INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and
Those Charged with Governance of
Rudy L. Hawkins 401(k) Plan
Chester, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Rudy L. Hawkins 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Rudy L. Hawkins 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Rudy L. Hawkins 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rudy L. Hawkins 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rudy L. Hawkins 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rudy L. Hawkins 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is a supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (Continued)

2021 Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Rudy L. Hawkins 401(k) Plan were audited by Mitchell, Wiggins & Company LLP, who was acquired by Brown, Edwards & Company, L.L.P. as of November 1, 2021. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed them not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated July 27, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RUDY L. HAWKINS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021

Note 1. Description of Plan and Significant Accounting Policies

The following description of Rudy L. Hawkins (the Company) 401(k) Plan (the Plan) is provided for general information only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Company. Employees of the Company become eligible to receive Company matching and non-elective contributions upon hire.

Contributions

The Plan allows participants to make voluntary deferral contributions up to the maximum percentage allowed not to exceed the limits of Code Section 401(k). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund. The Company currently matches 100% of each employee's contribution up to 1% of their wages, then 50% of wages from 1% to 6% determined each payroll. The Company may make a discretionary contribution in addition to the matching contribution.

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution, administrative expenses, and Plan earnings. Earnings are specifically allocated based on the earnings of the investments as directed by each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Discretionary contributions from the Company are allocated as a percentage of compensation of eligible participants for the Plan year.

Vesting

Participants are immediately vested in their voluntary contributions. After one year of service, participants are fully vested in the Company's elective "safe harbor" contributions. Previous, non-safe harbor Company contributions and discretionary contributions vest at a rate of 20% per year, beginning with the completion of two years of service, and become 100% vested after six years of service.

Investment options

Upon enrollment in the Plan, a participant may direct employee contributions into any of several investment options. Participants may change their investment options at their discretion.

RUDY L. HAWKINS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021

Note 1. Description of Plan and Significant Accounting Policies (Continued)

Forfeitures

At December 31, 2021 and 2020, the forfeited non-vested account totaled \$21,233 and \$5,349, respectively. This account will be used to reduce future plan administration fees and employer contributions.

Payment of benefits

On termination of service for reasons of death, disability or retirement, a participant will be entitled to 100 percent of their account balance. A participant may elect to receive either a lump-sum amount equal to the account balance, or the participant may elect to receive the amount in installments, as described in the Plan. If the participant's accrued benefit is less than \$5,000, the participant is paid a lump-sum payment as soon as practicable after his/her termination date. If the employment is terminated for reasons other than death, disability or retirement, a participant is entitled to receive only the vested percentage of the account balance and the remainder of the account will be forfeited. A hardship withdrawal may also be taken to satisfy an immediate and heavy financial need that cannot be satisfied from other financial resources. Hardship withdrawals may be taken for reasons as defined in the Plan document.

Note 2. Summary of Significant Accounting Policies

The following are significant accounting policies followed by the Plan:

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

RUDY L. HAWKINS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 2. Summary of Significant Accounting Policies (Continued)

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

The Plan's administrative expenses may be paid by the Plan or the Company, as provided by the Plan document. Administrative expenses paid by the Plan for the year ended December 31, 2021, were \$42,807.

Tax status

The Plan uses a volume submitter plan document of PBMares, LLP "Volume Submitter Profit Sharing Plan with CODA". The volume submitter plan document has obtained an opinion letter from the Internal Revenue Service (IRS), which states that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code. The Plan has not received a determination letter from the IRS; however, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America (GAAP) require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The tax years of 2018 to 2020 remain subject to examination by the taxing authorities.

Note 3. Fair Value Measurements

The Plan's mutual funds and collective investment trusts are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

RUDY L. HAWKINS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 3. Fair Value Measurements (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 consists of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The collective investment trust fund issued by Reliance Trust Company (the Stable Value Fund Collective Investment Trust, Series 25157) and owned at December 31, 2021 and 2020 is composed primarily of annuity contracts issued by MetLife and is valued at the net asset value of units of the collective investment trust fund. Net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,597,318	\$ -	\$ -	\$ 12,597,318
Total assets in fair value hierarchy	12,597,318	-	-	12,597,318
Investments measured at NAV (a)	-	-	-	556,466
Total assets at fair value	\$ 12,597,318	\$ -	\$ -	\$ 13,153,784

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,272,064	\$ -	\$ -	\$ 10,272,064
Total assets in fair value hierarchy	10,272,064	-	-	10,272,064
Investments measured at NAV (a)	-	-	-	189,669
Total assets at fair value	\$ 10,272,064	\$ -	\$ -	\$ 10,461,733

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 3. Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Investments Measured Using the Net Asset Value per Share Practical Expedient:

The following table, which includes the Stable Value Fund Collective Investment Trust, Series 25157 issued by Reliance Trust Company, summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable Value Fund Collective Investment Trust, Series 25157	\$556,466	None	Daily	None
<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable Value Fund Collective Investment Trust, Series 25157	\$ 189,669	None	Daily	None

Note 4. Investment Contracts

The Plan has investments in the Reliance Trust Company Stable Value Fund Collective Investment Trust, Series 25157. Included in this fund are guaranteed investment contracts and certain wrapper contracts. These contracts are considered to be benefit-responsive and are presented at fair value. The average yield for the fund was approximately 2.06% for 2021. The yield earned by the fund with an adjustment to reflect the actual interest rate credited to participants for 2021 was 1.90%. The objective of the fund is to provide stability of principal and high current income. The fund invests primarily in stable value products, including synthetic guaranteed investment contracts (GICs) issued by MetLife. The percentage of contributions allocated to this fund is determined by the participants.

Note 5. Related Party and Party-In-Interest Transactions

The Plan's investments include investment accounts administered by Ascensus Trust Company. Ascensus Trust Company is the custodian as defined in the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid for certain recordkeeping and investment services amounted to \$42,807 for the year ended December 31, 2021. Certain administrative functions are performed by employees of the Company. These employees are also Plan participants. No such employee receives compensation from the Plan.

RUDY L. HAWKINS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 7. Custodians' Certification

The custodian of the Plan, Ascensus Trust Company, holds the Plan's assets and manage the assets under a participant-directed investment arrangement. Certain information was certified as complete and accurate by the custodian. This information is as follows:

- Investment assets at fair value
- Investment transactions
- Investment income
- Schedule H, Line 4i - Schedule of Assets (Held at End of Year)

Note 8. Other Matters

In March 2020, the World Health Organization categorized COVID-19 as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

In March 2020, the Coronavirus Aid, Relief and Economic Security Act (the CARES Act) was enacted. Among other provisions, the CARES Act provides temporary options for the Plan participants with respect to certain Plan distributions and loans.

Plan management intends to make all required Plan amendments prior to the end of the 2022 Plan year, as required by the CARES Act.

Note 9. Subsequent Events

Management has evaluated subsequent events through July 28, 2022, the date which the financial statements were available to be issued.
