 5 percent of their pretax annual compensation. The Plan also allows for other discretionary profit-sharing contributions by the Company. There were no discretionary profit-sharing contributions for the years ended December 31, 2021 or 2020. Contributions are subject to certain IRS limitations.

The Plan allows Roth elective deferrals. Contributions to Roth accounts are made on an after-tax basis and contributions to a Roth account are included in the participant's gross contributions. Future distributions of Roth elected contributions and earnings thereon will not be taxed, if certain criteria are met. Roth elective deferrals to the Plan are permanently designated as Roth elective deferrals in participant accounts. The participant's Roth deferrals and gains and losses attributable to such deferrals are accounted for separately.

The Plan instituted automatic enrollment in which the Plan Sponsor automatically withholds five percent of the employee's compensation upon becoming eligible to participate unless otherwise elected by the participant. Contributions are automatically invested in the appropriate target date fund unless the participant elects other investment options. The Plan increases the participant's automatic enrollment by one percentage each year up to a maximum of ten percent of compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching and profit sharing contributions, as well as Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HAWKINS ASH CPAS, LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2021 AND 2020

(2) Description of the Plan (Continued)

Participant Investment Options

Upon enrollment to the Plan, a participant may direct employee and employer contributions to any of the funds offered by the Plan. Participants may change their investment options daily.

Vesting

Prior to January 1, 2020, participants were immediately vested in all employee and employer contributions plus actual earnings thereon.

As of January 1, 2020, the Plan was amended to add employer contributions vesting. The portion of the participant's account attributable to the Company's match and profit-sharing contributions becomes 20 percent vested after one year of credited service, as defined, and continues to vest at the rate of 20 percent for each successive year of service until 100 percent vested after five years of credited service, or if less than five years, upon reaching normal retirement age, disability, death, or upon termination of the Plan. Only employees hired after December 31, 2019 are subject to the new vesting amendment. There were no forfeitures during the year ended December 31, 2021.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of 50 percent of their vested benefit or \$50,000, with a minimum of \$1,000. Loans bear interest at a variable of prime plus one percent, which is commensurate with local prevailing rates as determined by the Plan Administrator. Loans are repaid in equal amounts over the repayment term through payroll reductions. Repayment terms are five years or less except for loans to acquire a principal residence, which are paid over a reasonable time period not to exceed ten years, as determined by the Trustee.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination of employment, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account.

Participants with benefits in excess of \$1,000 may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Benefits not greater than \$1,000 are paid in one lump-sum upon termination of employment, death, disability or retirement. A participant with an account balance of greater than \$1,000, but less than \$5,000, may receive a rollover distribution into an individual retirement account set up by the Plan Administrator. The Plan also allows in-service withdrawals, subject to Plan provisions. Benefits are recorded when paid.

In 2020, the Plan adopted certain provisions of the CARES Act which allowed, in accordance with section 2202(a) of the act, participants to take up to a \$100,000 distribution from qualified plans between January 1, 2020 and December 31, 2020. Participants have the option to repay the Plan's distribution over a three-year period.

HAWKINS ASH CPAS, LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2021 AND 2020

(3) Administrative Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying Statements of Changes in Net Assets Available for Benefits.

(4) Concentrations

The Plan's investments that represented ten percent or more of the Plan's net assets available for benefits as of December 31, 2021 and 2020 are as follows:

	<u>2021</u>	<u>2020</u>
Fidelity Total Market Index	\$ 7,329,990	\$ 6,471,357
Vanguard Life Strategy Moderate Growth	6,823,250	6,188,654

(5) Investments -- Information Certified by the Trustee

The Trustee holds the Plan's investments, executes investment transactions, and performs all related accounting functions. The Trustee determined the fair value of investments at December 31, 2021 and 2020.

The Plan is administered by the Company. Fidelity Management Trust Company is the Trustee for the years ended December 31, 2021 and 2020. The Plan investments are held and managed by the Trustee.

In accordance with Section 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator has received certification from the Trustee as to the accuracy and completeness of certain financial information of the Plan as of and for the years ended December 31, 2021 and 2020. The Trustee has certified information contained in the following:

Statements of Net Assets Available for Benefits (except for receivables)
Statements of Changes in Net Assets Available for Benefits (except for contributions, benefits paid to participants and administrative expenses)
Supplemental Schedule of Assets Held at End of Year (except for receivables)

The Plan invests in a stable value common collective trust and mutual funds with underlying assets consisting of any combination of stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Market volatility of equity-based investments may substantially impact the value of such investments at any given time. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. It is possible that the value of the Plan's investments, both in total and in individual participant accounts, has changed significantly since December 31, 2021.

HAWKINS ASH CPAS, LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2021 AND 2020

(6) Income Tax Status

The Plan adopted the Fidelity Basic Plan Document No. 02 effective January 1, 2007. The IRS has ruled that the form of the prototype plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since receiving this determination letter from the IRS. However, the Plan Administrator and third-party administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Department of Labor (DOL) or IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Recurring Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level One: inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
- Level Two: inputs include
 1. quoted prices for similar assets or liabilities in active markets;
 2. quoted prices for identical or similar assets or liabilities in inactive markets;
 3. inputs other than quoted prices that are observable for the asset or liability;
 4. inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level Three: inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following tables present the assets carried at fair value as of December 31, 2021 and 2020, respectively, in the accompanying Statements of Net Assets Available for Benefits by fair value hierarchy, as described above.

	\$ 24,325,523	\$ -	\$ -	\$ 24,507,932

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust: Valued at the net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its ability to transact. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table summarized investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2021:				
Common/Collective Trust	\$ 144,065	n/a	Daily	None

Common/Collective Trust	\$ 182,409	n/a	Daily	None

NOTES TO FINANCIAL STATEMENTS (CONCLUDED) DECEMBER 31, 2021 AND 2020

(8) Participant Withdrawals

As of December 31, 2021 and 2020, Plan assets include terminated participants with account balances totaling approximately **\$9,676,000** and \$9,591,000, respectively. There were no amounts owed to participants who had elected to withdraw from the Plan but had not been paid as of December 31, 2021 and 2020.

(9) Party-In-Interest Transactions

Fees for legal and professional services rendered to the Plan may be paid by the Company at its discretion. The Plan allows participants to take out loans against their account balances. Certain Plan investments are shares of mutual funds managed by Fidelity.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

(10) Termination of Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

(11) Reconciliation of Schedule H of Form 5500 to Financial Statements

The following is a reconciliation of Schedule H of Form 5500 to the financial statements:
