## **INDEPENDENT AUDITOR'S REPORT**

To the Administrative Committee of  
the Allbirds 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the Allbirds 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Allbirds 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years the ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Allbirds 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allbirds 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Allbirds 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allbirds 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Report on Supplemental Information**

The supplemental schedule of Assets Held at End of Year is presented for purposes of additional analysis and are not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **ALLBIRDS 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2021 AND 2020

#### **NOTE 1. DESCRIPTION OF PLAN**

The following is a brief description of the Allbirds 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

##### **General**

The Allbirds 401(k) Plan (the Plan) was established January 1, 2017. The Plan is a defined contribution pension plan and is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended. The following brief description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is sponsored by Allbirds, Inc. (the Company). The Plan covers all employees of the Company. Employees are eligible to enter the Plan on the first day of the month following the month hired. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

##### **Contributions**

Participants may make pre-tax elective deferrals or Roth elective deferrals. A contributing participant may elect salary deferrals in a dollar amount or percentage to the Plan not to exceed the limits permitted by law. Participants may make rollover contributions representing distributions from other qualified plans. Participants direct the investment of the contributions into various investment options offered by the Plan. The Company will make the following ADP Test Safe Harbor contribution to the Plan for each Plan year that an employee is a participant in the Plan: (a) a matching percentage of 100% for elective deferral percentage of less than or equal to 3% of salary which a participant contributes to the Plan; and (b) a matching percentage of 50% for elective deferral percentage greater than 3%, but less than or equal to 5% of salary which a participant contributes to the Plan. The Company will also make profit sharing contributions to the Plan on behalf of qualified participants in an amount to be determined from year to year. Profit sharing contributions will be allocated to the individual accounts of qualified participants based on a pro-rata formula. Contributions are accounted for as exchange transactions.

## **NOTE 1. DESCRIPTION OF PLAN (continued)**

### **Participants Accounts**

Participant accounts are credited with participant contributions and an allocation of employer contributions and plan earnings. Participants are responsible for directing the contributions into various investment options offered by the Plan. The accounts are charged with any distributions made to the participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participant accounts are always fully vested in their contributions and the Company's Safe Harbor matching contributions, plus actual earnings thereon and shall not be subject to forfeiture for any reason. A participant will be a qualified participant entitled to share in the profit sharing contributions any Plan year the participant is an employee of the Company on the last day of that Plan year except in the case of the participant's death, termination due to disability or termination due to normal retirement age. Vesting in the profit sharing contributions fully vests in year six.

### **Participants Loans**

Participants may borrow against the vested portion of the participant's account. Participant loan can be up to a maximum equal to the lesser of \$50,000, or 50% of the participants' vested account balance. Participant loans will not be made available to highly compensated employees in an amount greater than the amount made available to other employees. The loans are secured by the balance in the participants' accounts and bear an interest rate of 4.25% to 6.50%.

Loans will require that repayment be amortized in level payments, not less frequently than quarterly, over a period not extending five years from the date of the loan, unless such loan is used to acquire a principal residence, in which case the repayment period a reasonable time determined at the time of the loan. In the event of default, foreclosure on the note and attachment of security will not occur until a distribution eligibility requirement is met under the Plan.

### **Benefits**

Upon termination of employment, retirement, or disability, participants may elect to have vested benefits under the Plan paid in a lump sum distribution or partial payments to the participant either in cash, as a direct rollover, or a combination of both. In the event of a participant's death, the lump sum distribution of the deceased participant's balance will be made in cash to the beneficiary. Participants may make hardship withdrawals from the participant account amounts attributable to elective deferrals.

## NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Method of Accounting** - The financial statements are prepared using the accrual basis of accounting.

**Investments and Income Recognition**- Investments are carried at fair value which generally represents the net asset value of the mutual funds as of the last business day of the year as provided by the investment company.

