INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Mosaic Medical 401(k) PS Plan and Trust
Bend, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Mosaic Medical 401(k) PS Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Mosaic Medical 401(k) PS Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mosaic Medical 401(k) PS Plan and Trust's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mosaic Medical 401(k) PS Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mosaic Medical 401(k) PS Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents, as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Mosaic Medical 401(k) PS Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MOSAIC MEDICAL 401(k) PS PLAN AND TRUST NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of Mosaic Medical 401(k) PS Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Board of Directors oversees the governance of the Plan.

General

The Plan is a 401(k) profit sharing plan, originally effective on January 1, 2008, covering most full-time employees of Mosaic Medical (the Employer). The most recent amended and restated provisions of the Plan became effective on November 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Nonresident aliens who receive no earned income from the Employer, which constitutes income from sources within the United States, are excluded from Plan eligibility. Employees are eligible to participate after completing one month of service.

Contributions

Participants may contribute up to 96 percent of annual compensation, as defined in the Plan, not to exceed statutory limits. Roth deferrals and pre-tax deferrals are allowed. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

The Plan uses an auto enrollment feature with a pre-tax deferral rate of 4 percent for eligible participants who do not make a voluntary election. The default fund for auto enrollment is the Vanguard Target Retirement Fund that corresponds to the participant's year of expected retirement. Contributions are made to this fund until the participant makes alternate allocation elections.

Annually, the Employer decides whether to make a discretionary matching or profit-sharing contribution. The Board of Directors is responsible for annually approving the amount of match or profit share contribution. Profit share contributions are subject to determination and approval by the Board, and are allocated based on qualifying participant's compensation in relation to total compensation of all qualifying participants. For the Plan years ended December 31, 2021 and 2020, the Board of Directors approved a match of 100 percent of participant deferrals, with a maximum match of 4 percent of eligible compensation. There were no profit sharing contributions in 2021 or 2020.

Participant Accounts

Each participant account is credited with the participant's contribution and allocations of the Employer's contributions, Plan earnings (losses), and charged with an allocation of administrative expenses, when applicable. Allocations are based on participant earnings or account balances, as defined by the Plan documents. Participants may direct the investment of their accounts into various investments offered through the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MOSAIC MEDICAL 401(k) PS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting

Participants are immediately vested in their contributions and actual earnings thereon. Participants shall become 100 percent vested upon attainment of normal retirement age, death, or permanent disablement. Vesting in Employer discretionary matching and profit sharing is based on the number of years of credited service. To earn a year of service, participants must be credited with 1,000 hours during a Plan year. A participant is 100 percent vested after five years of credited service.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account, installments, or annuity contracts. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or roll it over to another qualified plan. For account balances under \$5,000, Plan provisions allow for automatic force-out. The Plan allows hardship distributions of elective deferrals and vested matching contributions, subject to the Plan's rules governing hardship distributions. In-service withdrawals are permitted on fully vested funds once the participant has reached 59½ years of age.

Under the Coronavirus Aid, Relief and Economic Security Act (the CARES Act), signed into law on March 27, 2020, qualifying participants affected by the COVID-19 coronavirus pandemic were eligible to take early withdrawals up to \$100,000, subject to special rules under the CARES Act.

Forfeited Accounts

Amounts that are not fully vested when participants terminate from the Plan are forfeited. These amounts are used to pay Plan administrative expenses or offset future Employer contributions. The Plan's forfeiture activity for the years ended December 31, was as follows:

	<u>2021</u>	<u>2020</u>
Beginning forfeitures available	\$ 96,214	\$ 30,159
Amounts forfeited	98,273	95,663
Earnings	750	1,659
Forfeitures used to pay expenses and offset Employer match	<u>(164,483)</u>	<u>(31,267)</u>
Ending forfeitures available	<u>\$ 30,754</u>	<u>\$ 96,214</u>

Notes Receivable from Participants

Participants may borrow from their accounts up to one-half of the vested balance, not to exceed \$50,000. No loans will be issued for less than \$1,000. A participant is allowed only one loan outstanding at any time. Loan transactions are treated as participant directed investments. The loans are secured by the remaining balance in the participant's account and bear interest at the prime rate plus 1 percent. Principal and interest are paid ratably through payroll deductions for a period generally not to exceed five years.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable

During the years ended December 31, 2021 and 2020, amounts payable to participants totaling \$-0- and \$14,516, respectively, for contributions in excess of amounts allowed under Internal Revenue Service (IRS) compliance testing provisions are recorded as liabilities, with a corresponding corrective distribution deduction from net assets. The Plan distributes excess contributions to participants in the required timeframe.

Payment of Benefits

Benefits are recorded when paid.

MOSAIC MEDICAL 401(k) PS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Administrative Expenses

Expenses of maintaining the Plan, including third-party administration and audit fees, are paid by the Employer and are therefore excluded from these financial statements. Administrative expenses may be paid from participant accounts at the Employer's election. Investment related expenses are included in net change in fair value of investments. Fees for the administration of notes receivable from participants and certain distributions are included in administrative expenses and charged directly to the participant's account.

3. Information Certified by Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations of Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Registered investment companies	\$ 18,523,723	\$ 15,408,177
Common/collective trusts	188,023	251,662
Cash equivalents	65,141	-
Notes receivable from participants	272,807	149,720
Investment income:		
Net change in fair value of investments	\$ 2,101,572	\$ 1,891,764
Dividends, interest, and other income	296,888	247,435
Interest income on notes receivable from participants	11,729	8,329

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing the information with the information included in the financial statements and supplemental schedule. The trustee's annual reports were prepared primarily on a cash basis for the years ended December 31, 2021 and 2020. The accompanying financial statements were prepared on an accrual basis. Accordingly, certain accrual adjustments were made to the information provided by the trustee.

4. Tax Status

The Internal Revenue Service (IRS) has informed Ascensus, Inc. by a letter dated March 31, 2014, that the prototype adopted by the Plan, as then designed, is qualified under Internal Revenue Code (IRC) Section 401. The Plan has not received a determination letter specific to the Plan itself. Although the Plan has been amended since its adoption of the prototype plan for subsequent changes in applicable tax laws and regulations, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

MOSAIC MEDICAL 401(k) PS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

4. Tax Status, continued

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

5. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their accounts.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards of Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

MOSAIC MEDICAL 401(k) PS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

7. Fair Value Measurements, continued

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. All mutual funds held by the Plan are open-ended funds registered with the SEC and are deemed to be actively traded and have a readily determinable fair value. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

Common/collective trust: Units held in the common/collective trust are valued using the NAV of the fund, which is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily at NAV. The common/collective trust fund measured at NAV has not been classified in the fair value hierarchy. All common/collective trust investments held by the Plan have no unfunded commitments, and the investments may be redeemed by participants on a daily basis with no required notice period.

Cash equivalents: Valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total

8. Related Party Transactions

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Employer. Fees paid during the year to the third-party administrator or trustee for services rendered by parties in interest were based on customary and reasonable rates for such services, and were paid by the Employer. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

9. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
