Independent Auditor's Report

To the 401(k) Investment Committee
HTC America, Inc. 401(k) Plan
Seattle, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of HTC America, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTERS

2021 Supplemental Schedules Required by ERISA

The supplementary information, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary information agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

HTC AMERICA, INC. 401(k) PLAN

Notes to Financial Statements For the Year Ended December 31, 2021

Note 1 - Description of the Plan

The following description of the HTC America, Inc. 401(k) Plan (the Plan) provides general information only. Participants should refer to the plan agreement for more complete information regarding the Plan's definitions, benefits, eligibility, and other matters.

General - The Plan is a defined contribution plan established January 1, 2008, by HTC America, Inc. (Plan Sponsor), for the benefit of its employees and the employees of participating affiliates HTC America Innovation, Inc., and HTC America Content Services Inc. (collectively, the Company).

The Plan excludes leased employees, employees covered by a collective bargaining agreement, temporary employees, independent contractors, and nonresident aliens who receive no earned income. Employees who are at least 18 years of age and who do not meet any of the aforementioned classes of individuals excluded from the Plan are eligible to participate in the Plan. Employees can enter the Plan beginning the second pay period following attainment of the eligibility requirement.

Contributions - Participants may contribute to the Plan through voluntary deferrals of earned compensation. Eligible employees may contribute from 1% to 100% of their compensation to the Plan, not to exceed annual limitations prescribed by the Internal Revenue Code (IRC). The Company will match an amount equal to 100% of the first 4% of participant compensation contributed to the Plan. Participants may also rollover amounts representing distributions from other qualified plans.

The Plan allows participants to make Roth contributions. Such contributions are subject to existing annual contribution limits prescribed under IRC 402(g). All Roth contributions and earnings are separately identified in the participant account balance records to facilitate compliance with the regulations prescribed for the tax treatment of distributions.

Effective January 1, 2021, the Plan added an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Participant Accounts - Each participant's account is credited with an allocation of (a) Company contributions, if any; (b) deferral contributions; and (c) plan earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are fully vested at all times in their contributions as well as all employer contributions and earnings thereon.

Payment of Benefits - Upon termination of service, death, disability, or retirement, a participant or their beneficiary may elect to receive a distribution of their vested account balance. Participants who have attained age 59½ can receive distributions while still employed by the Company. The Plan also provides for hardship withdrawals in accordance with provisions specified in the plan document. Distributions may only be in the form of a lump-sum payment.

HTC AMERICA, INC. 401(k) PLAN

Notes to Financial Statements For the Year Ended December 31, 2021

Note 1 - Continued

Notes Receivable From Participants - The Plan allows participants to borrow from their accounts using their vested balance as collateral for the loans. The maximum amount that a participant may borrow is equal to the lesser of 50% of their entire vested account balance or \$50,000. The minimum amount required to be borrowed is \$500. Loan terms range from one to five years unless it is used to acquire a principal residence. The loans bear interest at Prime plus 1% at the effective date of the loan. Principal and interest are paid ratably through payroll deductions.

Note 2 - Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities with disclosure on contingent assets and liabilities at the date of financial statements and reported amounts of additions to or deductions from plan assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments represents the change in fair value of assets from one period to the next and realized gains and losses on investments.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance. Accrued but unpaid interest, if any, would not have a material impact on the Plan's financial statements. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits - Benefits paid to participants are generally recognized when they are paid. No benefits had been requested and not paid as of December 31, 2021 and 2020.

Revenue Sharing Recapture Account - The Plan holds certain assets in an unallocated account which is primarily used to recapture a portion of the expense ratios charged by the Plan's mutual funds (revenue sharing payments). Revenue sharing payments can only be used to pay eligible administrative expenses of the Plan. During 2021, the Plan used \$93,223 in revenue sharing dollars to pay a portion of the Plan's administrative expenses. There was \$706 and \$23,176 of unallocated assets in the account at December 31, 2021 and 2020.

Investment Management and Administrative Expenses - Asset custodian, recordkeeping and audit fees are paid for using the Plan's revenue sharing recapture account. Administrative costs for investment, consulting, and legal services are paid by the Plan and the Company. Several of the investment fund options are subject to investment and administrative fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance and, therefore, are not separately disclosed in the accompanying financial statements.

Transaction based fees for loans and distributions are charged directly to participant accounts. The Company may elect to pay other expenses related to the Plan's administration.

Notes to Financial Statements For the Year Ended December 31, 2021

Note 2 - Continued

Subsequent Events - The Plan's management has evaluated subsequent events through August 19, 2022, the date on which the Plan's financial statements were available to be issued.

Note 3 - Fair Value Measurements

GAAP provides a consistent framework for determining fair value measures for financial assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Unadjusted quoted prices available in active markets for identical assets or liabilities;

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or

Level 3 - Unobservable inputs that are significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund - Valued using the NAV provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding at the valuation date. Participant transactions (purchases and sales) may occur daily. The fund may impose plan level redemption restrictions.

Notes to Financial Statements For the Year Ended December 31, 2021

Note 3 - Continued

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2021 and 2020:

	Fair Value Measurements as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 34,002,832	\$ -	\$ -	\$ 34,002,832
Total Assets in the Fair Value Hierarchy	\$ 34,002,832	\$ -	\$ -	34,002,832
Investments measured at NAV ^(a)				1,299,758
Total Investments at Fair Value				\$ 35,302,590

	Fair Value Measurements as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 30,784,125	\$ -	\$ -	\$ 30,784,125
Total Assets in the Fair Value Hierarchy	\$ 30,784,125	\$ -	\$ -	30,784,125
Investments measured at NAV ^(a)				1,500,420
Total Investments at Fair Value				\$ 32,284,545

- (a) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments.

	2021 Fair Value	2020 Fair Value	Redemption Frequency	Redemption Notice Period
Collective trust fund- MetLife Stable Value Fund ^(b)	\$ 1,299,758	\$ 1,500,420	Daily	None

- (b) The Fund's investment objective is to provide safety of principal, adequate liquidity and a competitive yield with low return volatility.

HTC AMERICA, INC. 401(k) PLAN

Notes to Financial Statements For the Year Ended December 31, 2021

Note 4 - Collective Trust Fund

The collective trust fund invests in a group annuity contract ("GAC") which includes underlying assets that are held in a trust owned by MetLife. The contract provides that participants execute Plan transactions at contract value. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals. The investment is stated at fair value as reported by MetLife. The GAC's fair value equals the fluctuating value of the separate account of the assets backing the contract. The Plan's fair value of the investment equals the Plan's guaranteed value times the ratio of the GAC's guaranteed value to the GAC's fair value.

Participants will receive the principal and accrued earnings credited to their accounts on withdrawal for allowed events. These events include transfers to other Plan investment options, and payments because of retirement, termination of employment, disability, death and in-service withdrawals as permitted by the Plan. Certain events, such as Plan termination or a Plan merger initiated by the Plan sponsor, may limit the ability of the Plan to transact at contract value. The Plan sponsor does not believe any events that may limit the ability of the Plan to transact at contract value are probable.

Note 5 - Information Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2021 and 2020, and investment income or loss for the year ended December 31, 2021, that is disclosed in the accompanying financial statements and supplementary information, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company (Matrix). The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary information.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 7 - Federal Income Taxes

The Plan Sponsor adopted a CCH Incorporated (CCH) volume submitter plan document. CCH received an advisory letter from the Internal Revenue Service dated June 30, 2020, which states that the volume submitter document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the Internal Revenue Service (IRS). However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements. The Plan is subject to audits by the IRS; however, there are currently no audits for any tax periods in progress.

Note 8 - Party-in-Interest Transactions

Northwest Plan Services (NPS) provides recordkeeping services for the Plan. As such, fees paid by the Plan to NPS qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

HTC AMERICA, INC. 401(k) PLAN

Notes to Financial Statements For the Year Ended December 31, 2021

Note 9 - Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 10 - Corrections for Late Remittance of Contributions

Defined contribution plans are required to remit employee contributions (and loan repayments) to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, the Company also determined that there were instances during the years ended December 31, 2021, 2020, 2019, 2018, and 2016 in which participant contributions were not deposited by the Company as Plan assets within the time limitation stipulated under the Department of Labor's regulations. The Company restored lost earnings associated with 2016, 2018, 2019, 2020 and 2021 delinquent contributions during 2021.