Purchases and sales are recorded on the trade date basis. Interest and dividends are recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Notes Receivable from Participants** - Participant notes are measured at their principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

**Forfeitures** - When certain terminations of participants in the Plan occur, the Company profit sharing contributions portion of the participant's account represents a forfeiture. As of December 31, 2021 and 2020, the forfeited non-vested account totaled \$0 and \$79, respectively. This account will be used to reduce future Company contributions. During the years ended December 31, 2021 and 2020, forfeitures used to reduce the Company's matching and discretionary profit sharing contribution totaled \$0 and \$79, respectively.

**Payment of Benefits** - Benefit payments to participants are recorded upon distribution.

**Administrative Expenses** - Plan administrative expenses are primarily comprised of investment management advisory fees and recordkeeping fees. These expenses are paid directly by the Plan.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

## NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2021 and 2020 was obtained from data that has been prepared and certified to as complete and accurate by the Trustee.

|                            | 2021          | 2020         |
|----------------------------|---------------|--------------|
| Investment - at fair value |               |              |
| Mutual funds               | \$ 11,478,868 | \$ 7,161,344 |
| Short-term investments     | -             | 15,394       |
| Investment income          | 1,472,629     | 1,122,387    |

**NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (continued)**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2021 and 2020. Accordingly, Ascensus Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and supplemental Schedule of Assets Held at End of Year as of December 31, 2021 and the related investment income reported in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

**NOTE 4. PRIORITIES UPON TERMINATION**

Although it has not expressed any intent to do so, the Trustees have the right to terminate the Plan subject to the provisions of ERISA. Upon termination, each affected participant would become 100% vested in their account.

**NOTE 5. TAX STATUS**

The Plan obtained its latest determination letter on March 31, 2014 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code, and was, therefore, exempt from federal income taxes under Section 501(a). The Plan's administrator and the Plan's counsel believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

**NOTE 6. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

**Basis of Fair Value Measurement:**

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**NOTE 6. FAIR VALUE MEASUREMENTS (continued)**

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2021 and 2020, there were no transfers in or out of levels 1, 2, or 3.

The following table put forth by level within the fair value hierarchy, the major categories of the Plan's assets measured at fair value at December 31, 2021 and 2020:

| Fair Value Measurements at December 31, 2021 |               |               |         |         |
|----------------------------------------------|---------------|---------------|---------|---------|
|                                              | Total         | Level 1       | Level 2 | Level 3 |
| Mutual funds                                 | \$ 11,478,868 | \$ 11,478,868 | \$ -    | \$ -    |
| Fair Value Measurements at December 31, 2020 |               |               |         |         |
|                                              | Total         | Level 1       | Level 2 | Level 3 |
| Mutual funds                                 | \$ 7,161,344  | \$ 7,161,344  | \$ -    | \$ -    |
| Short-term investment                        | 15,394        | 15,394        | -       | -       |
|                                              | \$ 7,176,738  | \$ 7,176,738  | \$ -    | \$ -    |

The Plan's investments are participant directed. Participants can initiate transactions in and out of their accounts at any time without prior notice.

## NOTE 7. RELATED PARTIES

Certain Plan investments are shares of mutual funds managed by Ascensus Trust Company, the Trustee, as defined by the Plan. These transactions qualify as party-in-interest transactions and have been denoted as such on the supplemental schedule of assets held at end of year.

Certain administrative duties are provided by the employer, Allbirds, Inc. for which no fees have been charged to this Plan. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules of ERISA.

## NOTE 8. RISK AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

**NOTE 10. SUBSEQUENT EVENTS (continued)**

Effective January 1, 2022, the Plan was amended to reflect a change in the Trustee from Ascensus Trust Company to Fidelity Management Trust Company. As a result of this change, participants can no longer contribute to investment options offered by Vanguard via Ascensus Trust Company. The Plan sponsor and Vanguard completed a mapping of the previous investment options to the new investment options provided by Fidelity via Fidelity Management Trust Company.
