INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Best Labor 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Best Labor 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Best Labor 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Best Labor 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Best Labor 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Best Labor 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Form 5500 - Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Other Matters (Continued)

2021 Supplemental Schedules Required by ERISA (Continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Best Labor 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BEST LABOR 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Best Labor 401(k) Plan (the Plan) provides only general information. For more complete information, participants should refer to the Plan instrument, a copy of which is on file in the office of the Plan sponsor.

General

The Plan is a defined contribution 401(k) profit sharing retirement plan covering all eligible employees from Best Labor Contractors, LLC (the Company) and any affiliate that has adopted the Plan. The Company is the Plan sponsor, with the following participating employers: 3M Builders Inc., 4D Construction LLC, Apartment Rental Services Inc., International General Contractors, Legacy Cabinets FL, LLC and Pated LLC. The Plan commenced on January 1, 2020 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the Company and its participating affiliates are eligible to participate in the Plan on the first day of each Plan quarter, coincident with or next following the date of attaining age 21 and completing one year of service with at least 1,000 of service. Leased employees and non-resident aliens are excluded as well as employees covered by a collective bargaining agreement if retirement benefits were the subject of good faith bargaining, and if the collective bargaining agreement does not provide for participation in this Plan.

Funding

Each year participants may contribute up to 75% of pretax annual compensation as defined in the Plan. According to Internal Revenue Service (IRS) rules, the deferral may not exceed \$19,500 in 2021 and 2020. Participants who have reached at least age 50 may contribute an additional catch up yearly contribution of \$6,500 during 2021 and 2020. Eligible participants may also contribute amounts representing distributions from other qualified benefit or contribution plans.

The employer may match this contribution with a discretionary amount established each Plan year. Such contribution shall be allocated on or before the due date of the employer's tax return for the year of allocation through written instructions from the employer to the Plan administrator. For the year ended December 31, 2021, the employer matching contribution was 100% of the participant contribution not to exceed \$3,000. Contributions are subject to certain limitations.

The employer may also make, at its sole discretion, profit-sharing contributions to the Plan. The profit sharing contributions would be allocated to each eligible participant in pro rata shares.

Additionally, the employer may make qualified non-elective contributions for the benefit of such participants determined at the discretion of the Company.

Participant Accounts

Each participant's account is credited with 1) participant contributions; 2) the employers' matching contribution; and 3) a ratable portion of investment gain or loss, net of Plan expenses. Each participant's account is charged with any distributions made to that participant.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their elective contributions, rollover contributions, and any qualified non-elective contribution plus actual earnings thereon. The interest in the employer matching contributions plus actual earnings will vest in accordance to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 3 years	0%
Three or more years	100%

Participants become fully vested upon attainment of normal retirement age while being employed by the Company. Normal retirement age for this purpose is defined as the later of the participant's reaching age 65 or the fifth anniversary of participation in the Plan.

Participants also become fully vested on all balances upon death or disability while an employee of the Company.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to be allocated among a selection of securities provided by the Plan (see Note 3).

Payment of Benefits

The Plan provides for mandatory distributions to participants no longer employed by the Plan sponsor with vested account balances of less than \$5,000 excluding any rollovers. If the terminated participant's vested balance does not exceed \$1,000, it will be distributed directly to the participant in cash. If the terminated participant's vested balance is \$1,000 or higher, but does not exceed \$5,000, the balance will automatically be transferred to an IRA under the participant's name unless the participant completes an election form providing other instructions for this mandatory distribution.

Upon termination of service due to disability or retirement, participants may withdraw from the account a lump-sum cash distribution of the vested value of their account.

For participants who die before their account balance distribution, their entire balance must be distributed by December 31 of the calendar year containing the fifth anniversary of their death.

Forfeitures

Forfeitures may be used to restore other forfeitures, reduce future employer contributions, reallocate as employer contributions, or to pay Plan expenses. The forfeiture balances available for use were \$13,097 and \$0 as of December 31, 2021 and 2020, respectively.

