Communication with Those Charged with Governance

August 23, 2022

Board of Directors
JRC Integrated Systems, Inc.
Washington, DC

We have audited the financial statements of an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2021, and we will issue our report thereon dated August 23, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a qualified institution, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Professional standards require that we provide you with information about our responsibilities in accordance with auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 17, 2022.

Professional standards also require that we communicate to you the following information related to our audit.

Qualitative Aspects of Accounting Practices

Plan management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in note 2 to the financial statements. No significant new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2021.

No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from management's current judgments.

The most sensitive estimate affecting the financial statements was:

The fair value of investments reported or disclosed represent management's best estimate of fair value as of the measurement date. Management classifies financial assets within the fair value hierarchy based on the lowest level of any input that is significant to the fair value measurement. Management uses valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs.

Certain financial disclosures are particularly sensitive because of their significance to the users of the financial statements. There were no particularly sensitive financial disclosures to report.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no corrected or uncorrected misstatements.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

- Lack of employee benefit minutes
- Missed deferral rate change

See the Communication of Internal Control-Related Matters letter for additional information on the above matters.

Management Representations

We have requested certain written representations from management that are included in the management representation letter included at Appendix A.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of the audit.

Management Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's

opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Significant Matters, Findings, or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Recent Auditing Standard

In July 2019, the AICPA Auditing Standards Board (ASB) issued AICPA Statement on Auditing Standards No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*. This standard prescribes certain new performance requirements for ERISA plan financial statement audits and changes the form and content of the related auditor's report to improve audit quality and enhance the communicative value and transparency of the auditor's report. The standard includes new requirements in all phases of an audit of ERISA plan financial statements including engagement acceptance, risk assessment and response, communication with those charged with governance, performance procedures, and reporting.

This information is intended solely for the use of the Board of Directors and management of the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

FORVIS, LLP

Communication of Internal Control-Related Matters

August 23, 2022

Board of Directors
JRC Integrated Systems, Inc.
Washington, DC

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of JRC Integrated Systems, Inc. (the "Plan") as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures for the purpose of issuing our report on the the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by Regulation 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a qualified institution that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Deficiencies

During our audit, we became aware of a deficiency in internal control other than a significant deficiency or a material weakness. The following other matters are opportunities for strengthening internal controls and operating efficiency:

Plan Meetings

As the sponsor of the Plan, JRC Integrated Systems, Inc., has the fiduciary responsibility to ensure the operation of the Plan is in accordance with the terms of the Plan document, trust agreement, and government regulations. The appropriate officers and/or employees responsible for the administration of the Plan should meet periodically to evaluate the administration of the Plan and document these meetings. Documentation serves as evidence of oversight and compliance with the fiduciary requirement. We noted no formal minutes to meetings related to the Plan. We recommend minutes be taken to document when meetings are held, who is in attendance, and the items discussed during the meetings.

Missing deferral rate change

The sponsor of the Plan, JRC Integrated Systems, Inc., noted that a participant requested to change the elective deferral contribution that was not implemented. The sponsor discovered that this elective deferral contribution was inadvertently not implemented in April 2022. The error was investigated and it was noted only one participant was affected. To ensure this error does not occur in the future, management employed a direct data feed from Fidelity to their payroll provider, ADP.

FORVIS

This communication is intended solely for the use of the Board of Directors and management of the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

FORVIS, LLP

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of JRC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2021, and the related notes to the financial statements.

We elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL" Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

In relation to the 2020 Financial Statements, and as permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by the qualified institution, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the 2020 financial statements. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the 2020 financial statements as a whole. We understand that the form and content of the information in the 2020 financial statements, other than that derived from the information certified by the qualified institution, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of the date of this letter, the following representations made to you during your audits:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the executed engagement letter, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures in accordance with accounting principles generally accepted in the United States of America (GAAP).
2. The financial statements referred to above are fairly presented in conformity with GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used to estimate fair values of financial instruments are described in the notes of the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
7. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the plan sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.
8. Related-party relationships and transactions, and relationships and transactions with parties in interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of GAAP and ERISA Section 3(14) and regulations thereunder.
9. No events have occurred subsequent to the date of the financial statements for which GAAP requires adjustment or disclosure.
10. We are not aware of any uncorrected financial statement misstatements or omitted disclosures.
11. We are not aware of any pending or threatened litigation, claims, or assessments, or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements and we have not consulted a lawyer concerning litigation, claims, or assessments.

