Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sprenger Retirement Centers Employees' Retirement Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sprenger Retirement Centers Employees' Retirement Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sprenger Retirement Centers Employees' Retirement Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sprenger Retirement Centers Employees' Retirement Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sprenger Retirement Centers Employees' Retirement Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule on page 14 as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Sprenger Retirement Centers Employees' Retirement Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of Plan:

General:

The Sprenger Retirement Centers Employees' Retirement Plan and Trust (the Plan), established January 1, 1982, is a defined contribution plan for Sprenger Enterprises, Inc. and entities under common ownership (the Companies and Plan Sponsor). Grace Management Services, Inc. (a related entity of the Companies) is a co-sponsor of the Plan and employs the employees of the Companies. Employees must meet certain eligibility requirements in order to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan trustees are responsible for oversight of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

There were law and operational changes impacting plans due to the passing of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) in 2020. The Plan adopted the distribution provision of the CARES Act that allows participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The Plan also adopted the increased loan limits for loans taken between March 27, 2020 and September 23, 2020 and allowed loan repayments to be suspended for up to one year without penalty. These optional provisions from the recent law changes adopted by the Plan will require written amendment by December 31, 2025 in accordance with applicable law and IRS guidance.

Contributions:

Participants can elect to contribute the maximum amount (set by the Internal Revenue Service) of their eligible compensation to the Plan on a pre-tax or post-tax (Roth) basis. These amounts are 100% vested immediately. Each participant's account is credited with the participant's contributions and earnings from investments held in the account. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Employees must first complete a 60-day period of service to be eligible to participate in the Plan.

The Plan requires the Companies to make matching contributions under the Internal Revenue Service safe harbor provisions and the basic matching formula, which requires a 100% match of each participant's elective contribution up to 3% of compensation, and a 50% match for elective contributions greater than 3% up to 5% of compensation. This safe harbor matching contribution allows the Plan to automatically satisfy required nondiscrimination testing. Employer safe harbor matching contributions totaled \$600,478 in 2021 and \$699,400 in 2020. Participants are 100% vested in all employer matching contributions made under the safe harbor provisions of the Plan. Employees must complete a 12-month period of service to be eligible to receive matching contributions.

Employer safe harbor matching contributions include \$2,015 in 2021 and \$49,634 in 2020 of forfeitures of excess employer matching contributions required to satisfy the relevant nondiscrimination provisions of the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of Plan (continued):

Contributions (continued):

Additional matching contributions may be made at the discretion of the Companies' Boards of Directors. There were no additional discretionary matching contributions made in 2021 or 2020. Participants are 100% vested in any additional matching contributions made under this provision of the Plan.

Additional employer discretionary contributions may be made at the discretion of the Companies' Boards of Directors. Employees must complete a 12-month period of service to be eligible to receive additional employer discretionary contributions. The Companies did not make an additional employer discretionary contribution during 2021 or 2020. These contributions would be allocated among the participants based upon their annual compensation.

Participants vest in these additional employer discretionary contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20
3	40
4	60
5	80
6 and thereafter	100

Forfeitures of nonvested accounts are first to be used to pay administrative expenses of the Plan. Any remaining forfeitures may reduce employer contributions or can be reallocated as additional and employer nonelective contributions. Employer matching contributions were paid from forfeitures in 2020. No amounts were paid from forfeitures in 2021. Forfeited amounts not allocated to participant accounts totaled \$150,739 at December 31, 2021 and \$97,371 at December 31, 2020.

Payment of benefits:

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59-1/2, they may also elect to withdraw from their account, any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement, disability or death.

On termination of service, participants may elect to receive a lump sum amount equal to the vested value of their account, or they may elect to receive payments in substantially equal installments over their life expectancy and, if applicable, the life expectancy of their beneficiary.

