This representation letter is provided in connection with your audit of the financial statements and supplemental schedule of Bürkert USA Corp Plan and Retirement Trust (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the disclosures (collectively, the “financial statements”), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Reliance Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

As part of your audit, you assisted with preparation of the draft financial statements, and supplementary information. You also performed the conversion from cash basis accounting to accrual basis accounting necessary in order for the financial statements to be in conformity with U.S. GAAP. We acknowledge our responsibility as it relates to those nonattest services, including that we assume all management responsibilities; oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of the services performed; ensure that the Plan’s data and records are complete, and accept responsibility for the results of the services. We have reviewed, approved, and accepted responsibility for those draft financial statements, and supplementary information.

We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:

1. The circumstances permit an ERISA Section 103(a)(3)(C) audit.
2. A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
3. The certification meets the 29 CFR 2520.103-5 requirements.
4. The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.

18. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
19. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a. Management,

29. All required amendments to and filings of Plan documents with the appropriate agencies have been made. The prototype plan obtained a determination letter in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.
30. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor(s) has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
31. We acknowledge that expenses paid by the Plan sponsor on behalf of the Plan will not be reimbursed by the Plan.
32. Management has obtained and reviewed a service auditor's SOC-1 report for all third-party administrators and is performing the applicable user controls.
33. The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
34. The Plan has complied with the fidelity bonding requirements of ERISA.
35. No employer initiated actions during or subsequent to the year ended December 31, 2021, resulted in a significant decrease in Plan participation which could be deemed a partial plan termination.
36. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
37. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
38. We believe the form and content of the schedule of assets (held at end of year) is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
