INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Participants of the
Walter & Haverfield LLP Profit Sharing Retirement Plan
Cleveland, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Walter & Haverfield LLP Profit Sharing Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Walter & Haverfield LLP Profit Sharing Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Walter & Haverfield LLP Profit Sharing Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Walter & Haverfield LLP Profit Sharing Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Walter & Haverfield LLP Profit Sharing Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Walter & Haverfield LLP Profit Sharing Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets – Held at End of Year for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Walter & Haverfield LLP Profit Sharing Retirement Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WALTER & HAVERFIELD LLP PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of Walter & Haverfield LLP Profit Sharing Retirement Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution retirement plan that was formed for the purpose of providing retirement benefits to employees of Walter & Haverfield LLP (the Firm). Employees of the Firm are eligible to participate in the Plan after having completed 1 hour of service, as defined, and reaching a minimum age of 18 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Trustee is responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Each year, plan participants may elect to contribute pre-tax annual compensation, as defined in the Plan, up to permissible amounts under the Internal Revenue Code (IRC). Eligible employees may elect to make additional "catch up" contributions. Participants may also contribute amounts on an after-tax basis through Roth contributions subject to the same limitations as pretax basis contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Firm contributes a matching contribution on behalf of each participant in an amount equal to 25% of the first 4% of the participant's compensation contributed to the plan. Partners, as defined, are not eligible for matching contributions. At the discretion of the Firm, additional discretionary profit sharing contributions may be authorized for the related year. These contributions are funded in the year subsequent to their authorization. Allocations of the Firm's profit sharing contribution are given only to participants employed at the end of the Plan year who have completed at least 1,000 hours of service during the Plan year, and are based on participants' compensation for the Plan year relating to the contribution. Employer matching and discretionary profit sharing contributions for 2021 were \$1,382,872. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

A separate account is maintained for each investment option selected by the participant. Each participant's account is credited with the participant's contributions, the Firm's contributions, and the Plan's earnings. Allocation of the Plan's earnings is based on participant's account balances, participant earnings, or specific participant transactions, as defined. Participants direct the investment of their contributions into various investment options offered by the Plan. The plan currently offers fifty-five funds as investment options for participants.

Vesting

Participants are immediately vested in employee contributions and Firm contributions as well as earnings thereon.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

In case of a normal retirement, retirement due to permanent disability or termination of employment, participants may elect to receive the value of their account balance in a lump sum distribution, or as a rollover in whole or in part to an eligible retirement plan, in accordance with the provisions of the Plan. For in-service distributions (including attainment of age 59.5), a participant may elect to receive partial withdrawals from his or her account. Distributions of a participant's account may be authorized by the plan administrator under certain hardship conditions.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting, in conformity with generally accepted accounting principles.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator and management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Benefit Distributions

Benefit distributions are recorded when paid to participants.

Valuation of Investments

The Plan's investments are administered by Nationwide Trust Company, FSB and Nationwide Life Insurance Company and are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Units held in mutual fund accounts are reported at fair value based on the unit prices quoted by the funds, representing the fair value of the underlying investments. Units held in the fixed fund are reported at contract value. Participant loans are valued at cost, which approximates fair value.

Administrative Services

The expenses necessary to administer the Plan are paid either by the Plan or by the Firm as provided by the Plan agreement. Expenses that are paid by the Firm are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risk and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value in the near term would materially affect participant account balances and the amounts reported in the statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

Notes Receivable from Participants

Loans are made available to all participants in accordance with the specific provisions set forth in the Plan. The amount of a loan cannot exceed the lesser of \$50,000 or one-half of a participant's total vested account balance. Loan terms range from one to five years. Loan terms range from one to ten years when used to construct or acquire a principal residence. The loans are secured by the balance in the participant's account. Participants with loan balances had interest rates ranging from 4.25% to 6.50% during the plan year ending December 31, 2021. All loans are subject to specific repayment plans and are secured by the participant's vested interest in his/her account equivalent to the principal amount of the loan. Loan origination fees of \$100 are paid by the participant requesting the loan. Loan origination fees are expensed when incurred.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

NOTE 3 - TAX STATUS

The Plan uses a volume submitter plan document sponsored by DeWitt Ross & Stevens S.C. The Plan itself has also received a favorable determination letter from the IRS dated May 12, 2017. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are investments managed by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company, the custodians of the Plan. Additionally, the Plan paid Moskal Gross Orchosky Inc. for third party administrative and investment advisory services to the Plan. These transactions qualify as party-in-interest. Certain fees for investment management, recordkeeping and administrative expenses are with the custodian and are not considered prohibited transactions under ERISA.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 6 - PARTICIPANTS SEPARATED FROM SERVICE WITH A DEFERRED VESTED INTEREST

As of December 31, 2021, sixty participants with account balances totaling \$7,622,350 have separated from service and have not been paid.

