Independent Auditor's Report

Plan Administrator
Bay Banks of Virginia, Inc. 401(k) Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Bay Banks of Virginia, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits in liquidation as of December 31, 2021, the related statement of changes in net assets available for benefits in liquidation for the period from January 1, 2021 through December 31, 2021, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Reliance Trust Company, the trustee of the Plan, as of and for the period from January 1, 2021 through December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by the trustee agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Plan Termination

As discussed in Note 1 to the financial statements, the Plan sponsor, voted on September 16, 2021, to terminate the Plan, and management determined liquidation is imminent as of November 30, 2021. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion on the 2021 financial statements is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the trustee. In our report dated March 16, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Bay Banks of Virginia, Inc. 401(k) Plan

Notes to Financial Statements

December 21, 2021 and December 31, 2020

Note 1. Description of the Plan

The following description of the Bay Banks of Virginia, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan covering all employees of Bay Banks of Virginia, Inc. (the "Company") who had completed at least two months of service. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee of the Plan was Reliance Trust Company (the "Trustee"). The custodian of the plan was ADP Retirement (the "Custodian").

Plan termination

The Plan Sponsor elected to terminate the Plan on September 16, 2021 with an effective date of November 30, 2021 upon which date contributions to the plan were no longer allowed and all active participants became 100 percent vested. Participants were given the option to roll their balances into the third party's plan or receive a distribution under the terms of the Plan. All funds were distributed out of the plan by December 21, 2021.

Contributions

Each year, participants could have contributed 90 percent of pretax annual compensation, as defined in the Plan. Participants who had attained the age of 50 before the end of the plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants directed the investment of their contributions into various investment options offered by the Plan. The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 3 percent of eligible compensation, which increased by 1 percent at the beginning of each plan year until a maximum of 6 percent of compensation, and their contributions invested in a designated balanced fund until changed by the participant. The Company contributed 100 percent of the first 4 percent of eligible compensation that a participant contributed to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts

Each participant's account was credited with the participant's contributions, Company contributions, and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled is the benefit that could be provided from the participant's vested account.

Notes to Financial Statements

December 21, 2021 and December 31, 2020

Note 1. Description of the Plan, Continued

Vesting

Participants were vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts was based on years of continuous service. Upon termination, all participants became 100 percent vested in Company contributions.

Notes receivable from participants

Participants could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested balance. The loans were secured by the balance in the participant's account. The loan interest rate was the Wall Street Journal prime rate plus 1 percent, as defined by the Plan. Principal and interest were paid ratably through payroll deductions.

Payment of benefits

On termination of service, a participant could have elected to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or other installment options as provided by the Plan. All fully vested balances were available for distribution after the participant reached the age of 59^{1/2}.

Forfeited accounts

At December 21, 2021 and December 31, 2020, forfeited nonvested accounts totaled \$0 and \$20,614 respectively. During the period from January 1, 2021 through December 21, 2021, \$21,424 of forfeitures were used to reduce Company contributions.

Note 2. Summary of Significant Accounting Policies

Basis of accounting

Due to the decision to terminate the Plan during 2021, the 2021 financial statements have been prepared using the liquidation basis of accounting. The 2020 financial statements were prepared as a going concern on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America required management to make estimates and assumptions that could have affected the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could have differed from those estimates.

Notes to Financial Statements

December 21, 2021 and December 31, 2020

Note 2. Summary of Significant Accounting Policies, Continued

Investment valuation and income recognition

There were no investments remaining in the Plan as of December 21, 2021.

For the year ended December 31, 2020, investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income and dividends are recorded on the liquidation basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits were recorded when paid.

Expenses

Certain expenses of maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Fees related to the administration of notes receivable from participants and other distributions were charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through August 26, 2022, the date that the financial statements were available to be issued.

Note 3. Trustee Certifications

The following is a summary of the Plan's asset information as of December 21, 2021 and December 31, 2020, and for the period from January 1, 2021 through December 21, 2021, included throughout the Plan's financial statements, that was prepared by or derived from information provided by the trustee and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that the information provided to the plan administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements related to the following assets:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Collective trust funds	\$ -	\$ 1,103,000
Mutual funds	<u>-</u>	<u>9,895,042</u>
	-	10,998,042
 Notes receivable from participants	 <u>-</u>	 <u>127,116</u>
	<u>\$ -</u>	<u>\$ 11,125,158</u>

The trustee also certified the completeness and accuracy of \$512,571 of net appreciation in fair value of investments and \$37,347 of interest and dividends as well as \$1,025 of interest income on notes receivable from participants for the period from January 1, 2021 through December 21, 2021.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly, such as;
- Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in inactive markets.
 - Inputs other than quoted prices that are observable for the asset or liability.
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Bay Banks of Virginia, Inc. 401(k) Plan

Notes to Financial Statements

December 21, 2021 and December 31, 2020

Note 4. Fair Value Measurements, Continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 21, 2021 and December 31, 2020.

Collective trust fund:

Net asset value (NAV) is used as a practical expedient to estimate fair value. The NAV is based on the fair value of underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount differing from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust fund, the investment advisor reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value. The Plan held no assets as of December 21, 2021.

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,895,042	\$ -	\$ -	\$ 9,895,042
Investments measured at NAV (a)				1,103,000
Investments at fair value				<u>\$ 10,998,042</u>

- (a) Certain investments that were measured at net asset value per share or its equivalent have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statements of net assets available for benefits.

Note 4. Fair Value Measurements, Continued

The following tables set forth a summary of the Plan's investments reported at NAV as a practical expedient to estimate fair value:

	<u>Fair value</u>	<u>Unfunded commitment</u>	<u>Redemption frequency</u>	<u>Redemption notice period</u>
Collective trust funds	<u>\$ 1,103,000</u>	<u>\$ -</u>	Daily	None

Note 5. Related-party and Party in Interest Transactions

Certain Plan investments were managed by Reliance Trust Company. Reliance Trust Company was the trustee as defined by the Plan and, therefore, these transactions qualified as party in interest transactions. Fees incurred by the Plan for the investment management services were included in net appreciation in fair value of the investment, as they were paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the third party administrator totaling \$24,077 which were not covered by revenue sharing. The Company paid directly any other fees related to the Plan's operations.

Note 6. Tax Status

The Company adopted the Plan based on a prototype plan document sponsored by ADP, LLC. ADP, LLC has received an opinion letter from the IRS dated July 16, 2014, that states that the form of the prototype plan is acceptable under Section 401 of the Internal Revenue Code (IRC). The plan administrator believed the Plan was operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