12. We have no:
- a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b) Intentions to terminate the Plan.
 - c) Material gain/loss contingencies requiring accrual or disclosure, including those arising from environmental remediation obligations.
13. Material concentrations have been properly disclosed in accordance with GAAP.
14. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with GAAP.
15. We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Information Provided

16. We have provided you with:
- a) Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters.
 - b) Additional information that you have requested from us for the purpose of the audits.
 - c) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - d) Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
 - e) A draft of the Form 5500 that is substantially complete.
17. All material transactions have been recorded in the accounting records and are properly reflected in the financial statements.
18. Financial instruments with off-balance sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
19. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
20. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
21. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:
- a) Management.
 - b) Employees who have significant roles in internal control.
 - c) Others when the fraud could have a material effect on the financial statements.
22. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

23. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing the financial statements.
24. We acknowledge the Plan does not meet the definition of a "public entity" under generally accepted accounting principles.
25. Adequate allowances have been accrued for any material losses from uncollected receivables.
26. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements.
27. We have disclosed to you the identity of the Plan's related parties and parties in interest and all related-party and party-in-interest relationships and transactions of which we are aware.
28. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
29. Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.
30. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
31. All required amendments and filings of documents with the appropriate agencies have been made.
32. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code ("IRC") and intends to continue as a qualified plan (and trust). The plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan and any excess deferrals or contributions have been disposed of in accordance with regulations.
33. The Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan, except as made known to you.
34. The Plan has complied with the fidelity bonding requirements of ERISA.
35. We have determined that operating expenses paid by the Plan are properly authorized, permitted by the plan document and are in compliance with regulatory requirements.
36. There are no:
 - a) Nonexempt party-in-interest transactions (as defined in ERISA Section 3(14)) and regulations under that section) that were not disclosed in the supplemental schedule or financial statements.
 - b) Investments or loans in default or considered to be uncollectible that were not disclosed in the supplemental schedule.
 - c) Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedule.
 - d) There are no minutes of the plan sponsor or any other committee related to the Plan.
37. The Plan recognizes tax benefits only to the extent that the Plan believes it is more likely than not (i.e., greater than 50 percent) that its tax positions will be sustained upon examination. We have evaluated the Plan's tax positions, including its status of being qualified under the appropriate section of the IRC and have determined that the Plan does not have any material uncertain tax positions.

38. We are responsible for determining whether an employee is eligible to participate in the Plan and informing that employee of their opportunity to participate in the Plan.
39. We are responsible for determining that all distributions are properly valued and made only to those eligible to receive them.
40. We acknowledge our responsibility for presenting the Schedule of Assets (Held at End of Year) in accordance with GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and we believe the Schedule of Assets (Held at End of Year), including its form and content, is fairly presented in accordance with GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the Schedule of Assets (Held at End of Year) has not changed from those used in the prior period and have disclosed to you, any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.
41. In regard to the non-attest services of assisting in the preparation of the financial statements in accordance with GAAP, including cash-to-accrual conversions and reconciliations as requested, and the preparation of supplemental schedules as required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, performed by you, we have:
- a) Assumed all management responsibilities.
 - b) Overseen the service by designating an individual within senior management, who possesses suitable skill, knowledge, or experience.
 - c) Evaluated the adequacy and results of the services performed.
 - d) Accepted responsibility for the results of the services.
 - e) Evaluated and maintained internal controls, including monitoring ongoing activities.
42. With respect to the non-attest services performed by you during this engagement, we have received the deliverables from you and have stored these deliverables in information systems controlled by us. We have taken responsibility for maintaining internal control over these deliverables.

Independent Auditor's Report

Plan Administrator
JRC 401(k) Plan
Washington, DC

We have performed an audit of the financial statements of JRC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of JRC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JRC Integrated systems Inc's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JRC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JRC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule(s), other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule(s) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of JRC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following description of JRC Integrated Systems, Inc. (Company) 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) retirement plan covering all employees of the Company who have completed six months of service (equivalent to 500 hours). Senior management of the Company controls and manages the operation and administration of the Plan. Fidelity Investments serves as the trustee of the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was passed by Congress. The CARES Act, among other things, includes several relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the Plan and adopted several of the provisions regarding the expansion of allowed Plan distributions, the repayment of loans and the suspension of required minimum distributions. These provisions were only for 2020. The Plan will be formally amended by the required date of December 31, 2022.