NOTE 7 - INVESTMENTS

The Plan's investments are held by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company as custodians. Nationwide Trust Company, FSB, and Nationwide Life Insurance Company certified as of December 31, 2021 and 2020 as to the completeness and accuracy of the information reported. Realized and unrealized gains/(losses) on investments totaled \$5,084,339 and \$4,378,274 for the years ended December 31, 2021 and 2020, respectively.

NOTE 8 - INFORMATION CERTIFIED BY THE TRUSTEE

At December 31, 2021 and 2020, the Plan's investments were held by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting with Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 9 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB Statement ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

WALTER & HAVERFIELD LLP PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 9 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Valued at the appraised values of the underlying individual assets within the brokerage accounts. The brokerage accounts primarily included registered investment companies and individual equities that are traded on an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021

NOTE 10 – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a fully benefit-responsive group annuity contract with Nationwide Life Insurance Company. Nationwide Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed interest contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. Contract value, as reported to the Plan by Nationwide Life Insurance Company represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The current credited interest rate is 2.28%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to the following: (1) the complete or partial termination of the plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Participants of the
Walter & Haverfield LLP Profit Sharing Retirement Plan
Cleveland, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Walter & Haverfield LLP Profit Sharing Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Walter & Haverfield LLP Profit Sharing Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Walter & Haverfield LLP Profit Sharing Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Walter & Haverfield LLP Profit Sharing Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Walter & Haverfield LLP Profit Sharing Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Walter & Haverfield LLP Profit Sharing Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets – Held at End of Year for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Walter & Haverfield LLP Profit Sharing Retirement Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WALTER & HAVERFIELD LLP PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of Walter & Haverfield LLP Profit Sharing Retirement Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution retirement plan that was formed for the purpose of providing retirement benefits to employees of Walter & Haverfield LLP (the Firm). Employees of the Firm are eligible to participate in the Plan after having completed 1 hour of service, as defined, and reaching a minimum age of 18 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Trustee is responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Each year, plan participants may elect to contribute pre-tax annual compensation, as defined in the Plan, up to permissible amounts under the Internal Revenue Code (IRC). Eligible employees may elect to make additional "catch up" contributions. Participants may also contribute amounts on an after-tax basis through Roth contributions subject to the same limitations as pretax basis contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Firm contributes a matching contribution on behalf of each participant in an amount equal to 25% of the first 4% of the participant's compensation contributed to the plan. Partners, as defined, are not eligible for matching contributions. At the discretion of the Firm, additional discretionary profit sharing contributions may be authorized for the related year. These contributions are funded in the year subsequent to their authorization. Allocations of the Firm's profit sharing contribution are given only to participants employed at the end of the Plan year who have completed at least 1,000 hours of service during the Plan year, and are based on participants' compensation for the Plan year relating to the contribution. Employer matching and discretionary profit sharing contributions for 2021 were \$1,382,872. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

A separate account is maintained for each investment option selected by the participant. Each participant's account is credited with the participant's contributions, the Firm's contributions, and the Plan's earnings. Allocation of the Plan's earnings is based on participant's account balances, participant earnings, or specific participant transactions, as defined. Participants direct the investment of their contributions into various investment options offered by the Plan. The plan currently offers fifty-five funds as investment options for participants.

Vesting

Participants are immediately vested in employee contributions and Firm contributions as well as earnings thereon.

WALTER & HAVERFIELD LLP PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

In case of a normal retirement, retirement due to permanent disability or termination of employment, participants may elect to receive the value of their account balance in a lump sum distribution, or as a rollover in whole or in part to an eligible retirement plan, in accordance with the provisions of the Plan. For in-service distributions (including attainment of age 59.5), a participant may elect to receive partial withdrawals from his or her account. Distributions of a participant's account may be authorized by the plan administrator under certain hardship conditions.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting, in conformity with generally accepted accounting principles.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator and management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Benefit Distributions

Benefit distributions are recorded when paid to participants.

Valuation of Investments

The Plan's investments are administered by Nationwide Trust Company, FSB and Nationwide Life Insurance Company and are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Units held in mutual fund accounts are reported at fair value based on the unit prices quoted by the funds, representing the fair value of the underlying investments. Units held in the fixed fund are reported at contract value. Participant loans are valued at cost, which approximates fair value.

Administrative Services

The expenses necessary to administer the Plan are paid either by the Plan or by the Firm as provided by the Plan agreement. Expenses that are paid by the Firm are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

WALTER & HAVERFIELD LLP PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risk and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value in the near term would materially affect participant account balances and the amounts reported in the statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

Notes Receivable from Participants

Loans are made available to all participants in accordance with the specific provisions set forth in the Plan. The amount of a loan cannot exceed the lesser of \$50,000 or one-half of a participant's total vested account balance. Loan terms range from one to five years. Loan terms range from one to ten years when used to construct or acquire a principal residence. The loans are secured by the balance in the participant's account. Participants with loan balances had interest rates ranging from 4.25% to 6.50% during the plan year ending December 31, 2021. All loans are subject to specific repayment plans and are secured by the participant's vested interest in his/her account equivalent to the principal amount of the loan. Loan origination fees of \$100 are paid by the participant requesting the loan. Loan origination fees are expensed when incurred.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

NOTE 3 - TAX STATUS

The Plan uses a volume submitter plan document sponsored by DeWitt Ross & Stevens S.C. The Plan itself has also received a favorable determination letter from the IRS dated May 12, 2017. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are investments managed by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company, the custodians of the Plan. Additionally, the Plan paid Moskal Gross Orchosky Inc. for third party administrative and investment advisory services to the Plan. These transactions qualify as party-in-interest. Certain fees for investment management, recordkeeping and administrative expenses are with the custodian and are not considered prohibited transactions under ERISA.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 6 - PARTICIPANTS SEPARATED FROM SERVICE WITH A DEFERRED VESTED INTEREST

As of December 31, 2021, sixty participants with account balances totaling \$7,622,350 have separated from service and have not been paid.

NOTE 7 - INVESTMENTS

The Plan's investments are held by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company as custodians. Nationwide Trust Company, FSB, and Nationwide Life Insurance Company certified as of December 31, 2021 and 2020 as to the completeness and accuracy of the information reported. Realized and unrealized gains/(losses) on investments totaled \$5,084,339 and \$4,378,274 for the years ended December 31, 2021 and 2020, respectively.

NOTE 8 - INFORMATION CERTIFIED BY THE TRUSTEE

At December 31, 2021 and 2020, the Plan's investments were held by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting with Disclosure under the Employee Retirement Income Security Act of 1974.

The income and expenses reported in the statement of changes in net assets available for plan benefits for the years ended December 31, 2021 and 2020 was certified by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company.

The information included in the Schedule of Assets was certified by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company.

NOTE 9 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB Statement ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 9 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Valued at the appraised values of the underlying individual assets within the brokerage accounts. The brokerage accounts primarily included registered investment companies and individual equities that are traded on an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

NOTE 10 – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a fully benefit-responsive group annuity contract with Nationwide Life Insurance Company. Nationwide Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed interest contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. Contract value, as reported to the Plan by Nationwide Life Insurance Company represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The current credited interest rate is 2.28%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to the following: (1) the complete or partial termination of the plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent events were reviewed through August 15, 2022, the date the financial statements were available for issuance. Prior to December 31, 2022, the Plan will be formally adopting certain provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act which was signed into law on March 27, 2020, in accordance with applicable law and IRS guidance.

INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Participants of the
Walter & Haverfield LLP Profit Sharing Retirement Plan
Cleveland, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Walter & Haverfield LLP Profit Sharing Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Walter & Haverfield LLP Profit Sharing Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Walter & Haverfield LLP Profit Sharing Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Walter & Haverfield LLP Profit Sharing Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Walter & Haverfield LLP Profit Sharing Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Walter & Haverfield LLP Profit Sharing Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets – Held at End of Year for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Walter & Haverfield LLP Profit Sharing Retirement Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WALTER & HAVERFIELD LLP PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of Walter & Haverfield LLP Profit Sharing Retirement Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution retirement plan that was formed for the purpose of providing retirement benefits to employees of Walter & Haverfield LLP (the Firm). Employees of the Firm are eligible to participate in the Plan after having completed 1 hour of service, as defined, and reaching a minimum age of 18 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Trustee is responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Each year, plan participants may elect to contribute pre-tax annual compensation, as defined in the Plan, up to permissible amounts under the Internal Revenue Code (IRC). Eligible employees may elect to make additional "catch up" contributions. Participants may also contribute amounts on an after-tax basis through Roth contributions subject to the same limitations as pretax basis contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Firm contributes a matching contribution on behalf of each participant in an amount equal to 25% of the first 4% of the participant's compensation contributed to the plan. Partners, as defined, are not eligible for matching contributions. At the discretion of the Firm, additional discretionary profit sharing contributions may be authorized for the related year. These contributions are funded in the year subsequent to their authorization. Allocations of the Firm's profit sharing contribution are given only to participants employed at the end of the Plan year who have completed at least 1,000 hours of service during the Plan year, and are based on participants' compensation for the Plan year relating to the contribution. Employer matching and discretionary profit sharing contributions for 2021 were \$1,382,872. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

A separate account is maintained for each investment option selected by the participant. Each participant's account is credited with the participant's contributions, the Firm's contributions, and the Plan's earnings. Allocation of the Plan's earnings is based on participant's account balances, participant earnings, or specific participant transactions, as defined. Participants direct the investment of their contributions into various investment options offered by the Plan. The plan currently offers fifty-five funds as investment options for participants.

Vesting

Participants are immediately vested in employee contributions and Firm contributions as well as earnings thereon.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

In case of a normal retirement, retirement due to permanent disability or termination of employment, participants may elect to receive the value of their account balance in a lump sum distribution, or as a rollover in whole or in part to an eligible retirement plan, in accordance with the provisions of the Plan. For in-service distributions (including attainment of age 59.5), a participant may elect to receive partial withdrawals from his or her account. Distributions of a participant's account may be authorized by the plan administrator under certain hardship conditions.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting, in conformity with generally accepted accounting principles.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator and management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Benefit Distributions

Benefit distributions are recorded when paid to participants.

Valuation of Investments

The Plan's investments are administered by Nationwide Trust Company, FSB and Nationwide Life Insurance Company and are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Units held in mutual fund accounts are reported at fair value based on the unit prices quoted by the funds, representing the fair value of the underlying investments. Units held in the fixed fund are reported at contract value. Participant loans are valued at cost, which approximates fair value.

Administrative Services

The expenses necessary to administer the Plan are paid either by the Plan or by the Firm as provided by the Plan agreement. Expenses that are paid by the Firm are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risk and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value in the near term would materially affect participant account balances and the amounts reported in the statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

Notes Receivable from Participants

Loans are made available to all participants in accordance with the specific provisions set forth in the Plan. The amount of a loan cannot exceed the lesser of \$50,000 or one-half of a participant's total vested account balance. Loan terms range from one to five years. Loan terms range from one to ten years when used to construct or acquire a principal residence. The loans are secured by the balance in the participant's account. Participants with loan balances had interest rates ranging from 4.25% to 6.50% during the plan year ending December 31, 2021. All loans are subject to specific repayment plans and are secured by the participant's vested interest in his/her account equivalent to the principal amount of the loan. Loan origination fees of \$100 are paid by the participant requesting the loan. Loan origination fees are expensed when incurred.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

NOTE 3 - TAX STATUS

The Plan uses a volume submitter plan document sponsored by DeWitt Ross & Stevens S.C. The Plan itself has also received a favorable determination letter from the IRS dated May 12, 2017. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are investments managed by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company, the custodians of the Plan. Additionally, the Plan paid Moskal Gross Orchosky Inc. for third party administrative and investment advisory services to the Plan. These transactions qualify as party-in-interest. Certain fees for investment management, recordkeeping and administrative expenses are with the custodian and are not considered prohibited transactions under ERISA.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 6 - PARTICIPANTS SEPARATED FROM SERVICE WITH A DEFERRED VESTED INTEREST

As of December 31, 2021, sixty participants with account balances totaling \$7,622,350 have separated from service and have not been paid.

NOTE 7 - INVESTMENTS

The Plan's investments are held by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company as custodians. Nationwide Trust Company, FSB, and Nationwide Life Insurance Company certified as of December 31, 2021 and 2020 as to the completeness and accuracy of the information reported. Realized and unrealized gains/(losses) on investments totaled \$5,084,339 and \$4,378,274 for the years ended December 31, 2021 and 2020, respectively.

NOTE 8 - INFORMATION CERTIFIED BY THE TRUSTEE

At December 31, 2021 and 2020, the Plan's investments were held by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by Nationwide Trust Company, FSB, and Nationwide Life Insurance Company as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting with Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 9 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB Statement ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

WALTER & HAVERFIELD LLP PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 9 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Valued at the appraised values of the underlying individual assets within the brokerage accounts. The brokerage accounts primarily included registered investment companies and individual equities that are traded on an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021

NOTE 10 – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a fully benefit-responsive group annuity contract with Nationwide Life Insurance Company. Nationwide Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed interest contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. Contract value, as reported to the Plan by Nationwide Life Insurance Company represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The current credited interest rate is 2.28%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to the following: (1) the complete or partial termination of the plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent events were reviewed through August 15, 2022, the date the financial statements were available for issuance. Prior to December 31, 2022, the Plan will be formally adopting certain provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act which was signed into law on March 27, 2020, in accordance with applicable law and IRS guidance.
