INDEPENDENT AUDITORS' REPORT

Allgeier, Martin & Associates, Inc.
Employees' 401(k) Profit Sharing Plan
Springfield, Missouri

Opinion

We have audited the accompanying financial statements of the Allgeier, Martin & Associates, Inc. Employees' 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Allgeier, Martin & Associates, Inc. Employees' 401(k) Profit Sharing Plan as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allgeier, Martin & Associates, Inc. Employees' 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allgeier,

Martin & Associates, Inc. Employees' 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after July 29, 2022.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Allgeier, Martin & Associates, Inc. Employees' 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Allgeier, Martin & Associates, Inc. Employees' 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i - schedule of assets held for investment purposes as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEES' 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF PLAN

The following description of the Allgeier, Martin & Associates, Inc., (Company) Employees' 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan, established February 1, 1981 and restated January 1, 2015, is a defined contribution plan covering all employees of the Company who have completed six months of service and are age 20 ½ or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants may contribute a portion of their annual compensation, as defined by the Plan document, by way of salary reductions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans. The Company contributes 100 percent of the first 3 percent of base compensation that a participant contributes to the plan. The Company also contributes 50 percent of the next 2 percent of base compensation that a participant contributes to the plan. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

Participant accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, (b) Plan earnings reduced by an allocation of administrative expenses, and (c) forfeitures of terminated participants' non-vested accounts. The Company's contributions and forfeitures are allocated to participants employed on the last day of the plan year. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon and company safe harbor contributions plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service. A participant also becomes 100 percent vested upon death or disability. The non-vested balance is forfeited upon termination of service.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates of 3.25%-5.5%, which are commensurate with local prevailing rates as determined by the plan administrator.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Notes receivable from participants - continued - Principal and interest are paid ratably through monthly payroll deductions.

Payment of benefits - On termination of service due to death, disability, or retirement, a participant may receive a lump-sum amount equal to the value of his or her account. In-service distributions are also allowed if the participant has reached age 59 ½ or if the participant has a financial hardship. If the participant ceases to be an employee of the Company and his or her account balance is less than \$1,000, the entire vested account balance may be payable to the participant or his or her beneficiaries in a single lump-sum payment. Balances greater than \$1,000 but less than \$5,000 may be rolled over to an individual retirement account, as designated by the Plan, absent an election by the participant. Participant balances in excess of \$5,000 may remain in the Plan until such time the participant elects to receive a distribution. A participant may elect to receive a lump-sum amount, systematic withdrawals (installments), or an annuity equal to the vested value of his or her account.

Forfeited accounts - Participants who terminate their employment and are less than 100 percent vested in their account will forfeit the non-vested portion. At December 31, 2021 and 2020, forfeited non-vested accounts were allocated as additional company contributions. For 2021 and 2020, the forfeited non-vested account balance totaled \$20,131 and \$16, respectively.

Investment options - Participant's direct the investment of all contributions into various investment options offered by the plan. The plan currently offers various mutual funds and stable value collective trust fund as investment options for participants.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 2: SUMMARY OF ACCOUNTING POLICIES – CONTINUED

Investment valuation and income recognition - Investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is reported on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of benefits - Benefits payments to participants are recorded upon distribution.

Subsequent events - The plan has evaluated subsequent events through July 29, 2022, the date the financial statements were available to be issued.

NOTE 3: METHOD OF ALLOCATION

Employer profit sharing contributions and forfeitures are allocated as follows:

First Tier - each participant's compensation, subject to Internal Revenue Code limitations, times 3 percent.

Second Tier - each participant's compensation in excess of the social security taxable wage base, subject to Internal Revenue Code limitations, times 3 percent.

Third Tier - in the ratio that each participant's compensation plus compensation in excess of the social security taxable wage base, subject to Internal Revenue Code limitations, bears to the total compensation plus total excess compensation for all participants. The third tier allocation, as a percentage of each participant's compensation plus excess compensation, may not exceed 2.7 percent.

Fourth Tier - amount of remaining contributions and forfeitures are allocated according to the ratio of each participant's compensation, subject to Internal Revenue Code limitations to the total compensation of all participants.

Years Ended December 31, 2021 and 2020

NOTE 4: PARTY-IN INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association, or relatives of such persons. Substantially all of the administrative costs of the Plan are paid by the Company. Certain administrative functions are performed by officers or employees of the Company and certain officers serve as the Plan's trustees. No such officer or employee receives compensation for services rendered to the Plan.

The Plan incurs expenses related to general administration and record keeping. The plan sponsor pays a portion of these expenses and certain accounting and auditing fees relating to the Plan.

NOTE 5: PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their account balances.

NOTE 6: TAX STATUS

The Internal Revenue Service has determined and informed the company by a letter dated March 31, 2014, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 6: TAX STATUS - CONTINUED

The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for fiscal years prior to 2018.

NOTE 7: SEPARATED PARTICIPANTS

At December 31, 2021 and 2020, \$1,406,322, and \$1,551,711, respectively, of the net assets available for benefits are for those participants who have separated from active service with the participating employer.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets; |

ALLGEIER, MARTIN & ASSOCIATES, INC.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE 9: FAIR VALUE MEASUREMENTS - CONTINUED

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.