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of Plan (continued):

Investment options:

Participants may change their investment elections daily. Participants are allowed to direct their contributions, including the Companies' matching and discretionary contributions, into a number of funds. Participants may also invest in a personal choice retirement account subject to certain balance limitations and additional fees which are the responsibility of the participant. None of the participants elected to invest in the personal choice retirement accounts at December 31, 2021 and 2020.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

Participant notes:

Participants may borrow from their accounts. The minimum note is \$1,000 to a maximum equal to 50 percent of the participant vested balance. Note transactions are treated as transfers between investment funds and the participant notes fund. Repayment of a note must be made over a period not to exceed five years, unless the note is used to purchase a principal residence, in which case the note is to be repaid over a reasonable period of time that may exceed five years. The notes are secured by the balance in the participant's account and bear interest at the prime rate. Interest rates range from 4.25% to 6.50% at December 31, 2021 and 2020. Principal and interest are paid through payroll deductions and interest is included on the statements of changes in net assets available for benefits. Participant notes are measured at their unpaid principal balance plus any accrued but unpaid interest.

Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make note payments and the plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

SPRENGER RETIREMENT CENTERS EMPLOYEES' RETIREMENT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

2. Summary of significant accounting policies (continued):

Investment valuation and income recognition:

The Plan's mutual fund investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net increase in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment contract with insurance company:

The Plan's contract with Great-West Life & Annuity Insurance Company (Great-West), as of December 31, 2021 and 2020 is recorded at the estimated contract value, as provided by Great-West.

3. Investments:

The following table presents the current value of investments at December 31, 2022 and 2021. The value of the investments was provided by Great-West.

	<u>2021</u>	<u>2020</u>
Investments:		
Mutual funds (at fair value)	\$ 24,244,852	\$ 22,753,939
Guaranteed investment contract (at contract value)	<u>4,696,076</u>	<u>4,149,292</u>
	<u>\$ 28,940,928</u>	<u>\$ 26,903,231</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SPRENGER RETIREMENT CENTERS EMPLOYEES' RETIREMENT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

4. Fair value (continued):

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at net asset value or fair value on a recurring basis at December 31, 2021 and 2020 were as follows:

	2021 <u>(Level 1)</u>	2020 <u>(Level 1)</u>
Mutual funds	<u>\$ 24,244,852</u>	<u>\$ 22,753,939</u>

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

5. Investment contract with insurance company:

The Plan has a fully benefit-responsive investment contract with Great-West at December 31, 2021 and 2020. Great-West maintains the contributions in a separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

Contract value, as reported to the Plan by Great-West represents contributions made under contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

SPRENGER RETIREMENT CENTERS EMPLOYEES' RETIREMENT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

5. Investment contract with insurance company (continued):

Certain events limit the Plan's ability to transact at contract value with Great-West at December 31, 2021 and 2020. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The average interest rate credited to participants for the investment contract was 2.93% in 2021 and 2.72% in 2020.

6. Certified investments:

Certain information related to investments and participant notes disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments and participants notes held at December 31, 2021 and 2020, and net increase in fair value of investments and interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information certified as complete and accurate by Great-West at December 31, 2021 and 2020 (custodian of the Plan).

7. Administrative expenses:

Certain administrative functions are performed by employees of the Companies. No such employee, or the Companies, receive compensation from the Plan for these functions.

Certain expenses of maintaining the Plan are paid directly by the Companies and are excluded from these financial statements. Fees related to the administration of participant notes are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net increase in fair value of investments.

8. Income tax status:

The Internal Revenue Service on March 31, 2014 has determined that the prototype plan under which the Plan is organized and designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRS to maintain its qualification. The Plan has been amended since the adoption of the prototype plan. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the IRS and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

8. Income tax status (continued):

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Party-in-interest transactions:

Certain Plan investments are managed by Great-West at December 31, 2021 and 2020. Great-West is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan issues notes to participants, which are secured by the vested balance in the participant's account and certain fees related to the administration of the Plan were paid by the Plan or the Plan Sponsor, which also qualify as party-in-interest transactions.

10. Plan termination:

The Companies expect to continue the Plan but reserve the right at any time and within their sole discretion to reduce, suspend or discontinue contributions to the Plan or to terminate the Plan. In the event of termination, all affected participants will become 100% vested in their accounts.

11. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

As a result of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. No adjustments have been made to these financial statements as a result of this uncertainty.

12. Subsequent events:

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through August 4, 2022, the date the Plan's financial statements were available to be issued.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
