INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Green Contracting Company, Inc. Retirement Savings Plan
Baltimore, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Green Contracting Company, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Green Contracting Company, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Green Contracting Company, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Green Contracting Company, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Green Contracting Company, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Green Contracting Company, Inc. Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GREEN CONTRACTING COMPANY, INC.
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Green Contracting Company, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan adopted on October 1, 1985, covering all eligible full-time employees of Green Contracting Company, Inc. (the Company). The Plan excludes those individuals who are union employees, non-resident aliens, leased employees, and part-time, temporary, and seasonal employees.

The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees who have attained age 18 and completed five consecutive months of employment from date of hire are eligible to participate in the Plan. An employee is credited with a year of service at the end of the 12-month period beginning on his or her date of hire if he or she has been credited with at least 1,000 hours of service during such period. If he or she has been credited with 1,000 hours of service by the end of such period, he or she will have completed a year of service at the end of any following plan year during which he or she was credited with 1,000 hours of service. The plan entry date is the first day of the plan year or the first day of the seventh month of the plan year coinciding with or next following the date he or she satisfies the eligibility requirements.

Contributions

Each year participants may contribute up to 90 percent of pre-tax annual compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment company shares and a money market fund as investment options for participants.

The Plan allows for matching contributions and discretionary profit-sharing contributions at the option of the Company's Board of Directors. Matching contributions are based on the participants' eligible contributions. Profit sharing contributions are allocated based on the total annual compensation for each participant.

During the years ended December 31, 2021 and 2020, the Company made matching contributions to the Plan totaling \$61,641 and \$55,588, respectively. The Company also made discretionary profit sharing contributions to the Plan totaling \$253,515 and \$210,671, net of forfeitures, for the years ended December 31, 2021 and 2020, respectively.

RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contribution and allocations of the Company's contribution, if any, as well as Plan earnings, and charged with an allocation of administrative expenses. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their participant elective accounts plus actual earnings thereon at all times. Vesting in the company's contribution portion of their accounts is based on years of continuous service. After three years of service, a participant becomes 100 percent vested in employer matching contributions and employer profit sharing contributions to the Plan.

Payment of Benefits

Upon termination of service due to death, full and permanent disability, or retirement, a participant may receive a lump-sum amount equal to the value of their account. For termination of service due to other reasons, a participant may receive his or her benefits in the form of a distribution equal to the value of the participant's vested interest in his or her account. The Plan allows for in-service hardship distributions of some or all of the participant's pre-tax deferral contributions and rollover contributions.

Forfeited Accounts

Forfeitures may be used to pay plan expenses or reduce employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$-0- and \$13,860, respectively. During 2021 and 2020, employer contributions were reduced by \$13,860 and \$13,797, respectively, from forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan and the Company pay administrative fees during the year as defined by the Plan agreement. The Plan is not required to reimburse the Company for Plan expenses the Company pays on the Plan's behalf.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. In particular, the novel coronavirus ("COVID- 19") pandemic and the resulting adverse impacts to global economic conditions, as well as the Plan's operations, may affect future estimates including, but not limited to, fair value measurements, downward adjustments to investments in equity securities or asset impairment charges.

NOTE 3 - CERTIFIED INFORMATION

Plan assets are invested in products managed by Newport Trust Company, the trustee of the plan. Information regarding investments held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, and interest and dividend income for the years ended December 31, 2021 and 2020, and the schedule of assets (held at end of year) as of December 31, 2021, is derived from statements which have been certified by the trustee as complete and accurate in accordance with 29 CFR 2520.103-5 of ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 and Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market Fund

The fund is primarily invested in cash, U.S. government securities, and/or repurchase agreements that are collateralized solely by U.S. government securities or cash and maintains a stable share price of \$1. The fair value of the fund is the balance in the account at the reporting date.

Registered Investment Company Shares

The registered investment company shares are primarily invested in mutual funds that are held by Newport Trust Company, which uses unit values to perform daily account valuations. The fair value of the mutual funds used to perform the daily account valuations is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The unit value calculated by Newport Trust Company's is not necessarily the same as the net asset value reported by the fund house, although the financial trend should be the same. After the close of the stock market, Newport Trust Company receives a daily price from each fund house. This figure includes the net asset value and any dividends and capital gains declared.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan investments are managed by Newport Trust Company, trustee of the Plan, and Matrix Trust, sub-custodian of the Plan. Therefore, the transactions in these funds qualify as party-in-interest transactions. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the plan. There were no financial transactions recorded between the Company and the Plan other than contributions made.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions and their accounts will be distributed in accordance with the Plan agreement.

NOTE 7 - TAX STATUS

The Plan has adopted a prototype profit sharing plan sponsored by Newport Trust Company. The prototype plan has received an opinion letter from the IRS dated March 31, 2014, which states that the prototype profit sharing plan, as then designed, is in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization declared a novel strain of coronavirus disease ("COVID-19") a pandemic, which is ongoing as of the date the financial statements. The spread of COVID-19 has had a disruptive impact on the daily life and operations of individuals, businesses, and employee benefit plans around the world.

NOTE 8 - RISKS AND UNCERTAINTIES (Continued)

As a result of the COVID-19 pandemic, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, causing substantial fluctuations in the value of the Plan's investments and this may continue for an extended period of time. The extent of COVID-19's effect on the Plan's operational and financial performance will depend on future developments, including the duration, spread, and intensity of the pandemic, all of which are uncertain and difficult considering the rapidly evolving landscape. As a result, the overall impact of COVID-19 on the Plan's investment portfolio, participant account balances and the amounts reported in the Plan's financial statements and related impact on the Plan's liquidity cannot be determined at this time.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Annual Return/Report of Employee Benefit Plan (the Form 5500) is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H of the Form 5500 differ from those included in the accompanying financial statements.

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to Schedule H of Form 5500:
