Weiss Technik North America, Inc. 401(k) Profit Sharing Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Weiss Technik North America, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Weiss Technik North America, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Weiss Technik North America, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Weiss Technik North America, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Weiss Technik North America, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Weiss Technik North America, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Respectfully submitted,

WEISS TECHNIK NORTH AMERICA, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Weiss Technik North America, Inc. and GTM III Properties LLC d/b/a Weiss Technik NA – Cincinnati (together, the "Company") who have attained one month of service as defined by the plan and are at least 18 years or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective October 1, 2020, the Weiss Technik North America – Cincinnati 401(k) Plan (the "Merging Plan") was merged with the Weiss Technik North America, Inc. 401(k) Profit Sharing Plan. The Weiss Technik North America – Cincinnati 401(k) Plan was terminated pursuant to the terms of the plan, as amended, and all participant account balances were transferred directly to the merged plan. Net assets transferred into this Plan totaled \$10,364,243.

The Plan has implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") in response to the COVID-19 pandemic. Specifically, the CARES Act allowed Plan participants to withdraw up to \$100,000 due to adverse financial consequences related to COVID-19, and it allowed Plan participants to defer loan repayments due between March 27, 2020 and December 31, 2020 for up to one year.

Participant and Employer Contributions

Contributions to the Plan are made as follows:

Participants

Each year, participants may contribute up to 90% of compensation up to the statutory limit, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust fund as investment options for participants.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. There are no scheduled automatic increases due to the default deferral rate. Contributions are automatically invested in a designated balanced fund until changed by the participant. Effective October 1, 2020, the Plan was amended to increase the auto-enrollment provision deferral rate from 1% to 3% of eligible compensation.

See independent auditors' report.

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN - Continued

Participant and Employer Contributions - Continued

The Company may make a discretionary matching contribution to the Plan on behalf of each participant that contributes to the Plan. For part of the year 2021 and all of the year 2020, Weiss Technik North America, Inc. contributions were equal to 20% of the first \$2,000 of compensation that a participant contributes to the Plan. In August of 2021, Weiss Technik North America, Inc. contributions were equal to 50% of the first 4% of compensation that a participant contributes to the Plan. For 2021 and 2020, Weiss Technik NA – Cincinnati contributions were equal to 50% of the first 4% of compensation that a participant contributes to the Plan.

Employer Discretionary Profit Sharing Contribution

The Company may make a discretionary profit sharing contribution to the Plan in an amount determined by management. Discretionary profit sharing contributions are allocated on a ratio of each participant's compensation to total compensation. There was no such contribution for 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, the Company's discretionary profit sharing contribution, as well as allocations of Plan earnings, and is charged with an allocation of any administrative expenses paid by the Plan. NOTE 1 – DESCRIPTION OF PLAN - Continued

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account. The notes have various maturities and annual interest rates, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. Effective October 1, 2020, the Plan was amended to no longer allow any new notes receivable from participants.

Upon termination of services, a participant may elect to receive their vested interest as a lump sum payment or may choose from various other payment and annuity options. In-service and hardship distributions are permitted pursuant to the terms of the Plan.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$405 and \$6,907, respectively. These accounts will be used to reduce future employer contributions and Plan expenses. Also, in 2021 and 2020, employer contributions were reduced by \$3,828 and \$2,852, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

See independent auditors' report.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Investment-related expenses are included in net appreciation in fair value of investments. Fees for administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Date of Management's Review

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common Collective Trust Fund: These investments are public investment securities valued using the Net Asset Value (NAV) provided by Putnam Investments. The NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

The Plan made payments to ADP for recordkeeping services which are included in administrative expenses. Also, fees paid by the Plan for investment management services are included in net appreciation in fair value of investments. ADP is the Plan's third-party administrator, and therefore, these transactions qualify as party-in-interest transactions.

Administrative expenses also include payments made to Dolinka, VanNoord and Company. Dolinka, VanNoord and Company is the auditor of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Administrative expenses also include payments made to PCA Investment Advisory Services, Inc. PCA Investment Advisory Services, Inc. is the Plan's investment and financial advisor, and therefore, these transactions qualify as party-in-interest transaction.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer contributions.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 6 – TAX STATUS

The Company has adopted ADP's prototype profit sharing plan. It has been determined to be acceptable under the Internal Revenue Code (IRC) by a letter dated October 6, 2020. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2018.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE
