INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
PROFORM POWDERED METALS, LLC 401(k) PLAN
Punxsutawney, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Proform Powdered Metals, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

PROFORM POWDERED METALS, LLC 401(k) PLAN INDEPENDENT AUDITORS' REPORT

Page 2

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Proform Powdered Metals, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Proform Powdered Metals, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

PROFORM POWDERED METALS, LLC 401(k) PLAN INDEPENDENT AUDITORS' REPORT

Page 3

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Proform Powdered Metals, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Proform Powdered Metals, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Proform Powdered Metals, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFORM POWDERED METALS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021

NOTE A. DESCRIPTION OF THE PLAN

The following description of the Proform Powdered Metals, LLC 401(k) Plan ("Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a safe harbor 401(k) plan as described under Internal Revenue Code Section 401(k). The Plan covers all employees who have at least 1,000 hours of service in a twelve-month period and are age twenty-one or older. Prior to July 31, 2021, the Plan covered employees of Proform Powdered Metals, Inc. and Double D Tool & Manufacturing Co., LLC. Effective July 31, 2021, Proform Powdered Metals, Inc. came under new ownership and changed its name to Proform Powdered Metals, LLC. Effective August 1, 2021, the Plan was amended to change the Plan name to Proform Powdered Metals, LLC 401(k) Plan and remove Double D Tool & Manufacturing Co., LLC as a participating employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The administrative committee oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

The Plan is funded through employer contributions, pre-tax employee payroll deductions and after-tax Roth contributions. Each year participants can elect to defer a percentage of their pre-tax annual compensation to the Plan to a maximum dollar amount as determined annually by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan. The amount a participant may defer in any tax year is limited by law.

The Company makes a safe harbor matching contribution in an amount equal to 100% of the participant's salary deferrals that do not exceed 3% of compensation plus 50% of all deferrals between 3% and 5% of compensation.

PROFORM POWDERED METALS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021

NOTE A. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's respective deferral, the Company's safe harbor contribution and plan earnings. Participant accounts are charged with an allocation of certain administrative expenses that are paid by the Plan. Participants are able to direct the investment of their contributions to the Plan based on investment choices made available to them. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately 100% vested in amounts attributable to employee deferrals, Company safe harbor contributions, and earnings.

Payment of Benefits

Upon termination of service, if a participant's vested benefit in the Plan does not exceed \$5,000, the participant's benefit will be distributed in a single lump sum payment. If the vested benefit in the Plan exceeds \$5,000, then the participant must consent to the distribution before it may be made. The participant may elect to receive a distribution in the form of a single lump sum payment or a series of installment payments.

Hardship Withdrawals

The Plan does not permit distributions in the event of a hardship. However, effective April 20, 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") provision to allow coronavirus-related distributions. A plan participant may take a coronavirus-related distribution during the period of March 27, 2020 to December 31, 2020 due to (1) the participant being diagnosed with COVID-19 by a test approved by the Centers for Disease Control and Prevention, (2) the participant's spouse or dependent being diagnosed with such virus by such a test, or (3) the individual experiencing adverse financial consequences as a result of being quarantined, furloughed or laid off, having work hours reduced or being unable to work due to lack of child care due to such virus.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

PROFORM POWDERED METALS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting (Continued)

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The administrative committee, in conjunction with the custodian, determines the Plan's valuation policies. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Reclassification

Amounts in the prior period's financial statements are reclassified whenever necessary to conform to current period presentations.

PROFORM POWDERED METALS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Date of Management's Review

Management has evaluated subsequent events through the date of the report, which is when the financial statements were available to be issued.

NOTE C. CERTIFICATION OF FINANCIAL INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya Retirement Insurance and Annuity Company ("Voya"), the custodian of the Plan.

NOTE D. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value, in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no Level 1, Level 2 or Level 3 inputs available to the Plan.

The fair value of the pooled separate accounts is measured at the NAV of each account on the last day of the plan year. The NAV is based on the market value of the underlying assets.

PROFORM POWDERED METALS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021

NOTE D. FAIR VALUE MEASUREMENTS (CONTINUED)

In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share practical expedient have not been categorized in the fair value hierarchy. See Note E for discussion of investments measured at NAV.

Gains and losses included in the change in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

NOTE E. INVESTMENTS MEASURED AT NAV

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE F. UNALLOCATED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Voya Fixed Account is a fully benefit-responsive investment contract with Voya. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

PROFORM POWDERED METALS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021

NOTE F. UNALLOCATED INVESTMENT CONTRACT WITH INSURANCE
COMPANY (CONTINUED)

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the Statements of Net Assets Available for Benefits at contract value. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the Plan's ability to transact at contract value with Voya. Such events include the following: (a) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (b) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (c) premature termination of the contract. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants or the issuer are probable of occurring.

There are no unfunded commitments. Under the terms of the contract, the Plan sponsor must provide a minimum of 90-days' notice to Voya prior to the redemption of the contract.

The contract value of the investment contract at December 31, 2021 and 2020, was \$133,248 and \$117,295, respectively.

NOTE G. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The plan sponsor, Proform Powdered Metals, LLC, provides the Plan with accounting and administrative services for which no fees are charged. In addition, certain plan investments are shares of pooled separate accounts managed by Voya. Voya is the custodian as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to \$750 for the year ended December 31, 2021.

Members of the former management team are participants in the Plan, and one member served as the plan administrator through July 31, 2021.

Finally, the plan sponsor directly pays most administrative expenses for the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

PROFORM POWDERED METALS, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021

NOTE H. TAX STATUS

The Internal Revenue Service has determined and informed the custodian by a letter dated June 30, 2020, that the Plan is qualified and the trust established under the Plan is tax exempt, under the appropriate sections of the Internal Revenue Code (IRC). The plan administrator and its qualified tax counsel do not anticipate that changes in the Plan after the date of the amendments covered by the Internal Revenue Service determination letter will affect the qualified and tax-exempt status of the Plan and the Trust, respectively.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE J. TRANSFERS OUT

Effective August 2022, Double D Tool & Manufacturing Co., LLC was removed from the Plan and the assets were transferred into the Double D Tool & Manufacturing Co., LLC 401(k) Plan.

NOTE K. SUBSEQUENT EVENTS

Effective January 2022, all assets of the Plan were transferred into the Metal Powder Products 401(k) Plan.