BEST LABOR 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021
(Continued)

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts from \$1,000 up to a maximum of 50% of their vested account balance or \$50,000 minus the highest outstanding balance of loans in the past 12 months, whichever is less. Loan terms would not exceed 5 years unless the loan was for the purchase of a primary residence. The maximum loan term for a primary residence is 10 years. The loans would be secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates provided by local lending institutions. Loans are only available to Plan participants who are active employees of the Plan sponsor or participating employers, therefore, they become payable in full upon termination of employment. Participant loans had an outstanding balance for the years ended December 31, 2021 and 2020 of \$6,439 and \$0, respectively.

Termination

Although there is no intent to do so, the Plan document provides for termination of the Plan subject to the provisions of the agreement and ERISA. If the Plan were to be terminated, all account balances would become immediately vested.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (see Note 4 for discussion of fair value measurements).

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Credit Risk

Financial instruments, which potentially expose the Plan to concentrations of credit risks, as defined by GAAP, consist primarily of contributions receivable and investments. The Plan invests in mutual funds and guaranteed interest accounts, which, inherent in the fair market value determination, include the risk factor of credit worthiness for each individual debt security.

BEST LABOR 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

(Continued)

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

John Hancock Life Insurance Company, the custodian, held the Plan's investments as of December 31, 2021. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2021, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the information reflected on the supplementary schedule Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments (principally mutual funds and guaranteed interest accounts) and charged for Plan withdrawals and administrative expenses.

During the year ended December 31, 2021, the Plan's underlying mutual fund investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$137,791. This was reported as net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value, expands disclosures about fair value measurements, and establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair value summarized as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BEST LABOR 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021
(Continued)

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methods used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust: Fair value is determined by comparing the rates in effect on that date to the rates on which the actual interest is determined and the book value is adjusted based on the difference in those rates as calculated by John Hancock. Although there is no secondary market for the Stable Value Guaranteed Income Fund to which those fair values can be compared, the rates are applied to both new deposits and the calculation of fair value to constitute an active market.

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 1,127,160	\$ -	\$ -	\$ 1,127,160
Collective investment trust	137,593	-	-	137,593
	<u>\$ 1,264,753</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,264,753</u>

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 639,100	\$ -	\$ -	\$ 639,100
Collective investment trust	71,820	-	-	71,820
	<u>\$ 710,920</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 710,920</u>

NOTE 5. RELATED PARTIES

The Company is the Plan's employer and sponsor and absorbs virtually all administrative expenses of the Plan except for investment administration fees.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

BEST LABOR 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021
(Continued)

NOTE 7. TAX STATUS

The Plan is exempt from Federal income taxes under Internal Revenue Code (IRC) and, therefore, no provision for Federal income taxes has been made. In addition, the Plan is required to operate in conformity with the IRC to maintain the tax-exempt status. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan has taken no such positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments may include shares of investments managed by John Hancock, which has fiduciary responsibility. This makes transactions between the Plan and John Hancock party-in-interest transactions, however, they are exempt from the prohibited transactions rules under ERISA.

Additionally, the Plan pays John Hancock for contract administration fees. This expense amounted to \$19,336 for the year ended December 31, 2021, and has been included in the accompanying statement of changes in net assets available for benefits as part of administrative fees.

NOTE 9. PROHIBITED TRANSACTION

The Department of Labor's (DOL) regulation 29 CFR 2510.3-102 requires that participant contributions be remitted to the Plan on the earliest date on which they can reasonably segregated from the Company's general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction, which must be separately reported to the DOL and may result in penalties to the Plan sponsor. During 2020, the participant deferrals of one payroll period totaling \$14,711 was not remitted timely to the Plan. These were fully corrected during 2021. Self-correction of interest and investment gain was subsequently remitted. These are shown as corrected in the Schedule of Delinquent Participant Contributions.

NOTE 10. COVID-19 CONSIDERATIONS

The Plan's ongoing funding may experience instability and estimates included in the financial statements may change due to current political and economic conditions as a result of public health concerns related to the novel coronavirus, or COVID-19. The duration and intensity of these impacts and resulting disruption to which these events affect the Plan's net position will depend on future developments, which are highly uncertain and cannot be predicted at this time.

NOTE 11. SUBSEQUENT EVENTS

Plan Trustees approved for the Plan to become a safe harbor plan effective January 1, 2022. Management has evaluated subsequent events for the Plan through August 9, 2022, the date the financial statements were available to be issued.
