Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

The Trustees and Participants
Wet Willie's 401(k) Plan
Savannah, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Wet Willie's 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule of Schedule H, Line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 29, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following description of the Wet Willie's 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which is sponsored by Wet Willie's Management Corp. (the Company) effective January 1, 2003, and subsequently restated on January 1, 2016. The Plan covers all employees of the Company and its related eligible entities. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

All active employees of the Company, excluding union employees and non-resident aliens with no source of income in the United States, who have completed one year of service, as defined by the Plan, and are at least 21 years of age, are eligible to participate in the Plan. Participants become eligible to participate on the first Plan entry date (either the first day of the first month or the first day of the seventh month of the Plan year) following completion of the eligibility requirements.

Contributions

Participants may contribute a percentage of their eligible compensation, as defined in the Plan document, on a tax-deferred basis, subject to certain Internal Revenue Code (IRC) limitations. In addition, eligible participants who have attained age 50 before the close of the Plan year are allowed to make catch-up contributions up to the maximum allowed under the IRC. Participants may also contribute amounts representing distributions from other qualified defined contribution plans or individual retirement accounts (rollovers).

The Company provides for non-elective safe harbor matching contribution equal to the sum of 100% of the amount of the participant's elective deferral that does not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferral that exceeds 3% of the participant's compensation but not to exceed 5% of the participant's compensation.

The Company may also make additional discretionary employer matching contributions or discretionary employer profit sharing contributions. Discretionary employer matching contributions amounts are based on a percentage of a participant's elective deferrals. Discretionary employer profit sharing contributions are determined by the Company. Catch-up contributions are taken into account in applying any matching contributions under the Plan. For the year ended December 31, 2021, the Company did not make discretionary matching or profit sharing contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, participant's earnings (losses) and is charged with an allocation of administrative expenses. Allocations are based on participant account balances, deferrals or compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All contributions made to these accounts are directed by the participant into a particular investment offered by the Plan administrator and the allocations between investments can be changed.

1. Description of the Plan (cont.)

Vesting

Participants are always 100% vested in their elective deferral contributions and in employer safe harbor matching contributions, along with any earnings thereon. Other elective contributions (and the earnings thereon) are vested in accordance with the following schedule:

Years of Service	% Vested
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six or more	100%

Investment Options

Participants are solely responsible for directing their accounts in and among various investment options. Participants may change their investment elections and transfer money between investment options on a daily basis.

Notes Receivable from Participants

Participants' loans are not permitted by the Plan.

Payment of Benefits

A participant becomes eligible for benefits at the normal retirement date (age 65), upon termination from the Company, or upon death of the participant or the participant becomes totally disabled. The Plan also allows for in-service withdrawals for certain active-duty reservists along with withdrawals in the event of a financial hardship. Participants are required to receive all benefit payments as lump-sum distributions with the exception of certain qualifying hardship withdrawals but funds may only come from fully vested accounts.

Plan Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain expenses incurred from maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Administrative expenses paid by the Plan consist of contract administrator and brokerage fees.

Forfeitures

Forfeited account balances are utilized to reduce future Company contributions. There were no forfeitures as of December 31, 2021 and 2020, and no forfeitures were utilized during 2021.

Notes to Financial Statements

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and the disclosure of the contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income (Loss) Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment Benefits

Benefit payments to participants are recorded upon distribution.

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.) (John Hancock) has provided certifications that the financial information included in the financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income (loss) included in the accompanying financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, are covered by such certifications.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Notes to Financial Statements

4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts - The fair value of the pooled separate accounts is based on the net asset value (NAV) of each account calculated by John Hancock and is based on the NAV of the underlying investments. The NAV is used as a practical expedient to estimate fair value.

Guaranteed Interest Accounts - The Plan holds non-fully benefit responsive guaranteed interest accounts, which are not investment contracts but rather investment options offered under the John Hancock group annuity contract. Fair value is the guaranteed return of principal plus compound interest earned over a defined 3, 5, or 10-year term, less any applicable contract or participant-level recordkeeping charges, provided all contributions remain in the account until the end of the guaranteed period. John Hancock publishes rates on which interest is paid for the specified terms. Although rates may change from time to time, monthly or annualized rates are available. To determine fair values each year, the rates in effect on that date are compared to the rates on which the actual interest is determined and adjust book value based on the difference. Although there is no secondary market for this Guaranteed Interest account to which the fair values can be compared, the rates are applied to new deposits and to the calculation of fair value which constitutes an active market.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Fair Value Measurement (cont.)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

<i>December 31, 2021</i>	Level 1		Level 2		Level 3		Total
Guaranteed interest accounts	\$	9,715	\$	-	\$	-	9,715
Pooled separate accounts measured at NAV*		-		-		-	5,716,056
Total investments at fair value	\$	9,715	\$	-	\$	-	5,725,771

<i>December 31, 2020</i>	Level 1		Level 2		Level 3		Total
Guaranteed interest accounts	\$	7,912	\$	-	\$	-	7,912
Pooled separate accounts measured at NAV*		-		-		-	4,711,458
Total investments at fair value	\$	7,912	\$	-	\$	-	4,719,370

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Fair value of investments in certain entities that calculate NAV per share (or its equivalent) follows:

Investments	Fair value at December 31, 2021	Fair value at December 31, 2020	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts					
Target Fund/asset allocation	\$ 3,097,408	\$ 2,689,860	N/A	Daily	None
Bonds	381,528	297,234	N/A	Daily	None

5. Tax Status

The Plan is based on the Volume Submitter Profit Sharing Plan with CODA sponsored by Sungard Business Systems LLC (Sungard). The Internal Revenue Service (IRS) has opined and informed Sungard by a letter dated March 31, 2014, stating that the volume submitter profit sharing plan is designed in accordance with the applicable section of the IRC. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC; and therefore believes that the Plan, as amended and restated, is qualified and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and had concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Related Parties and Party-In-Interest Transactions

Plan investments are managed by John Hancock. Usual and customary fees were paid for investment management services. Such transactions are exempt from the prohibited transaction rules.

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of such termination of the Plan, affected participants would become 100% vested in their accounts.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern," which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to volatility in financial markets. The coronavirus outbreak and government responses are creating disruption in global supply chains and adversely impacting many industries and financial market conditions. The outbreak and corresponding government responses and supply chain issues could have a continued impact on economic and market conditions. The rapid development and fluidity of this situation precludes any prediction as to the ultimate impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Plan, its investment performance, and overall financial results.

9. Subsequent Events

Management has evaluated subsequent events through August 22, 2022, which is the date the financial statements were available to be issued.

In January 2022, the Plan that was based on a Volume Submitter Profit Sharing Plan with CODA sponsored by Sungard Business Systems LLC document moved to a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA sponsored by Retirement Plan Administrators LLC (RPA). The IRS has opined and informed RPA by letter dated November 30, 2020, that the pre-approved plan is designed in accordance with the applicable sections of the IRC. The Plan administrator believes that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.