Contributions

Each year, participants may contribute compensation, as defined in the plan document, subject to Internal Revenue Code (IRC) limitations. Participants' salary deferrals may be traditional 401(k) (pretax) or Roth 401(k) (after-tax). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts. The Company provides for a safe harbor matching contribution of an amount equal to 3% of compensation. The Plan allows for discretionary matching or profit sharing contributions. The Company made profit sharing contributions in 2021 of an amount equal to 7% of compensation. Contributions are subject to certain limitations.

Investment options

Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds. In addition, participants may utilize an individual self-directed brokerage option, through which participants are able to invest in a variety of securities including stocks, bonds, mutual funds and certificates of deposit in accordance with the Plan document.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings (losses) and charged with benefit payments and transaction fees related to notes receivable from participants and distributions and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all employee deferral, rollover contributions and safe harbor matching contributions. Vesting in the Company's discretionary contributions is based on years of service. A participant is 20% vested after one year of service, 40% vested after two years of service, 60% vested after three years of service, 80% vested after four years of service, and 100% vested after five years of service. If a participant dies, becomes disabled, or reaches early retirement age (as defined by the Plan), the participant becomes 100% vested.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' accounts and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. At December 31, 2021, outstanding loans bore interest ranging from 4.25% to 6.50%. Principal and interest are paid ratably through weekly payroll deductions.

Payment of benefits

On termination of service, retirement, disability or death, a participant may elect to receive a lump sum amount equal to the vested value of their account. Hardship distributions are available upon demonstration of financial hardship with limitations as defined in the Plan. In-service distributions are available from fully vested sources after the participant reaches the age of 59½.

Forfeited accounts

Forfeitures are used to reduce Company contributions. At December 31, 2021 and 2020, forfeited nonvested accounts were \$95,330 and \$88,946, respectively. During 2021, \$109,684 of forfeited accounts were used to reduce Company contributions.

2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates and assumptions.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income from notes receivable from participants is recorded when received. Other interest income is recorded on an accrual basis. Dividends are

recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of benefits

Benefits are recorded upon distribution.

Administrative expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

Subsequent events

The Plan has evaluated subsequent events through August 23, 2022, the date the financial statements were available to be issued.

3. Fair Value Measurements

Fair value as defined under GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

Level 1: Observable inputs such as quoted prices in active markets.

Level 2: Inputs other than quoted prices in active markets that are either directly or indirectly observable.

Level 3: Unobservable inputs about which little or no market data exists, therefore, requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Self-directed brokerage accounts

Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

JRC 401(k) Plan
Notes to Financial Statements

The following tables set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,330,640	\$ -	\$ -	\$ 20,330,640
Self-directed brokerage accounts	<u>499,037</u>	<u>-</u>	<u>-</u>	<u>499,037</u>
Investments at fair value	<u>\$ 20,829,677</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 20,829,677</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,731,016	\$ -	\$ -	\$ 15,731,016
Self-directed brokerage accounts	<u>415,386</u>	<u>-</u>	<u>-</u>	<u>415,386</u>
Investments at fair value	<u>\$ 16,146,402</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,146,402</u>

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Unaudited Information Certified by the Trustee

The accompanying financial statements include the following unaudited information as of December 31, 2021 and 2020 and for the year ended December 31, 2021 that was obtained from data prepared and certified to be complete and accurate by the Plan's trustee:

	2021	2020
Investments at fair value	<u>\$ 20,829,677</u>	<u>\$ 16,146,402</u>
Notes receivable from participants	<u>\$ 234,912</u>	<u>\$ 156,172</u>
Net appreciation in fair value of investments	<u>\$ 965,837</u>	
Interest and dividends	<u>\$ 1,605,312</u>	
Interest income on notes receivable from participants	<u>\$ 7,783</u>	

5. Exempt Party-in-Interest Transactions

Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. During 2021, the Plan paid \$7,131 for administrative expenses. These transactions qualify as exempt party-in-interest transactions under ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

7. Tax Status

The Plan has not obtained a determination letter from the Internal Revenue Service (IRS) stating that the Plan was in compliance with the applicable requirement of the Internal Revenue Code (IRC). The Plan is relying on the IRS approval of the non-standardized prototype plan that it is utilizing. The IRS has determined and informed the trustee by a letter dated June 30, 2021 that the non-standardized prototype plan document was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
