INDEPENDENT AUDITORS' REPORT

To the Trustees
Educators Credit Union 401(k) Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Educators Credit Union 401(k) Plan & Trust ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the plan. As permitted by 29 CFR 2520.013-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, was presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

EDUCATORS CREDIT UNION 401(K) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - Educators Credit Union 401(k) Plan and Trust ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2021 through August 16, 2022, which is the date the financial statements were available to be issued.

Key parties of the plan - Educators Credit Union is the plan sponsor/employer and the plan administrator. PPG Retirement Plan Services Ltd. is the third party administrator and performs various compliance tests as tax counsel. John Hancock Life Insurance Company (U.S.A.) ("John Hancock") is the investment agent that maintains investment and participant records and is the custodian of plan assets. Morgan Stanley is the plan's investment advisor. Three employees of Educators Credit Union and one non-employee board member are the plan trustees.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investments - An investment committee at the plan sponsor/employer determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. Participants should refer to the investment account summaries and prospectuses for more information.

At the end of each business day, John Hancock determines the fair value of the investments held in its sub-accounts and allocates the fair value to the participants. The net appreciation (depreciation) in the fair value of the investments, including investments bought, sold or held during the years, is reflected in the statements of changes in net assets available for benefits.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows.

Level 1 - Valuation is based upon quoted prices in active markets for identical investments.

Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).

Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodology used for investments measured at fair value.

John Hancock sub-accounts - The sub-accounts are valued at the net asset value ("NAV"). The NAV is generally based on the fair value of the underlying investments held by the sub-accounts less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the sub-account will sell the investment for an amount different than the reported NAV.

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as set forth below.

Investments at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Total investments in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (a)				58,127,924
Total investments at fair value				\$58,127,924

Investments at fair value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Total investments in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (a)				49,536,309
Total investments at fair value				\$49,536,309

(a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV as a practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period, if any, is applicable only to the plan.

- (d) The objective of these funds is to seek current income and capital appreciation through a portfolio of investments in real estate investment trusts and real estate companies.

2. DESCRIPTION OF PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan documents for more complete information.

General - The plan was adopted effective October 1, 1997 by the employer for the benefit of eligible employees. The plan is a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Eligibility - Employees are eligible to contribute to the plan once they have completed six months of employment with at least 500 hours of service and have reached age nineteen. An employee can enter the plan on the first day of the quarter following completion of eligibility requirements. Upon meeting these eligibility requirements, employees are also eligible to participate in the employer safe harbor and matching contribution programs.

For purposes of employer profit sharing contributions and qualified nonelective contributions, employees are eligible the first day of the plan year or the first day of the seventh month of the plan year if they have completed twelve months of employment, provided they have completed at least 1,000 hours of service during the plan year and were employed on the last day of the plan year to which the contribution relates. These requirements are waived upon death, disability or attainment of the normal retirement age during the year to which the contribution relates.

Contributions - Contributions to the plan can be made in the following ways:

- a. Participants may contribute a percentage of their compensation subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferrals. New employees are automatically enrolled in the plan and have 5% of compensation withheld as deferral contributions. Such participants have the option to increase, decrease or stop the deferral by completing the necessary documentation.
- b. Rollover contributions are accepted by the plan from other qualified plans.
- c. A safe harbor contribution is made by the employer on an annual basis for all eligible employees equal to 3% of the employee's compensation. Safe harbor contributions were \$729,000 for 2021 and \$752,000 for 2020.
- d. A matching contribution is made by the employer in conjunction with each pay period equal to 50% of the first 5% of the employee's compensation contributed to the plan as elective deferral contributions. Matching contributions were \$625,000 for 2021 and \$623,000 for 2020.
- e. A profit sharing contribution may be made at the employer's discretion on an annual basis. Profit sharing contributions were \$1,708,000 for 2021 and \$1,746,000 for 2020.
- f. Additional qualified nonelective contributions may be made at the employer's discretion. No such contributions were made in 2021 or 2020.

Participant accounts - Earnings, including the fair value appreciation or depreciation, are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral and rollover contributions and an allocation of the employer's contributions. Participants are allowed to transfer funds between the various investment options daily. Participants can change their deferral percentage each month. Participants can stop making contributions at any time.

Vesting - Participants begin vesting in the employer matching and profit sharing contributions and related earnings upon two full years of service, at which time they are 20% vested. The participant then vests at the rate of 20% for each year thereafter. Upon death, disability or attainment of normal retirement age, participants become 100% vested. Participants are always 100% vested in their elective deferral contributions, rollover contributions, safe harbor contributions and qualified nonelective contributions and related earnings.

Payment of benefits - Benefit payments may commence upon termination of employment, death, disability, or retirement. Distributions may be in the form of a qualified joint and survivor annuity, a single lump sum or installment payments. Distribution for reasons other than death may also be made under a continuous right of withdrawal pursuant to which a participant may withdraw such amounts at such times as he or she shall elect. In-service withdrawals can commence upon attaining the age of 59 1/2. The plan does not permit hardship withdrawals.

Administrative expenses - Certain administrative expenses of the plan are paid by the employer. Certain other administrative fees are paid by the plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed charges for distribution fees, administrative and advisory fees.

Forfeitures - Forfeited nonvested amounts, which are held in a cash account, are used to reduce employer contributions. Forfeitures used to reduce employer contributions were \$119,000 in 2021 and \$54,000 in 2020. Unapplied forfeitures were \$103,000 and \$72,000 as of December 31, 2021 and 2020.

Notes receivable from participants - Loans to participants are not permitted under the plan, although during 2019 Educators Credit Union acquired Aurora Credit Union whose plan did allow loans and two loans outstanding with employees of Aurora Credit Union were transferred into the plan. No new loans will be allowed. As of December 31, 2021, there is only one note receivable remaining at an interest rate of 5.50% with a final payment due February 2023. The notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest, which approximates fair value.

3. PARTY-IN-INTEREST TRANSACTIONS

The plan investments are managed by John Hancock. John Hancock is the investment agent as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions.

John Hancock provides certain administrative services to the plan pursuant to a services agreement between the plan sponsor and John Hancock. John Hancock receives revenue from mutual fund service providers for services John Hancock provides to the funds. This revenue is credited and used to offset certain amounts that would otherwise be owed by the plan to John Hancock for its administrative services to the plan.

Notes receivable from participants also qualify as party-in-interest transactions.

All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

4. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the employer has the right to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and related earnings.

5. INCOME TAX STATUS

Prior to January 1, 2022, the plan was operating under the PPG Retirement Plan Services volume submitter profit sharing plan that received a favorable opinion letter on March 31, 2014. Effective January 1, 2022, the plan was restated and adopted a new PPG Retirement Plan Services volume submitter profit sharing plan. The related volume submitter profit sharing plan received a favorable opinion letter dated June 30, 2020. There were no functional changes to the plan in connection with the adoption of the new volume submitter plan. The opinion letters received from the Internal Revenue Service stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion letter for the plan. However, the plan administrator and tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) if the plan has taken any uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2021 and 2020. The plan is subject to routine audits by taxing jurisdictions; however, there are no audits in progress.

6. INFORMATION CERTIFIED BY THE AGENT
